Mr. Bonilla. Got a really good article that I want to read to you because I think it, falls in line with what, Commander Hobbes, I, I come by and speak about, and it starts like this. It was late at night, and after a hard day of work, I decided to stop by the Mile-High chapter of the American Yard.

00:39:55:26 - 00:39:57:11

Speaker 2

Old buddy Coleman. You know, buy them a beer. And we started to discuss old times.

00:40:06:22 - 00:40:08:27

Speaker 1

We talk about small talk about my.

00:40:08:27 - 00:40:14:22

Speaker 2

Chapter, the problems he encountered during the first few years of organizing, of organizing the chapter.

00:40:14:25 - 00:40:17:24

Speaker 1

And we marvel on how the American job market.

00:40:17:24 - 00:40:53:17

Speaker 2

My nine chapter became the largest July 4th chapter in the nation, followed and asked me if I knew what single individual, the most advanced American American community in the United States. Think about this now. I called Franklin and I said, oh, that's easy. Franklin Roosevelt, 32nd president of the United States. He gave his country New Deal, restored some banking and the Social Security waste of veterans benefits, housing loans, created an economic program that gave Hispanics jobs right.

00:40:53:20 - 00:40:56:24

Speaker 2

What do you that culminated in the answer?

00:40:56:27 - 00:40:58:07

Speaker 1

I thought John.

00:40:58:11 - 00:41:26:05

And I thought, well, maybe let me if I go through another round, what this is a child is no Corky Gonzalez, Martin Luther King doctor Pete Garcia, Frank am I am all that all these persons, you know, the Hispanics. But none of the right answer.

00:41:26:07 - 00:41:56:00

Speaker 2

Oh, I think these people help the Hispanics in obtaining civil rights and fair housing and a fair job discrimination that was not for them. That wicked problem with while I was drinking, he said, it's a document about him there. I said, oh, wasn't that great? You don't me? That Hitler who started World War Two, destroyed most of Europe, was responsible for the near extinction of the Jewish culture during the 1940s?

00:41:56:03 - 00:42:19:12

Speaker 2

All said, yeah, same night. Oh, come on, Paul, how in the age Hitler is considered as the most single important person in helping the advancement of Mexican-American community in the United States.

You're kidding, aren't you? That all supporting the cause? And the only reason, the only way I'm going to give you an answer is to give him a pretty, I promise fact.

00:42:19:12 - 00:42:26:20

Speaker 2

If you find him, you.

00:42:26:22 - 00:42:50:03

Speaker 2

Then worry about part of the earth. And then he explained. In the 1930s, Mexican-Americans were limited to living in the southwest part of the United States. Life consisted of working in the field during the day, six days a week, spending the night at home with his family. He attended the household chores, listen to the radio, or drive his wife into this more admired body.

Speaker 2

So which represented 50% of the U.S. Department of Airforce. Working this base, representing the Mexican-American working instructor for the U.S. Air Force, somebody even figured out what 80% for the totally foreign defense working this base alone know they were considered for base closure. But that's not just one base. In Texas. We have places like this in California. We have bases all over to the south, and here we go, Amanda bases.

00:49:19:16 - 00:49:24:03

Speaker 2

We're not home from where we are. In fact, by two.

00:49:24:03 - 00:49:33:02

Unknown

Years of base closures, commission will start all over again. I asked and I prayed at the American G.I. forum. I think I'm very.

00:49:33:05 - 00:49:47:14

Speaker 2

Comfortable in supporting these folks, and it makes no way possible to go anywhere. You can go anywhere and you'll see a lot of mainstream people say, we need a pickup truck. We need to.

00:49:47:16 - 00:49:49:27

Speaker 1

Start cutting on the public defender.

00:49:49:29 - 00:50:14:12

Speaker 2

But the impact on the Hispanic community will be very severe. A middle class Mexican-American will now drop out of that area and then go back in an area that they're not prepared for, and infrastructure is not prepared for. And yet they have to group in the same room, providing more Medal of Honor than anyone else that's never had a turncoat.

00:50:14:15 - 00:50:30:21

Speaker 2

And they're going to turn their backs on us. I ask for your support and I ask for your help. And I am, and I thank you, Mr. Manor, for inviting me to the state convention of California.

00:50:30:24 - 00:50:36:10

Unknown

I can see it's very successful and your registration fees are very reasonable.

00:50:36:12 - 00:50:58:02

Speaker 2

I let you know, and I'm I hope to be here next year. Give me an opportunity. And it's nice to see all my friends and my second family from California cracking.

00:50:58:05 - 00:51:29:05

Speaker 1

Down. Because, as you know, they read my cards. They turn up the volume up. You. It was pretty powerful. I, I know I have to be careful and make sure that I, stand. Well, remember this microphone, because what I was talking about on the floor.

00:51:29:07 - 00:51:29:24

Unknown

I had heard.

00:51:29:24 - 00:51:33:16

Speaker 1

Nothing more than I heard it. Important truth.

00:51:33:18 - 00:51:38:13

Unknown

So, I want to say thank you. So thank you very.

00:51:38:13 - 00:52:05:15

Speaker 1

Much for taking your time to be here with us. A few of you will agree that, come forward. Three of them are staying there in a message. And everything that he writes. This is not a history of our life and a poetic form, where we can live that are true, where we come find ourselves and some of our situations.

00:52:05:18 - 00:52:20:14

Speaker 1

Because he is talking about the real life of our people in this country, what many of us have gone through. And, I'm doing what I do. These things need to be written down. They need to be put.

00:52:20:14 - 00:52:22:02

Speaker 4

In a form that makes it.

00:52:22:02 - 00:52:33:02

Speaker 1

Tolerable to the young people, that will lose their perspective on not important era in the history of our country.

00:52:33:05 - 00:52:34:27

Speaker 2

Because those other people.

00:52:35:00 - 00:52:39:17

Speaker 1

That are writing it down, what have got no consideration.

00:52:39:17 - 00:52:40:22

Speaker 2

Generation to.

00:52:40:25 - 00:52:47:20

Speaker 1

Build on to be more crime. Well, you know, don't look back and say, look, this.

00:52:47:20 - 00:52:50:01

Speaker 4

Is for my purpose and this.

00:52:50:01 - 00:53:14:01

Speaker 1

Is where I am, because they sacrificed for me, because that is what we need a monument to. The fact that his father went to third grade and his mother passed away. Compared to the. But yeah, they produced a son that is highly educated and.

00:53:14:03 - 00:53:16:11

Unknown

Only through the community. But a.

00:53:16:11 - 00:53:17:04

Speaker 2

Contributor.

00:53:17:04 - 00:53:38:28

Speaker 1

From the country. We're glad and but I'm very nervous. I've gonna obviously. But we need to develop that. I don't do that kind of a thing, George. Producing a vehicle for young people like the young ladies here there are going to be competing.

00:53:38:28 - 00:53:40:24

Speaker 2

For Queen.

00:53:40:24 - 00:54:15:13

Speaker 1

Tonight because these are the people over here. Your love them. no matter where you go up. our people are going to be live according your report, do very well. And all the numbers, all the indicators that would be, it's up to us to develop the people that are going eliminate the rest that our people are the governor instead of the governor.

00:54:15:15 - 00:54:45:02

Speaker 1

we need to make sure that we create the atmosphere, the type of situation where when you get a computer so that they can take the rightful place in our society where Americans, we need to turn and make sure. And it's up to us to see that our people get, one we're deeply appreciative of, being here with us.

00:54:45:04 - 00:55:02:00

Speaker 1

you have to get up off of that. We get, the, national chairman of the forum to come with them. And, share with us, let our membership meet.

00:55:02:02 - 00:55:06:10

Unknown

the National, only mode.

00:55:06:10 - 00:55:20:27

Speaker 1

Unlike many other Americans, these are people that, have left their homes. And, we've got to do something to change one fact about them. They're all from Texas.

00:55:21:00 - 00:55:24:13

Unknown

We're government. We've got to make sure that.

00:55:24:16 - 00:56:00:13

Speaker 1

we have a national chairman, maybe. And maybe, national chairman that trail from California and, left on the brink of saying all the, we're threatening that you are right that your, but, we're grateful. We're grateful that you're here. You remember that 10311 President Nation. Yeah. And, and the thing that we should be concerned about, how come we take some of the actions of the government, of the state, been affecting our people?

00:56:00:16 - 00:56:29:05

Speaker 1

Because this morning in the paper, I was, reading about the closure of, oh, he had a naval air station in Maryland. Prager I I'm, the statistics only cite the Bible for people that are going to be the captain getting laid off. We should look at what number of have are are revoked, and what can we do to help them transition from those jobs to other jobs?

00:56:29:05 - 00:56:54:04

Speaker 1

Because for many of the needs are still going to go. I just read about a young fellow that bought a house, just bought a house, first of all, and now he faces the prospect of getting laid off and, yeah, feels like for other people to buy new homes in California. you're in need of those payments. Are you doing good work, meaningful jobs to be able to do them?

00:56:54:07 - 00:57:36:26

Speaker 1

So anyway, we should be concerned about closing. And, I want to thank you that, we're going to continue the our meeting. we when we get done here, I think that we should be able to get started about a 1:45 in the hall that we were in this morning. Shortly after that, we will be going up to November's workshop and again, I'd like to see an overflowing attendance, workshop coming up, having reservations about several different related issues.

00:57:36:28 - 00:57:47:05

Speaker 1

And, I'd appreciate it if you get there. Yesterday we had an interesting presentation from the standing room, only the room is small and.

00:57:47:07 - 00:57:48:28

Speaker 2

purposely, because we did.

00:57:48:28 - 00:58:28:16

Speaker 1

Not want these bring other stories, you know, a bunch of empty chair that has happened before. We don't want that to happen here. These people think they're right to be welcome, and we don't know respect by being there and listening to the reservation. But, the other thing that I announced, about the reporters tonight. That goes along with them up here will be announced for the a very popular forum that you have a very nice evening.

00:58:28:18 - 00:58:35:10

Speaker 1

Thank you very much. the, I know, something lines and I'd like to make up.

00:58:35:16 - 00:58:38:12

Speaker 2

To some very important people here.

00:58:38:12 - 00:58:40:05

Speaker 1

In Fremont.

00:58:40:07 - 00:58:42:12

Speaker 2

the convention committee.

00:58:42:14 - 00:59:03:06

Speaker 1

Did an outstanding job. Monday in advance. So you could contest that convention right. But we're hopeful Kelvin can have a good time. First, I'd like to thank, my brother in law, very good friend. Rudy, my neighbor.

00:59:03:08 - 00:59:11:26

Speaker 2

Rudy, when I got the deal mentioned yesterday.

00:59:11:28 - 00:59:16:24

Speaker 2

If you see him with a shortage because he runs around, you really, really have done a.

00:59:16:24 - 00:59:24:04

Speaker 1

Tremendous job next, taking care of the tournament that many, some of you participated.

00:59:24:04 - 00:59:26:04

Speaker 2

In,

00:59:26:06 - 00:59:36:27

Speaker 1

With, Mr. Deutsch. I gone to Bundesliga's,

00:59:36:29 - 00:59:54:20

Speaker 1

John Young also is taking care of the registration, and, him and his, to, kids are doing a fantastic job. Number one, that over. he's game soccer.

00:59:54:22 - 01:00:00:12

Speaker 2

With Ernie just played soccer.

01:00:00:15 - 01:00:02:28

Speaker 2

Next, next. We have,

01:00:03:00 - 01:00:03:16

Speaker 1

Two very.

01:00:03:16 - 01:00:05:16

Speaker 2

Important people, that did a.

01:00:05:16 - 01:00:06:14

Speaker 1

Lot of things. They so.

01:00:06:15 - 01:00:08:27

Speaker 2

That they, they just did about everything that we.

01:00:08:27 - 01:00:19:08

Speaker 1

Asked them to do. And that's, Bucky, Bucky cannon. Joe.

01:00:19:10 - 01:00:20:01

Unknown

Helping us with.

01:00:20:05 - 01:00:38:14

Speaker 1

decorations and, with, special invitation. So you all saw the mayor there last night just because of this young lady that we were able to come there, and that's, Mrs., Gloria Olson.

01:00:38:17 - 01:00:42:20

Speaker 2

Is. It just remind me to.

01:00:42:26 - 01:00:56:16

Speaker 1

Mention, Georgia was to come on, daughter and done a great job with the registration.

01:00:56:18 - 01:00:59:21

Speaker 1

We also had, of course, George Martin, who.

01:00:59:22 - 01:01:03:00

Speaker 2

Will be providing some of the music tonight and, has helped us with.

01:01:03:00 - 01:01:09:26

Unknown

The coordination. The joint.

01:01:09:28 - 01:01:12:24

Unknown

And the other half of the open family, area.

01:01:12:26 - 01:01:18:21

Speaker 1

Probably at the fire department. Gary, very also known Gloria's husband.

01:01:18:23 - 01:01:20:16

Speaker 2

Did a lot to help us with the.

01:01:20:18 - 01:01:32:08

Speaker 1

01:01:32:08 - 01:01:34:09

Speaker 2

And we'd certainly like to thank you all.

01:01:34:09 - 01:01:36:27

Speaker 1

We this, convention and that's it because.

01:01:36:27 - 01:01:44:08

Speaker 2

Of the fireworks and that rather than produced for.

01:01:44:10 - 01:01:56:01

Speaker 1

And of course, Mr. Harvey, I would not be Mr. Harvey without because I would not know.

01:01:56:03 - 01:01:58:04

Speaker 1

I mean, I would,

01:01:58:07 - 01:02:00:15

Speaker 2

had this incredible coordination.

01:02:00:15 - 01:02:08:11

Speaker 1

She put together the, yesterday, luncheon. And, we like to thank her. also, there's many, many people,

01:02:08:13 - 01:02:10:17

01:02:25:07 - 01:02:31:14

Unknown

01:02:31:16 - 01:02:37:10

Speaker 1

We would like to acknowledge the problems of our national vice chair.

01:02:37:17 - 01:02:38:17

Speaker 2

Mr..

01:02:38:19 - 01:02:40:28

Speaker 1

Bob Rodriguez, who.

01:02:41:00 - 01:02:50:20

Unknown

Is from the state of Oklahoma.

01:02:50:23 - 01:02:53:01

Unknown

I, I would like to direct doctor.

01:02:53:03 - 01:03:00:29

Speaker 1

For the record, because I don't want there to be.

01:03:01:02 - 01:03:14:22

Unknown

Any other.

01:03:14:24 - 01:03:17:08

Unknown

no no no no.

01:03:17:10 - 01:03:35:01

Speaker 1

Both of the women are going to be conducting the raffle. I have heard of the bring up the raffle that was held. There was going to be the absolute last one, but obviously they met them long ago.

01:03:35:03 - 01:03:40:14

Unknown

We're known women. The women they become.

01:03:40:16 - 01:04:11:22

Speaker 1

So that's one of, find the next premier of the bar by a chance, on a scale. Allow the shuttle Rockwell International donated and do a for their fundraising efforts. So help the women by buying a transform. I'm sure the public figures. oh. How do we go and say a couple words? I want to tell you that, bring our session.

01:04:11:25 - 01:04:29:07

Speaker 1

Each of the national organizations that are running for national office will be given an opportunity to address our session. And, so, but, please come up.

01:04:29:09 - 01:04:31:04

Unknown

You knew that,

01:04:31:06 - 01:04:47:11

Speaker 2

I had a big problem today. but not too important. My wife and I took three hours to get to the airport, but, when we got there, she went to stick around. If I know you, go ahead, go home. But we had our youth group there, seven car wash, so I want her to take care of it.

01:04:47:14 - 01:05:06:19

Speaker 2

But anyway, when I turned around and walked into the lobby of this, my departure times, it was still the same. It wasn't. It was canceled. They cancel my flight. So I went that way. An important one became one more in Dallas and over and over to bed as, to the people say, my flight report. You know, I think you got a point in the 70s again, you know.

01:05:06:22 - 01:05:18:01

Speaker 2

So anyway, Brian, another airplane and, that put to flight in one airplane and what you call open seat. So you see a safety grabbing.

01:05:18:03 - 01:05:37:09

Speaker 2

one of the people running and, we went that. No. Which plane would pick up in one went Dallas. I know when we got to Dallas, I ran up. We spent almost a mile getting around, and, and I told the situation, and again, it gave me a favor, and it put me up in front of everybody else.

01:05:37:10 - 01:06:00:27

Speaker 2

I was five miles from from. But it's a mess right now. And of many questions for you right there in that situation. But anyway, I'm very glad to be here. It's worth the trip, especially to be here with you, with membership in California, especially.

01:06:00:29 - 01:06:04:09

Unknown

National officers. But,

01:06:04:12 - 01:06:11:02

Speaker 1

kind of a perspective on our national, turn away. We also have transportation problems. She got lost her five.

01:06:11:06 - 01:06:18:16

Unknown

Over the other.

01:06:18:19 - 01:06:23:19

Unknown

Brother. He's in. I also.

01:06:23:19 - 01:06:24:17

Speaker 1

Projected the airport.

01:06:24:17 - 01:06:46:23

Speaker 2

Yesterday, and the flight was canceled. And that's it.

01:06:46:25 - 01:07:02:10

Speaker 4

I set up, I'll be able to tell more and tell you more, and, Then. Okay, so you're going to come in through the back door over here on this side. You're going to walk down. You're going to come to the center. Center stage, stage. You'll be down over here. You will focus in on what you're doing. Excuse me.

01:07:02:11 - 01:07:22:08

Speaker 4

You're ready to walk. You will take your walk and you'll go straight down. You'll go forward. Pass through the judges. Go to your left. And on the left side will be the stairway. Once they step that up, I'll show you. You'll lift up on the stage, take your place, and then we will start with the ceremony. Beginning point.

01:07:22:10 - 01:07:45:05

Speaker 4

Okay? Yeah, we'll see you then. If they get that up, I'll put her up there and we'll be able to see what we're supposed to do. I need so before this, this begins, you are going to start. You're going to start us off by introducing. Yeah, it's going to start there. Yeah I will, I will I'll be over there telling them when to come.

01:07:45:12 - 01:08:08:10

Speaker 4

But I'm just saying when you hear her speaking, she's she's our woman chair chairman for the state. And she will start off the stage because she's worked very, very hard here in Fremont. We want her to be a part of it. Okay. And, then the girls will be up there already, so they won't. well, she won't, but, Monica and Jennifer will be the actresses of ceremony, and they will be up there.

01:08:08:10 - 01:08:29:19

Speaker 4

They'll be. Look around. School, is going to be the first one to come in and. Yes, yes, Felicia will be the first to enter. And then in alphabetical order, which when you first. Second, that's the. We will practice and then you'll go through. We went out and she's first. You know we're doing what you have to say.

01:08:29:19 - 01:08:59:29

Speaker 4

Oh by the state by their account. Chapter by chapter California is okay. That's fine. Okay. They they vote. I let them vote on it if they wanted to pull numbers or if they wanted to go in alphabetical order, and they all wanted to go in alphabetical order. So we agreed on that. Okay. Now, this is we'll practice that way to, let's see, as far as the dresses and things like that go, we'll work with it as we go along.

01:08:59:29 - 01:09:26:07

Speaker 4

Don't worry. It won't be. It won't be as awful as it sounds. Except that I pointed out a few things to each one of you so that you'd be prepared to know what to look for. Okay? What to be, you know, prepared for it. And. But we'll work with here. We'll be happy to help you. let's see off the stage you will come around and the, speeches will be given from here.

01:09:26:10 - 01:09:41:20

Speaker 4

There's no way that you can come in here. So that way, I think you get another piece of tape. There's not only one. Oh. Oh, there we have. There's no tape. That is. So where do we do our work then? Okay, well, I guess we're going to get it out of the foreign. Okay. your speeches will be done from here.

01:09:41:20 - 01:10:07:19

Speaker 4

That'll be when you're finished. We'll go to practice. Step back. Turn your back up. You take your seat. Okay. Same thing with the impromptu question. You're going to stand up. You're going to step down and then come over. You're going to stand. You're going to draw your question out of a dish, Jennifer. And take out, okay. One of the like out of the I, you know, I forgive you.

01:10:07:19 - 01:10:22:06

Speaker 4

I can I can involve Alicia. Oh, I can the things stand right here. She can turn, I can walk if it's against her stance, I can walk up to Mexico. If you can get a good luck over. Okay. Yeah. If so, I mean, I.

01:10:22:08 - 01:10:28:23

Unknown

Have to go. Okay. How? You walk it once.

01:10:28:28 - 01:10:38:23

Speaker 4

Remember? Your knees went down towards the way. Oh, I walk, you're all without me. Okay.

01:10:38:26 - 01:10:42:08

Speaker 2

You'll be joining them.

01:10:42:11 - 01:10:54:27

Speaker 4

Up here. Yeah. And, you know what, Felicia? I'm not going to have you dead center. It's too awkward I got. Okay, you'll get your Felicia up, move you up a little bit more. Why don't. You're right there.

01:10:54:28 - 01:11:00:25

Unknown

Oh, no. No.

01:11:00:27 - 01:11:01:18

Speaker 4

Hear me say.

01:11:01:19 - 01:11:09:07

Unknown

That. You can't. We can't of that and elevate it, then anything? Sorry, I don't remember.

01:11:09:07 - 01:11:27:07

Speaker 4

You might have to. I climbed the wall in the elevator that, like, raised her up. Now that's okay, I think your chair closer visual to the I. Yeah. And having the board that often one side look forward. So I'd rather have her look awkwardly initially existing.

01:11:27:07 - 01:11:33:22

Unknown

Because I and and have all I think I love.

01:11:33:25 - 01:11:53:01

Speaker 4

Yeah. Come through here. He only has two sets of stairs. This is the only one that's available. So we need to come to a happy medium and decide where we want the stairs in the right over there. I mean, I can get up. I can get up and down without. They're not. That's not a problem. But what about like that's going to be helpful.

01:11:53:01 - 01:12:15:06

Speaker 4

I can you can Monica can the only one we have to help and you and Monica can help us make that because Anita will be up there and then immediately when she finishes, she will step down and you ladies will help her. I think should be fine. That's fine. Yeah. We want I want to be prepared. Now, I, I think if everyone in our time comes up, that is fine.
