The CMA waterpolo team lost a 21-9 decision last night to a strong College of the Pacific team at Stockton. Coach Jack Alderson noted that the host team was very good and had at least one potential ALL-American on their roster. George Coppo, Bill Hegeman, and "Bud" Brown each made two points against C. O. P. Last Tuesday night's waterpolo game scheduled with the University of California at Davis was not played due to a misunderstanding on the part of both coaches. This is not a forfeit game and it will be rescheduled if possible.

In play with an exceptionally well practiced "five" from the U. S. S. Baltimore, CMA's basketball team was defeated by a score of 75 - 46. High point man for CMA was Jack Hutchison with 12 points.

DON'T BE LATE

After two hours of spirited eating "Thirsty" Tom Holland emerged the victor over "Hungry" Harry McCullough with a score of 15 to 12- Tacos. While the host for this contest, Al Lozano, recorded the event on film, "Hungry" Harry awarded "Thirsty" Tom his trophy. A challenger has already appeared on the scene: "Eat Anything Ed" Siegrist has challenged the Taco Champion to a contest Wednesday, November 2, and has gone into training for this bout. Under the new rules the proprietors of Taco the Town, 654 Benicia Road, will pay for the winner's Tacos and the loser will only have to pay for his own. These contests will be held on the first Wednesday of every month that a challenger makes himself known. Unofficial elimination for monthly challengers may take place at any time by contacting the announced challenger, in this case "Eat Anything Ed" Siegrist.

The Superintendent, as well as Mr. Sweeney and Mr. Gallagher of the Board of Governors, will attend the 1955 American Merchant Marine Conference in New Orleans October 9-12. While there they will participate in the 29th annual Propeller Club of the United States convention.
