PRESIDENT'S MESSAGE

Welcome to the University's twenty-first commencement exercises. Today we will confer more than 2,000 bachelor's degrees and nearly 500 master's degrees.

The University community takes great pride in the educational achievements of our students. We join together in offering our heartiest congratulations to the members of the graduating class of 1981 as they embark on new careers and join our 30,000 alumni already contributing actively to their communities.

We also want to recognize the contributions made by families and friends to the success of our students. Your efforts have helped Cal State, Hayward to become the outstanding University that it is.

From its beginning in the classrooms of a vacant high school, Cal State, Hayward has grown to become one of the leading educational institutions in the San Francisco Bay Area. The University has not accomplished this alone. We have achieved success through the combined efforts of the University, its alumni and the community we serve.

Next year Cal State, Hayward will celebrate the twenty-fifth anniversary of its founding. We hope that you will be able to return to the campus to participate in the many events being scheduled to mark the occasion.

Cal State, Hayward more than ever needs your continued support to meet the challenges of providing quality education and serving the community in the decades that lie ahead. Whether you are visiting the campus for the first time or have visited many times, we encourage you to consider Cal State, Hayward as your community resource for continuing education. The University offers an exciting program of cultural and athletic events as well as a curriculum to meet the educational and employment demands of the community.

As you, the class of 1981, take leave of the campus to contribute your skills and talents to your communities, we thank each of you for your support and invite you to call upon us whenever we can be of assistance to you.

ELLIS E. McCUNE
President

Program

THE TWENTY-FIRST COMMENCEMENT

Saturday, June 13, 1981

10:00 a.m.

HONORS' NOTATIONS

• Honors † High Honors ★ Highest Honors

Honors notations for Winter, Spring and Summer Quarter graduates are based upon student records as of the end of the Fall Quarter. Official designations are dependent upon the complete student record.

ACADEMIC REGALIA

Questions are often asked about the significance of the academic dress worn by the faculty and graduates.

The academic regalia worn at Commencement continues a tradition which began with the earliest Western Universities in the Twelfth Century when robes and hoods were standard garments of the day. This tradition was revised in America in the Seventeenth Century by students who felt that the robes not only added dignity to the commencement ceremony but that they also provided a single democratic and formal dress for rich and poor graduates alike.

All candidates for degrees wear plain black gowns and black "mortarboards." The type of gown and color of the hood worn by members of the faculty designate the field in which the individual received his highest degree and the institution which granted the degree. Bachelors' and Masters' gowns have pointed sleeves. Doctors' gowns have rounded open sleeves. There are no trimmings on the

gown for the Bachelor's or Master's Degree, but gowns worn by holders of Doctors' Degrees are faced down the front with black velvet with three black velvet bars across the sleeves. In some cases, the gown is trimmed in a color designating the field of study rather than in black.

Hoods are worn around the neck and over the gown. The inside of the Cal State hood is lined in red, white, and black, Hayward's colors; the outside of the hood is trimmed in a color representing the discipline in which the graduate earned his Degree. The Doctor's hood is longer than the Master's hood and it too is lined with the official colors of the institution which granted the Degree and the outside trim represents the field of Doctoral study. In addition, the Doctor's cap is worn with a gold tassel. Some examples of red or other colors of gowns and exceptions to the Oxford or "mortarboard" cap may be present. Most of these represent foreign institutions.
