

## STUDENT AFFAIRS

Eligibility for this grant is determined by the same criteria as federal financial aid programs. Admission to the University through the EOP does not automatically mean that the student will be awarded a State EOP Grant.

Grants provide aid to undergraduate students who, for lack of such assistance, would be unable to enter or remain in an institution of higher education. Funds are limited and are awarded to EOP students who come from low income families and demonstrate financial aid eligibility. EOP grants range from \$200 to \$1,000 for the academic year. Applications may be obtained from the Financial Aids office, CSUF. The application deadline is March 1.

### VETERANS SERVICES

This office provides services to all veterans at California State University, Fresno. Liaison is maintained with the Veterans Administration and the State Department of Veterans Affairs for veterans, and with the local and State Office of Vocational Rehabilitation and other related agencies for the disabled student population of the campus.

Veterans transferring to CSUF from other institutions are strongly urged to contact the office and file a request for a Change of Place of Training (VA 22-1995) at least two months prior to the start of the semester. New applicants (never used G.I. Bill) should also apply through the office at least eight weeks in advance. Such lead time is necessary as we must certify all enrollments to the Veterans Administration before any benefit checks will be issued.

Veterans are not the only people eligible for G.I. benefits. Certain dependents of deceased veterans, disabled veterans, and certain dependents of California veterans may qualify for benefits. All such students should contact the office well in advance of the start of their planned study at California State University, Fresno.

The office serves as an information center for all and disabled students. Counselors are available to assist students with answers to their questions or referral to the office or agency that can best serve the student's needs.
