\*\* A nonresident student is any person who has not been a bona fide resident of the State of California for more than one year immediately preceding enrollment. The exact determination date may be ascertained by contacting the Admissions/Records Office.

\*\*\* The law governing The California State University provides that a student body fee may be established by student referendum with the approval of  $\frac{2}{3}$  of those students voting. The Student Body Fee was established at CSUF by student referendum on May 12, 1959. The same fee can be abolished by a similar  $\frac{2}{3}$  approval of students voting on a referendum called for by a petition signed by 10% of the regularly enrolled students. (*Education Code, Section 89300*) The level of the fee is set by the Chancellor upon recommendation by the campus. Student body fees support a variety of cultural and recreational programs, child care centers, and special student support programs. In certain instances students may work on campus to earn back the amount of this fee. Application for the work must be made to the Financial Aids Office at least two weeks prior to scheduled registration dates.
