

OFFICE OF
WILLIAM RANDOLPH HEARST
WYNTON
McCLOUD, CALIFORNIA

August 24, 1938.

Dear Miss Morgan :

Herewith by registered mail I am
prints, etc.,
sending you the photographs/of things be-
longing to Mr. Hearst at the San Francisco
museums,-- which you sent him in your letter
of May 4, 1938.

In your letter you referred to the missing
photograph of the wooden St. Christopher. Please
surely include that item in the inventory.

I have asked Mr. Williams at San Simeon to
send you the originals of the varguenos, which Mr.
Hearst gave him some time ago to copy.

Many thanks for the great cooperation
you are giving in this inventory situa-
tion-- and for that million dollar list
of material incorporated in San Simeon
construction.

Best wishes,

J WILLIAMS
