Regulations*.

A full refund may be made to a student
who is unable to continue a course
because of a university regulation,
compulsory military service, death, or
disability at any time prior to the date
the student receives any academic credit
for any course or courses for which he or
she is registered.

Policy on Refund of Fees. California
State University, Fresno (the university)
administers refunds in accordance with
the California Administrative Code and
directives of the California State University
(CSU) system. Whether a fee is
refundable, in whole or in part, varies
according to the particular fee involved.

Registration Fees and Tuition Fees for Nonresident and Foreign Students.

Registration and tuition fees are refunded
under the revised policy adopted by the
Board of Trustees at its November 14,
2001 meeting. The refund policy is
detailed in Coded Memorandum AA-
2002-13 dated February 13, 2002.

In summarized text, beginning with the
fall semester 2002, students are entitled
to a pro-rata refund determined on the
basis of the date of the student's with-
drawal and the length of the academic
period. Students will be entitled to a full
refund of mandatory fees and/or nonresi-
dent tuition only if they cancel their
registration or drop all courses prior to
the first day of instruction for an
academic term. Students who drop all
courses prior to the end of the designated
drop period or who officially withdraw
no later than the 60 percent point in the
academic period shall be entitled to a
pro-rata refund of nonresident tuition
and/or mandatory fees.

Any refund due a student is to be applied
first toward any required return of
student financial aid funds from federal,
state, institutional, or external sources
and then the balance may be returned to

* Legal residents of California are not charged
tuition. This catalog copy reflects applicable
systemwide fees and nonresident tuition for
both the quarter and the semester. (Fees are
subject to change without notice.)

** A nonresident student is any person who has
not been a bona fide resident of the state of
California for more than one year immedi-
ately preceding enrollment. The exact deter-
mination date may be ascertained by contact-
ing the Admissions/Records Office.

*** The law governing the CSU provides that a
student body fee may be established by stu-
dent referendum with the approval of two-
thirds of those students voting. The Student
Body Fee was established at California State
University, Fresno by student referendum on
May 12, 1959. The same fee can be abolished
by a similar two-thirds approval of students
voting on a referendum called for by a peti-
tion signed by 10 percent of the regularly
enrolled students. (*California Education Code*,
Section 89300). The level of the fee is set by
the chancellor. An increase in the student
body fee may be approved by the chancellor
only following a referendum on the fee in-
crease approved by a majority of students
voting. Student body fees support a variety of
cultural and recreational programs, child care
centers, and special student support programs.

****Mandatory systemwide fees are waived for
those individuals who qualify under the provi-
sions of the California Education code (see
section on fee waivers, pages 65-66).
