

# STUDENT GOVERNMENT

Presented By:

**Associated Students, Incorporated**

## About Student Government

Student Government works to improve student life on campus and represents student interests in a multi-faceted approach. We serve as a liaison for the student body at the campus, state and national levels to create changes in policies affecting students. Our strategic plan includes goals for the development of the following areas:

- Communication
- Civic Engagement
- Leadership & Involvement
- Internal Structure

## Branches

Student Government is comprised of the following branches:

### EXECUTIVE BRANCH

This branch consists of the Student Body President, the Student Body Vice President and the Presidential Cabinet. These campus leaders represent the student body to the administration, faculty and community, work to address student concerns, and provide programs and opportunities to help engage students. The Student Body President also acts as the official spokesperson for the Student Government.

### LEGISLATIVE BRANCH

The Legislative Branch also called the Student Government Senate is elected by the student body. The Senate is composed of seven senators. The Senate is responsible for the allocation of funds for clubs and organizations, organizing standing and ad hoc committees, approval of Presidential appointments to the senate, the development of legislation and the faithful execution of the Student Government Bylaws.

### STUDENT GOVERNMENT INTERN PROGRAM

Interns develop leadership skills and gain valuable insight on the activities and responsibilities of Student Government while participating in an excellent co-curricular activity at CSUCI. In the 2006-2007 year Student Government brought on seven interns to our team.

## Student Programming Board

The purpose of Student Programming Board is to plan, promote, and produce a variety of student centered programs that are educational, cultural, and social in nature. SPB membership has more than doubled since its existence and has hosted upwards of 75 events for the entire student population.

### Events have included:

- Special Events such as Casino Nights, Masquerade Ball, Sumo and Sushi, the Rocky Horror Picture Show, and Hands Across CI that unifies students, faculty, and staff into a common goal to better the University
- Off-Campus events such as Disco Roller Skate, Ice Skating, Bowling Nights, and Professional Sporting events
- Coffeehouses featuring student and local talents

- Battle of the Majors: College Clash which is a weeklong competition between all the majors on campus in events such as tug-o-war, relays, mechanical bull ride, trivia, and karaoke
- The Annual Picnic which is an end of the year celebratory concert featuring popular bands and local and student talent. This year the theme of the Picnic is "Putting the Unity Back in Community".
