Councilwoman Jane Tolmach  
City of Oxnard  
City Hall  
Oxnard, California 93030

Dear Jane:

Please accept my congratulations on your nomination to the Assembly from the 36th District. Nothing can be more welcome up here than another legislator with city legislative experience, and I know you'll do a great job for your people.

If you're in Sacramento in the near future, we'd certainly like to sit down with you and brief you on upcoming legislative issues of concern to cities in the 1977-78 Legislature.

I think often of the old A.P.Y.D. days, and you'll be happy to know that Dick Nevins and I usually dine together monthly. He's still trying to educate me, and after 25 years, it says something for his willingness to stick with a thankless job. I also talk with Toby from time to time.

At any rate, I did want to congratulate you, and if there is anything I can do, please call at any time.

Sincerely,

William H. Keiser  
General Legislative Counsel
