**DISCUSSION ITEMS:**

Service Learning Substitution- Discussion tabled from last meeting. An S course designation has “reverse transferability.” Specifically, S courses can be used to meet a department’s regular course requirement. However, a regular course (without an S designation) cannot be used to satisfy a department’s “S” course requirement.

Culminating Experience- Gathering data to develop policy and possibility of department culminating experience requirements.

Movement of Emphasis to Options- Currently, there are many departments with no “options” but have “emphases.” Should we move departments to “options” and then subsume “emphases” under the purview of “options”? If so, prepare a memo to make these changes administrative for interested departments.
