- For every new Fresno Arts Center member you recruit, you will receive a chance to win a Helen Banks sculpture (valued at \$500). The person that recruits the most new members will win a Rollin Pickford watercolor (valued at \$800). The drawing for the Banks and the awarding of the Pickford will be held at the Jean Ray Laury Opening Reception on September 13, 1981. The members you recruit will also receive a chance for the Banks and as new members can join the family competing for the Pickford.
- Help us reach our goal of 400 new members. Your friends will enjoy the Center's programs and know that they are helping to support the Central Valley's only accredited museum.
- 400 new members will provide the Center added revenue to enhance our exhibitions and programs.
- Packets of Art Center information and brochures have been developed to help you inform prospective members about our programs. These packets are available in the Center's office.
- The Arts Center staff will help you recruit new members, but are not eligible to win the prizes.
- Remind your friends that membership dues are tax deductible.
- Sign up your friends and business associates - They will enjoy their Fresno Arts Center membership. You'll be surprised how many of your friends are just waiting to be asked. Membership applications are enclosed. If you need more, call us at 485-4810.
