*Additional units, if needed, must be selected from all those listed to reach the minimum of 54 units required.*

- a. The Critical Thinking requirement is met through courses in the Core Component.  
b. Left open by many community colleges for upper division requirement.

95

## POST-BACCALAUREATE CREDIT

Upper division units earned at CSUF in the semester or summer session in which the bachelor's degree is granted, provided they are not needed for such a degree and provided the student is in good academic standing at the beginning of the final semester and remains continuously in good academic standing, will be listed on the student's record as *post-baccalaureate credit*. Only credit for courses in which grades **A**, **B**, **C**, or **CR** are earned may be counted. No course may have its credit divided between the baccalaureate and post-baccalaureate programs. Use of such credit for graduate degrees at CSUF requires special approval (consult Office of the *Division of Graduate Studies and Research*). Use of such credit for other purposes is to be determined by the appropriate authority.

## GRADUATION AND COMMENCEMENT

Commencement is held annually at the end of the spring semester. Students who have completed degree requirements in the summer or in the fall semester immediately preceding commencement are eligible to participate with those who complete their work in the spring semester. Students looking forward to meeting degree requirements should complete the following steps:

1. Obtain and file a completed application for a degree (\$10 graduation fee and a \$10 diploma fee) in the Evaluations Office when 90 semester units have been completed. See *Academic Calendar* for filing dates and
