\* \* \*

• **AGRICULTURE**—"We need a more vigorous, effective program from our State Government to cope with the depressed condition of California agriculture."

\* \* \*

• **SCHOOLS**—"The school building situation and the lack of teachers can be catastrophic if we don't do something about it without delay."

\* \* \*

• **CIVIL RIGHTS**—"It is clearly the duty of government to invoke the power of the law to guarantee to every citizen and to enforce equal protection of the law, fair employments practices, and the elimination of discrimination in all of its public forms."

\* \* \*

• **CIVIL LIBERTIES**—"We must restore the meaning, the vitality and security of our American civil liberties, which are under attack."
