

REGISTRATION

Registration is open to new and returning students who have been formally admitted and to continuing students in good standing. Former CSUF students returning after an absence of one semester or more must apply for readmission, subject to university enrollment limitations and filing deadlines. Students who are returning after an absence of two semesters or more, and those who have been absent one semester and who have attended another institution since last registered at CSUF will be required to pay the \$20 application fee when applying. The *Academic Calendar* lists dates of registration. Late registrants are assessed a fine of \$5. A late filing fee of \$2 is also assessed if registration is not completed within 5 days or the end of late registration. No registrations will be allowed after the end of late registration. *Registration is complete only when all required forms are completed and filed and all fees are paid.* See *Academic Calendar* for all deadline dates.

Registration priority for all students, new and returning, is determined by the number of academic units completed with limited exceptions. After a priority group, determined by the faculty-student Registration Committee, graduating seniors register, then first-time freshmen, followed by students with the highest number of completed units.

SCHEDULE OF COURSES

An official *Schedule of Courses* is published each semester listing registration procedures, courses offered, class hours and locations and other important deadlines. The schedule is available prior to registration and may be purchased at the Bookstore for a nominal cost.

CONCURRENT REGISTRATION AT ANOTHER COLLEGE OR UNIVERSITY

Approval of the Registrar must be obtained in advance of registration before transfer credit may be earned at another college concurrently with registration at CSUF. Normally permission for concurrent registration will not be granted for a class which is offered at CSUF.

PROGRAM RESTRICTIONS

Students are cautioned against registering for more than 18 units without consulting an adviser, since more than 18 units is generally considered to be an academic overload. See *Schedule of Courses*.

To register for 19 units, a student must have an overall grade-point average of 2.50; for 20 to 22 units, a student must have an overall grade-point average of 3.00. Exceptions to these limits must be approved by the chairman of the student's major department. An absolute limit of 22 units (excluding credit by examination units) is enforced which may be waived only with the approval of the Dean of the School of the student's major.

Enrollment in upper division courses is restricted to students with junior, senior or graduate standing, or who have the necessary prerequisites. Exceptions are subject to the approval of the instructor and department chairman. Upper division credit may not be granted until students have completed a minimum of 45 semester units. Only students who have been fully approved for admission to credential programs may enroll in certain education courses and qualify for a school service credential on the basis of the university's recommendation.
