Re: Key Women Award Party to honor
your volunteers.

Dear Democratic Nominee:

Congratulations on a fine campaign! Some of you won, some lost. However, the Democratic candidates kept to the high road. It was the Republicans who took the low approach of "Anarchy or Murphy" and lost. Though we all regret that Reagan won, his win was not a big one. Also, the voters voiced their opposition to his policies by giving us a Democratic legislature.

Now that the election is over, I am writing to you again to remind you of the Key Women award party that the Women's Division will have early next month. Just as soon as you can, please send us the names and addresses of the women who helped you in your election. We will be sending out invitations to the award party soon. The women really appreciate having you, the nominees, recommend them for this small award.

We look forward to hearing from you soon.

Sincerely,
