ANNOUNCEMENTS

WE NEED MORE WOMEN IN SACRAMENTO:

Oxnard City Councilwoman and former Mayor Jane Tolmach is the Democratic party candidate in Ventura County for the 36th A.D. seat vacated by Ken Mac Donald. She has a tough fight against Charles Imbrecht, a young Republican attorney who spent his last three years in the Nixon Administration. Jane needs to wage a strong campaign and needs help -- money and volunteers. Alert your friends in the area (both Santa Barbara and Los Angeles are only an hour away) that they should get out and work for Jane. San Francisco/Bay Area contact: Tomi Curtis 397-7256. At 9/16 meeting, BAWC will discuss how we can help Jane -- endorsement/donation/other. Though she's not from our area, she's a fine candidate and we should do what we can for her.
