Dear Supervisor Schillo:

On behalf of the Ventura County Commission for Women, I wish to extend our thanks for the time, attention and consideration you and the other supervisors extended to the Commission's request today.

I was asked by the Commission to calculate the value of their total volunteer hours and mileage according to county standards. These women's wages are between \$15 and \$40 per hour. The totals are:

1,565 hours @ an average of \$25 per volunteer hour	\$39,125
4,130 miles @ \$.34 per mile	\$ 1,404

Please see the attached revised budget for all other expenditures to be considered. Please take into consideration the value of the work that each Commissioner brings to the group as you deliberate the budget request of \$33,975.

The Commission is looking forward to our CalWORKS Award Ceremony on June 12, 2001, at the Board of Supervisor's meeting.

If you need further information, do not hesitate to call me at 497-0018. Thank you for your attention to these matters.

Sincerely,

Beverly Viola
Chair
