Mr. William Randolph Hearst,
La Cuesta Encantada,
San Simeon, California

Dear Mr. Hearst:

1. The only silver candlesticks received this summer are those reported to you last night as being used in the Cloister rooms, the twins' room, and one small pair reserved for the deck room.

2. The Roman plunge is taking shape. Do you still think it best to take out the wide pilasters in the main plunge room? I do not wish to be insistent, but just sure.

3. In regard to the replacement of the San Simenn private telephone poles, do you want Mr. Gillespie back? He does not seem to be on any of your pay rolls at present and will need a "heading up" to get the material, use of equipment, etc. needed. I was negligent in not asking yesterday, as some poles need prompt attention.

As always,

Yours very truly,

JM-M
