INTRODUCING!
COWBOY REGGIE PARKS
from
Calgary, Canada

The most popular wrestler on the Pacific Coast and the most popular in San Jose, Cowboy Reggie Parks also has great followings every place he performs.

Reggie tips the scales at 228 pounds and is 6'2 inches in height. Never been married. He is 25 years old and drives a brand new Cadillac.

Reggie's favorite hold is called Bulldog which is something like bulldogging.

P.S. For wrestling fans that have been writing and asking for a picture of Cowboy Reggie Parks to appear in *EL EXCENTRICO*, yours truly will do his best to have another picture in the next issue.

COWBOY applies a Cobra Twist to Clyde Steeves to win another match in a long line of wins.

One of the most popular wrestlers around, COWBOY REGGIE PARKS signs autographs before a recent match at San Jose Civic Auditorium. He won.

BACHELORS & ELITE MASQUERADE DANCE

The dance drew quite a large crowd at the IES last Saturday, October 27th.

Joe Molina, boss of the decorations and Delia Perez, his shadow, did a fine job in decoration for the Halloween Dance. I forgot to mention the ones who aided Joe with the decorations. Joe's big brother Charlie Molina did an outstanding job putting up pumpkins. Little Gaspar (Ortega) Espinoza, Bob Gonzalez, Joe Rodriguez, Rudy and Tony Arriola, and those two crazy pachanga dancers Rudy Belluomini and Rachel Andres helped out too.

CUAUHTEMOC SEMI-FORMAL BALL, NOV. 11TH

Members of the Bachelors Club are preparing for the biggest event of the year, the Cuauhtemoc Ball. In the Terrace Room of the Hawaiian Gardens, the music will be by RUDY MACIAS, one of Los Angeles' most elegant, sensational, moving bands, ever to hit San Jose and another city 11 miles out on Brokaw Road combined. I guess you know where the Bachelors are getting their formal wear. At SELIX, home of the best suits in the bay area. You just can't beat them for quality.

Richard (El Azote del Lente) Diaz bought the first bid for the Cuauhtemoc Semi-Formal Ball.

MEXICAN-AMERICAN BOWLING LEAGUE

1. San Felipe	14	10
2. Cuauhtemoc	14	10
3. Club Elite	13	11
4. Los Bachelors	11	13
5. Del Mar	11	13
6. Siesta	9	15

Club San Felipe holds high series team, 2,554 and High game 932.

Irene Brooks holds high individual series for wo-

men, naturally, 437 and high game of 167.

Rafael Rodriguez holds high individual series for men 581 and high game of 222.

Dianne Barrera is the most enthusiastic bowler that BOWLS.

"El" Rocky Lopez took my advice and cooked two dozen tacos de chile verde for his bowlers cause they easily and boringly won three games from Club Elite.

The BACHELORS as easily as ever smashed San Felipe with four straight games enjoying the beer much less easily since Felipe could be compared to walking home from the dance.

Cuauhtemoc aced out Del Mar 3-1.

Hank Paramo, "The Kid", sold his 61 Buick with bucket seats and bought a plane that he flies now and then and now drives an Olds. He is having a phonograph installed with a two way radio in his car because he can converse to it. Class is his motto and his motto is Class.

George Plata is on the loose again, girls, but don't get your hopes up as he doesn't intend to go steady unless you're worthy of it and I'm sure most of you aren't.

Ray Jimenez told me he's not making it to the pachangas any more because last week he was aroused by Sneaky Pete wine and when he got deloused, he found one of his socks stolen. He thinks it was Augie, you know, the one that pals around with Mary, the same one that curls her eyelashes with her little brother's toothbrush.

Rosie entertained so many male visitors in the parlor and things were so quiet while they were in attendance that Rosie's papa finally grew suspicious. One night he told his wife, "I've a wonderful invention that will help us check up on Rosie. It's a television periscope. Just turn it on when Rosie is in the parlor with her fella tonight. If he holds her hand, there'll be a green light. If he kisses her, there'll be a purple light."

The contraption was set in place, the male visitor arrived, and papa settled back for a nap. His wife awakened him by shaking him violently.

"Come quick, papa!" she cried, "and see the pretty rainbow!"

I know a man who has been married for thirty years and he spends every evening at home. That's what I call love. The doctor calls it paralysis!

A Countess sued a man for defamation of character because he had called her a pig. The man was fined, and afterwards he asked the judge, "You mean I can never call the countess a pig again?"

"That's right", was the reply.

"Well," said the defendant, "Is it all right if I call a pig, countess?"

"That you can do," replied the Judge.

The defendant then turned toward the witness box, looked her right in the eye and said, "Good afternoon, Countess!"

A man in an insane asylum sat fishing over a flower bed. A visitor approached, and wishing to be friendly, asked:

"How many have you caught today?"

"You're the 9th!" was the reply.

Battle of the Bulges

Mary Ann Rodriguez

I have joined the battle of the bulges with a starting weight of 280 and my goal is 150. You say I can't make it? Well I'm betting I will. I have joined a newly formed TOPS Club in San Jose. What? You haven't heard of TOPS? Well let me tell you about it. TOPS is short for Take Off Pounds Sensibly.

It's a national organization and non-profit too. Can you imagine! Clubs are being formed all over the U.S. and have been for the past 12 years. What is the purpose of TOPS? The purpose of TOPS is primarily to help all the overweight who are sincerely interested in losing pounds sensibly. It is based on the principle of GROUP THERAPY, getting together a group of people who have a common problem and discussing it frankly without fear of being laughed at or misunderstood. (Same as Alcoholics Anonymous)

The members of the chapter compete with each other in a friendly fashion while attaining their ideal weight, and in maintaining that weight. The success and enthusiasm of the group provides encouragement and incentive to those individuals who lack the will power to accomplish their goal alone. In helping others, TOPS members help themselves. TOPS provides a social outlet to help overcome the underlying cause of obesity, such as frustration, lack of confidence or loneliness.

You want to know more about GROUP THERAPY? Ok, here goes. Well, you have a problem of overweight? Come to a TOPS meeting and discuss it with us and let us help you control that impulsive and emotional eation.

That's not your problem? You just like to eat? Well come on down anyway and learn along with us the proper way to diet. The sensible way.

NO PILLS (unless prescribed by your doctor)

NO COMMERCIAL PRODUCTS or FADS

allowed here, they are TABOO and unsensible

So now you want to know what goes on at a TOPS meeting? O.K. It's not secret.

Meetings start promptly at 1 P.M. in the afternoon. First thing, up on the scales we go, this is recorded each and every week. There is a small business meeting to keep things straight, then a roll call and awards are given. Weekly awards are honorable. Weight losers are TOPS and wear a TOPS badge. Stay the same (no loss for that week) are turtle and they wear a turtle badge. And what happens to the gainers? Well our little piggies are fined 10¢ for each pound gained and they wear a pig badge. The biggest gainer gets to wear a cute pig crown. The best loser of the month is crowned Queen of the month and is awarded a prize.

Yearly Queen competes for state and national title.

Want to know more? Call or write Mrs. Clementine Smith, 1634 Havanna Drive, San Jose 27, Calif. CLayburn 1-2043. She's my club leader.

BERT Garcia, Jr.

On Thursday, Nov. 2nd, Bert Garcia, Jr. terminated his 2 weeks leave of absence from the United States Navy Air Corps and returned for re-assignment at the Alameda Navy Base where his duties will be aboard an Air craft carrier. Bert enjoyed a 2 week vacation after terminating his preliminary training (Boot Camp) in San Diego, Calif. 11 weeks. Stayed with his father Humberto Garcia, Sr. EXCENTRICO Publisher.

We must add that most everything is the same with the young photographer, except his taste buds, they seem to have changed, (after Navy Chow) we detected a slight sneer at his fathers' s Cuisine of re-fried beans and potatoes and potatoes and re-fried beans. TV's NEW SEASON BRINGS GOODIES!

What a relief to see many of last year's westerns gone from TV. The new season has brought in some worthwhile entertainment that should help you reduce as you'll be looking instead of munching on fritos and apples. Here are some good shows:

MONDAY:

BEN CASEY (Channel 4 10 P.M.)

Keeps me home on Mondays. Besides being good drama I have found out that I should have been a brain surgeon. Ben is good looking, an individualist, and just as soon let you die while he argues with the hospital board on what type of surgery should be done while you lie there staring at the ceiling. He doesn't really have much time for girls but boy is he good with the knife and he only makes \$60 a month, hardly enough to take the nurses out. I like "Dr. Ben Casey" fine but I do resent the fact that my wife gets so put out that she tells me at 11:00 PM, "Let's go to bed, Ben!"

TUESDAY:

CALVIN and the COLONEL (Ch. 7 8:30)

For those of you who don't care whether the world blows up or not. Best of the evening is Alcoa Premiere (Channel 7 10:00 PM).

WEDNESDAY:

For you die hards "WAGON TRAIN" (Channel 4 7:30) remains the best of western entertainment if you don't really care if they ever get there.

BOB NEWHART (Channel 4 10:00 PM)

is really refreshing comedy.

If you're up and coming and sophisticated..

..... **DAVID BRINKLEY** (Channel 4 10:30 PM) with his sardonic monotone should set well.

THURSDAY:

It's time you changed to "SING ALONG WITH MITCH" (Channel 4 10:00 PM) as I'm convinced nobody is going to get Eliot Ness and his UNTOUCHABLES.

FRIDAY:

Take the wife out for a good steak dinner at the "BRANDING IRON" at Valley Fair. Not only will you lose your reputation as a tightwad but it'll give the Mrs. an idea of what the outside world looks like at night. Tell her you are going to take her out to dinner gradually as she might go into shock if you spring it on her. It's worth the ten bucks just to see the admiring and seductive look the Mrs. will give you by candlelight.

SATURDAY and SUNDAY:

See the football games (rake the leaves while the commercials are on) and take the kids for a ride around the block. Saturday evening call friends to come over for poker and have them bring the beer. Sunday night should be reserved for complete relaxation from your busy schedule.

ROCK HUDSON

"for a little love in your life"

LADIES: The quickest way to give your hubby an inferiority complex is to cut out Rock's picture, frame it and set it by your nightstand. Stare at Rock dreamily while you undress and your big slob of a husband will hit the shower and come out smelling lavender by the ton in record time. As he crawls in bed, give him a dreamy look and a nice wisp of a smile and say, "Darling, you forgot to put out the garbage!"

Let me know what room you're in and I'll send roses and a get well card!!

CLUB San Felipe

Candy Veliz

WEBSTER, WHERE ARE YOU????

Out of oblivion, but not with the tenacity that is expected of a re-debutante comes Club San Felipe springing back to the ranks of party-going and social mingling. Happy days are here again!

This being a re-introductory column, of a very infinitesimal nature if I may say, may I, in behalf of the club members make mention that we are happy to be back again. All the members bought themselves a new set of springs with all that overtime money from the cannery, so we should all be coming back with a big bounce. So now that the cannery has folded its flaps, and all our bills are caught up with, back to clothes on credit and that good ole UNEMPLOYMENT COMPENSATION!

Man, I thought the day would never come!!!!

But as Confucius say: "The road to success is no freeway." The thing is, I didn't figure on all those detours. Good bye, night shift, I'll see you later, much, much later!

One of the most wonderful aspects of any club is the ability to know what they're doing, why, how, and when. And one of the most depressing things is not to be able to answer it. Such is our case. As previously mentioned, we have been out of the realm for a while, so our plans are tentative for the future.

However, we will try to have a detailed report for you in our next article. One item on the agenda is a big party. I should buy a big bottle of Alka-Seltzer, this is always a good conversation piece.

Congratulations to Club Elite and Bachelors on their successful Halloween Dance. Funny thing, though, I couldn't recognize half the people on the dance floor.

Nicho Peña says, quote: "Joe Carvajal should have been named 'Little Jesus'", everybody likes him, but of course there's two sides to every story.

And if receding hairlines is a sign of wisdom, Confi and Tottle (Confucius and Aristotle) would have nothing on Art Cuellar and Eddie Valdez.

Now that Joe Ramirez is a married man we can do without his octopus act. Only thing is Art Ramirez, his brother, is now called 'the lonely man'.

To Joe Camarillo, Cesar Isaacs, Tony Guillen, Trudy Jimenez and Irene Brooks, our bowling team, keep up the good work. They have been leading the league for the past two weeks. We'll see if Spares and Strikes will make note of this. Jess Medina has been supplying the extra punch for the team.

Where the elites meet and good dancers congregate, where else but Mr. Frank Davilla's presentations at the Rainbow Ballroom every Saturday and Sunday. See you there.

Jessie Hernandez has been nicknamed "Jackie". By the way she looked like a doll a couple of Saturdays ago at the Rainbow.

A big surprise is that Luis "Butch" Martinez worked like a big trouper when we put the Excentrico together, unlike Richard Martinez and Greg Gloria who made Houdini look sick with their disappearing act.

A must in your social calendar is the Cuauhtemoc Semi-Formal on November 11th at the Hawaiian Gardens.

On the lighter side of the story, a beatnik said: "Man, where is that sand box, this cat's got to go!"

Raul Paredes

Hi Comrades!

This is Raul Paredes reporting from Clifford Rodriguez Post 809, American Legion, located at 1890 Senter Road.

Some of you comrades probably are not aware of our doings at the property during the past few weeks, so here is a little something about it. We have been working every Saturday for quite a while, and during the past week we worked a few hours at night so that we could have the place roofed, making it possible to continue our Saturday night dances.

On Sunday, October 22nd, we had quite a turnout for our working details, as you can see by the picture. After a hard day's work, we enjoyed a terrific chicken barbecue, with Adjutant Margarito Soria acting as the chef. It really went good with a few beers.

We have a membership drive in progress, and we have quite a few new members including me. We would like to extend our invitation to you fellow vets to drop around at our Saturday night dances so we can get acquainted.

Congratulations to Mrs. and Mrs. Margarito Soria on their 15th wedding anniversary which was celebrated on the 20th of October.

In the picture (L to R) Willie Quintana, Ray Garcia, Commander, Martin Rodriguez, Raul Paredes, Dave Galvez, Tom Ruelas and Marcos Rojas. In the background, our construction superintendent, Dennis Quintana.

CONCERNING C. S. O.

A subject on which frequently little information is given is adoptions. It has been only in recent years that the need has been established and that married couples have taken steps to meet these family needs. The entire question of adoptions has been obscure, and the rules have always been thought to be rigid and inflexible. This is not the case, and many, many people have not taken steps to fulfill their lives simply because they believe the procedure to be overly complicated. This is not necessarily true.

Rules can be waived, and incomes do not have to meet anything but very minimal standards. Because this is such an important subject and because an adoption can mean so much happiness to a married couple and can provide a happy home for a child, I have decided to give some information on this subject so others might know how simple it is.

Let's take, for example, the subject of income. Do you know that in 1960 the Santa Clara County adoption unit placed children in homes in which the annual income was from \$2000 to figures which went over \$10,000? And what about the cost of adoption? This seems to be a reason why many couples are discouraged. The adoption unit has placed children for absolutely no cost whatsoever. This does not mean that this is always done. The full fee is \$400.00 but some have paid nothing and others have paid from less than \$200 to the full fee.

There are very few rules or regulations which govern this matter of adoption, but this does not mean that a good job is not done in placing the right child with right prospective parents. Some of the reasons for denial of placement is that the couple has not been married for more than three years or that there are more than two children in the home. For many years, the Adoption Agency had a need for adoptive homes for children of Mexican ancestry. Last year, there were twelve children of Mexican ancestry placed in adoptive homes and most of these children were less than one year old. It is a known fact that many of these children have gone without a home simply because there are no homes available for them.

The ages of the parents adopting these children varied from 59 to 20 years of age, most of them in the 30-39 age bracket.

Adoption does not take a long time. Certainly there is a routine and certain steps have to be taken to safeguard all concerned, but the Agency is in the business of placing children and they make efforts to see that all is done correctly and that when a child is

placed, it will be hopefully for a lifetime. Sometimes it will take nine months to do this, and sometimes it will take less. Adoption can take place in a period of a few short months. If there is any interest in these children who need homes, or if you are just interested in asking questions, you can call:

LABOR SECRETARY GOLDBERG
ADDRESSES
GI FORUMS IN TEXAS

Addressing a gathering sponsored by the American GI Forum in Corpus Christi, Texas, Secretary of Labor Arthur Goldberg told his audience that the best insurance an individual can have against unemployment is the best education possible.

"If a person does not have a high school education, and in many cases, a college diploma, his chances of finding employment are cut down sharply," he said. "I want to tell the young people that it is the height of folly to drop out of school. And to the parents of young people, I want to say that no sacrifice is too great to give every child the best education possible."

The secretary also stated that he feels very highly toward the objectives of the GI Forum.

Introducing FORUM MEMBER Jim Rodriguez

"Give a little and take a little," is what Jim Rodriguez is saying as he contributes a pint of blood for a fellow Forum member. Jim is originally from San Antonio, Texas, and after serving four years in the USAF has made San Jose his home. He attended San Jose State College and now is a SJ bail bondsman. Jim is well known in legal and law enforcement circles throughout the state as the "Poor man's bail bondsman". He is also known to be the only agent in northern California to handle immigration financial issues.

SHOTGUN JAMMED??????????

From here it looks like the San Francisco 49ers have done an El Foldo right in the midst of one of the most exciting NFL seasons in recent years.

After winning impressively over Detroit and the Los Angeles Rams, the Niners played a lousy exhibition at Minneapolis and escaped with a 38-24 victory over the Vikings only because the Vikes ain't worth a damn. (This column calls a spade a spade) Against the big, bad Bears it was a different tale as the Midway Monsters know what to do when an opponent fumbles a football. Why sir, they just take that little ole pigskin and march it right back down the foe's throat! And if that isn't enough, they take big bad football players like Monte Clark, Dan Colchico, Matt Hazeltine, Charlie Krueger, Frank Morze, Leo

Nomellini, Bob St. Clair, Monte Stickles, and Mike Magac and wrap them around the necks of backs like J. D. Smith, C. R. Roberts, R. C. Owens, J. R. Brodie, and Robert Waters.

After the Bears, it doesn't leave too much to look forward to, especially with Big Daddy Lipscomb anxiously awaiting you in Pittsburgh. GRRRRRRRRRR!!!!

DETROIT LIONS NEXT FOR 49ers!

The fired-up Detroit Lions invade Kezar Stadium this Sunday, anxious for their second look at Red Hickey's shotgun formation. Don't be surprised if the Lions look right down both barrels and spit right in the 49ers' eyes. The San Franciscans should luck out!

Cuahutemoc Semi Formal Ball

Sat. Nov. 11th Hawaiian Gardens

The BIGGEST social event of the San Jose social whirl takes place next Saturday evening at the Terrace Room of the magnificently appointed Hawaiian Gardens. On this never-to-be-forgotten night, Club Social Cuahutemoc will present "MOMENTOS DE ORO", their 8th annual Semi-Formal Ball. This is the affair that is imitated but never equalled.

The Cuahutemoc dance doesn't need a beauty contest nor special personalities to add to the glamour. It is easily THE dance of the year in northern California.

If you can, make it. I had a ball last year but spent too much time at the bar when I should have been out on the dance floor kicking up a little dust. I may not be allowed to go this year. Damn it!

MERRY XMAS and a HAPPY NEW YEAR!

And how is this for jumping the gun??????

Conductor Sandor Salgo begins his 10th season as director of the San Jose Symphony Orchestra with a program of Beethoven's music on the evening of November 11, 1961.

The San Jose State College A Cappella Choir, under the direction of William Erlendson, will also participate that evening.

This program, free to the public, will feature Beethoven's Symphony No. 9 in D minor for soloists, chorus and orchestra.
