

Refund Policy for Tuition and Other Fees

(All refunds will be subject to a \$5 administrative fee.) It is the student's responsibility to drop courses, regardless of the reason, by all enrollment period deadlines to avoid charges or be eligible for a full or prorated refund. Failure to do so may result in charges and holds preventing university services. Students who decide not to attend should drop all courses before the first day of instruction to avoid enrollment charges.

Please note: The last day to be eligible for any refund of tuition and fees resulting from dropping from full-time to part-time is not the same day as the last day to add/drop a course. The last day to add/drop and still be eligible for any refund of tuition and fees is usually the 10th day of instruction. This is different from the last day to add/drop any course, which is usually the 20th day of instruction.

Average Support Cost per Full-Time Equivalent Student and Sources of Funds. The total support cost per full-time equivalent student (FTES) includes the expenditures for current operations, including payments made to students in the form of financial aid, and all fully reimbursed programs contained in state appropriations. The average support cost is determined by dividing the total cost by the number of FTES. The total CSU 2017/18 budget amounts were \$3,390,564,000 from state General Fund (GF) appropriations and before adding \$39.3 million CalPERS retirement adjustment, \$2,477,015,000 from gross tuition revenue, and 0 \$594,397,000 from other fee revenues for a total of \$6,461,976,000.
