

REGULATIONS AND PROCEDURES

ADMISSIONS

Admissions standards at Fresno State College are stated in the *California Administrative Code, Title 5, Education*, Subchapter 2, which provides uniform admissions regulations for all California State Colleges.

The code provides as follows:

40600. Limitation of Enrollment. Admission to a state college shall be limited to the number of students for whom facilities and competent instructors are available to provide opportunity for an adequate college education. The Board of Trustees shall determine the number of students for whom there are available facilities and competent instructors at the college.

40700. Matriculation. Any student enrolling in any semester or quarter, other than summer session or extension or as an auditor without credit, shall meet the standards for admission contained in this subchapter.

FRESHMAN ADMISSION

The code provides as follows:

40800. High School Graduates. For admission to a state college, a high school graduate, or other applicant who is judged by the appropriate college authorities to possess equivalent preparation, must, as a minimum, meet one of the following:

(a) Have completed the equivalent of 70 semester periods (7 Carnegie units) of course work, in subjects other than physical education and military science, with grades of A or B on a five-point scale, during the last three years in high school.

(b) Have completed the equivalent of 50 semester periods (5 Carnegie units) of course work, in subjects other than physical education and military science, with grades of A or B on a five-point scale, during the last three years in high school, and attained the twentieth percentile on the national norm of a standard college aptitude test.

An applicant who fails to meet these standards may be admitted, if in the judgment of the appropriate college authorities, he gives promise of being able to succeed in college.

Technical Agriculture Program. High school graduates who do not meet the above admission requirements may be admitted to the technical agriculture program in accordance with Code Section 40802. See *Agriculture Division*.

CHANGES IN FRESHMAN ADMISSION

Effective September 1, 1963

Beginning in the fall of 1963, to be eligible for freshman admission to a state college an applicant shall meet the following:

Either, graduation from high school with a minimum of 14 semester units (7 Carnegie units) with recommending grades of A or B in courses other than physical education and military science, including at least 6 semester units in college preparatory subjects, as defined by the Trustees of the California State Colleges.

Or, graduation from high school with a minimum of 10 semester units (5 Carnegie units) with recommending grades of A or B and a score on a standard college scholastic aptitude test at or above the thirtieth percentile.

TRANSFER ADMISSION

The code provides as follows:

40409. Junior College Credit. A maximum of 70 semester units earned in a junior college may be applied toward the degree, with the following limitations:

(a) No upper division credit may be allowed for courses taken in a junior college.

(b) No credit may be allowed for professional courses in education taken in a junior college, other than an introduction to education courses.

40901. Applicants Who Were Eligible for Admission With Freshman Standing. An applicant is eligible for admission to a state college with advanced undergraduate standing if he meets all of the following standards:

(a) At the time of his graduation from high school, he was eligible for admission with freshman standing in accordance with subsection (a) or (b) of Section 40800.
