

**GRADE POINTS**

For each unit of credit the student receives grade points as follows:

- A**—Four grade points and four progress points per unit of credit.
  - B**—Three grade points and three progress points per unit of credit.
  - C**—Two grade points and two progress points per unit of credit.
  - D**—One grade point and one progress point per unit of credit.
  - F**—No grade points; units counted. No progress points.
  - U**—No grade points; units counted. No progress points.
  - CR**—No grade points; units counted. Two progress points for an undergraduate course, three progress points for a graduate course.
  - NC**—No grade points; no units counted. No progress points.
  - W**—No units allowed. Not included in progress point computation.
  - AU**—No grade points or units allowed. Not included in progress point computation.
- 
- I**—Not included in computations until grade is assigned.
  - RD**—Not included in computation until grade assigned.
  - SP**—No units allowed and not included in progress point computation until grade is assigned.

**REPEATING COURSES**

An undergraduate student may repeat a course in which a grade of "D", "F", "U" or "I" was received. All units attempted will be used to determine the student's grade point average and graduation eligibility unless the student repeats the course and requests the new grade be substituted for the original grade. To substitute a grade by repetition the student must file a petition with the Registrar before the end of the Late Registration Period of the semester during which the course is being repeated. If the request is approved, units attempted, units passed (if any) and grade points from the previous attempt will not be used in grade point averages and graduation computation.

75

If the student receives the same grade or a higher grade than was received for a previous attempt, the units attempted, units completed (if any) and grade points for the previous attempt will not be used to compute grade point averages or graduation requirements. If the student receives a lower grade no deletions will be made. In all cases, all work will remain legible on the record ensuring a true and complete history.

A course completed at another institution may be repeated by enrolling in a regular CSUF course determined by the Evaluations Office to be essentially equivalent. In the case of a course repeated at another college the policy of the college where the course was repeated shall be followed. If it is not possible to determine that policy, the CSUF policy will be followed.

Although not recommended, a student may repeat a course in which he earns a "C" or higher grade. Such repetition is recorded on the transcript but is not used to compute unit or grade-point totals.

**ACADEMIC RENEWAL**

Under certain circumstances, the university may disregard up to two semesters (three quarters) of previous undergraduate course work taken at CSU, Fresno or at any other college from all considerations associated with requirements for the baccalaureate degree. When such action is approved the
