Mr. Harrison H. Dodge,
Mount Vernon, Virginia

Dear Mr. Dodge:

Mr. Hearst referred your letter in regard to one of a pair of blue vases his mother purchased, one for Mount Vernon, one for her own collection, to me. I have no way of recognizing this vase, but if you will send me a kodak of the one you have at Mount Vernon, I will attempt to locate its mate, if still in Mr. Hearst's possession.

Yours very truly,

JM-M
