Disabled Student Services

Cal Poly has been a leader among CSUC campuses in the removal of architectural barriers. Curb cuts, ramps, and elevators have allowed increased campus mobility. Accessible restrooms, drinking fountains, and telephones are available campuswide. On-campus transportation and special parking privileges also are provided.

The Disabled Student Services (DSS) Office offers information and supportive services to permanently and temporarily disabled Cal Poly students. It also coordinates activities of Disabled Students Unlimited (DSU), the disabled students' organization funded by the Associated Students Inc.

Membership in DSU is open to all campus students with verified disabilities. Activities include bi-weekly meetings, an annual Awareness Day, Poly Royal, the Speakers' Bureau, and a variety of social activities.

Located in Julian A. McPhee University Union, the DSS Office is open year-round. The telephone number is 546-1395. In case of emergency, call Cal Poly Public Safety, 546-2281.
