Number, Percent Response by Gender, and Total Responses for Students at Comparable Universities

A Staff Report
J. E. Gonzalez, Ph.D.
Director

Date: June 1st, 2006

The Cooperative Institutional Research Program (CIRP) freshmen survey is a national research study that is conducted by the Higher Education Research Institute (HERI) at the University of California, Los Angeles. CSUCI has participated in three administrations of the CIRP—Fall 2003, Fall 2004 and Fall 2005. At CSUCI, the CIRP is administered to students during Freshmen Summer Orientation.

The data in this report was compiled from reports produced by HERI. Survey responses from first-time freshmen at four-year public universities are included in this report for comparison purposes.
