Estimado lector:

Contesto a suapreciable del 11 de Julio pasado, en la que me felicita por el rumbo que ha tomado la Comisión Honorífica Mexicana Inc. desde que fué electo Presidente de la misma.

Como usted se habrá enterado he tratado en varias ocasiones de que se rinda un informe a la Colonia Mexicana de la actuación y manejo de propiedades y fondos de parte de los anteriores dirigentes de esta organización, sin haberlo logrado hasta la fecha, solo queda el recurso de que la propia Colonia Mexicana, levante la voz y exija lo que le pertenece.

Es mi principal preocupacion y la de la organización que presido hacer todo lo que sea posible en beneficio de la juventud, abriendo caminos hacia un porvenir de responsabilidad mas digno y respetuoso, apoyado en el estudio y la educación.

Otro de los problemas a resolver es el elevar el nivel cívico, cultural y social del grupo étnico al que pertenecemos, asistidos por las leyes de los derechos humanos que protejen a todos los hombres libres de la tierra.

No nos hacemos ilusiones de poder hacer una reforma social, lo único que pretendemos es justicia e igualdad en la forma establecida por las leyes.

Tenga usted la seguridad de que en todos aquellos actos en los cuales se busque un mejoramiento para los hijos o descendientes de la noble tierra Azteca, estaremos firmes al pasar lista de presentes.

Agradeciendo sus letras, me despido de usted,

Atentamente,
Daniel G. Saldaña.

Well it's getting close to Fall with school opening just around the corner and vacations coming to an end for most of us. There will be a lot of happy mothers, too. I know in my house there will be. Don't get me wrong, we love our children, but it's so good to have peace of mind even if it is only for a few months of the year.

At this time I would like to introduce a couple of members of our club, Mr. & Mrs. Ron Henry. I guess most of you have seen Chris in our column as she also helps do the writing for the Excentrico. Ron is the Sergeant-at-arms for our club. They come from Oregon and talk about your swinging dancers! Maybe it's that damp climate up there. Ron & Chris also bowl with me and my spouse on Friday nights and do they throw some wicked balls!

In the past month, our club members have been plagued with a series of automobile incidents, led off by Frank Kawakami when he tried to move a bridge with his little red-pickup but that bridge was a little too strong and the truck lost. Don't do it again Frank. No kidding we are glad to see you up and around and we need that good "bat" at the games. The second member became involved with a tree and Joe Padilla had just bought a car for his daughter Paula and parked it in

front of his house when one of his neighbors returning from a Saturday night outing came down the wrong side of the street and "head-on" it. That's luck for you! Paula, I wonder if the back yard would be any safer? Juanita Padilla was unable to make it for bowling last Friday because she had picked up some roofing-nails in one of her tires that had been scattered across the drive at work by some "dirty" guys. We hope that will be last "hard-luck" happening in our club for a while.

At this time I would like to welcome Joe & Juanita's son Jerry, who is here visiting for the summer from San Diego. Glad to see you Jerry. We hope you have a lot of fun while you are here. I hear Joe P. went hunting for deer up north. Hope you get one Joe. Paul Ramirez and Bob Gutierrez went frogging. Don't get wet boys. Delores Payer and Babe Espinoza are working at Fairchild's. I understand they make some gadget that goes in the capsule of the space craft. Well I guess we won't be on the moon very soon after all. Just kidding girls! You're doing fine!

Happy birthday to Joe Padilla and his daughter Corie Ann on August 17th.

CLUB FUNCTIONS

Our club is planning our annual picnic. We hope it will be a success, and it usually is when the gang gets together. We are looking forward to it.

SPORTS

Well the team looks real good in the second half. So far we are undefeated, of course we had some close ones. Behind the good pitching of Armando Alvarez and good team effort we hope to come through the second half in good shape. We also give Paul Ramirez credit for a good job managing the team.

PARTY TIME -

Jeanie and Frank K. are having a "house-warming" party tonight so I guess I'll drop by and pick up some gossip for my next issue. I'll see you all then.

LA COMUNIDAD DE SAN JOSE

por
Angie Coronado

A challenge, which will affect the entire Mexican-American Community of Santa Clara County, has been presented to our community. It has come in the form of the Opportunities Industrialization Center (OIC), which is now struggling to become an active force in our community. Will we, the people of this area, respond to this challenge or will we let it slip by?

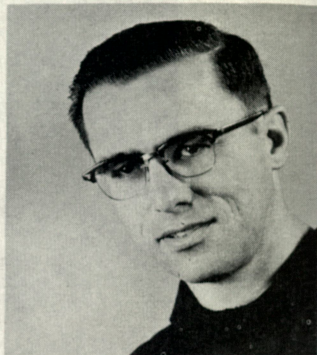

Right now, much needed Federal Aid, which would help get the OIC in optimum working condition, is lacking. We should not let this lack of funds be a setback to us. There is much that we ourselves can and should do.

First of all, donations of any and all kinds are needed. These donations can be either monetary (tax deductible, if desired) or donations of one's time to answer phones at the center itself.

Second of all, leadership will be needed in guiding the OIC to its desired goals of training men and women in both technical skills and remedial education courses. Leaders will be needed from all religious denominations, as well as from the surrounding industries and labor unions.

Currently, the OIC has slowly made some advancements. A Board of Directors was elected April 6, 1967 with Rev. Anthony Soto as Acting President; Rev. Elder M. Mathis, Acting Vice-president; Dolores Garcia, Acting Secretary; and Alex Reyes, Acting Treasurer. By the kindness of Our Lady of Guadalupe Parish, an office was established on March 28. Finances have come in the form of pledges with Pacific Telephone loaning a full time secretary and all the materials she might need. Mr. Robert Skibinski, General Manager of Pacific Telephone, invited the heads of the Santa Clara County Area industries to a fund-raising luncheon on May 25 at the San Jose Hyatt House. The Archbishop of San Francisco, the very Right Rev. Joseph McGucken, has pledged a \$75,000 contribu-

tion to the San Jose OIC, while this area's Council of Churches will pledge \$50,000.

Yet, there is still much, much more work to be done before the OIC can be functioning at its needed level. Will we, the people of Santa Clara County, respond to this challenge? If we are to see any improvement in this area, we must respond, and we must respond now. Please contact us at 259-2750 if you are willing to answer the challenge that the OIC presents us.

LA COMUNIDAD DE SAN JOSE

A travez del tiempo se ha considerado la importancia decisiva de la educación en la vida del hombre y su influjo cada vez mayor en el Progreso social contemporáneo.

Ciertamente la educación de los jóvenes, e incluso y también una continúa formación de los adultos, se hace en las circunstancias actuales no sólo mas fácil, sino mas urgente.

Porque los hombres, mucho mas conscientes de su propia dignidad y obligaciones desean participar cada vez mas activamente en la vida social y sobre todo en la economía y política; los admirables progresos de la técnica y de la investigación científica y los nuevos medios de comunicación social ofrecen a los hombres que frecuentemente se ven libres de otras ocupaciones en largos espacios de tiempo, la oportunidad de acercarse mas facilmente al patrimonio de la cultura y del Espíritu, y de ayudarse mutuamente con un intercambio mas estrecho de los grupos y de los mismos pueblos.

Por eso todos los hombres de cualquier raza, condición y edad, por poseer la dignidad de persona, tienen el derecho inalienable a una educación, que responda al

propio fin, al propio carácter. Porque la verdadera educación intenta la formación de la persona humana en el orden a su último fin y al bien de las sociedades, de las que el hombre es miembro y en cuyas responsabilidades tomará parte en la edad adulta.

Y por eso el "Centro de Oportunidades industriales", (O.I.C.) a puesto a prueba a toda la comunidad de México-Americano de este Condado de Santa Clara, pues dicho programa no tendría efecto si la comunidad no respondiera tomar parte en él.

El programa (O.I.C.) necesita mucha ayuda financiera para ponerse en condiciones de funcionar.

Pero esto es lo de menos para usted porque hay mucho en qué ayudar.

(a) Donación de dinero.

(b) Contestar teléfono

(Segunda fase.)

Se necesitarán personas para guiar este programa como el tomar parte en instruir, mujeres y hombres en Educación Remedial, y en empleo, se necesitan personas de todas razas y religiones como de los alrededores de este Condado de Santa Clara, en especial los Centros Industriales, Las Uniones y de mas Centros.

Aparentemente el (O.I.C.) cuenta con una mesa directiva, el pasado 6 de abril de 1967 se electó como presidente de esta organización a el, Rev. Anthony Soto, sus miembros son los siguientes:

Vicepres.- Rev. Elder M. Mathis.

Sec.- Dolores García.

Tesorero - Alex Reyes.

la oficina se encuentra en el Centro Parroquial de "Nuestra Señora de Guadalupe".

La oficina de teléfonos ha puesto a la disposición de esta organización una secretaría y todos los materiales necesarios para operar.

El Señor Robert Skibinski, encargado general de la oficina de teléfono, tuvo una reunión para levantar fondos con personas de varios Centros Industriales como al igual el Señor Obispo de San Francisco, Rev. Joseph McCucken, hizo una contribución de \$75,000 a el programa de San José, también el concilio de Iglesias de este Condado contribuirán con \$ 50,000 para dicho programa.

Corresponde recordar bien que siete programa ha de progresar, es solamente porque ustedes los interesados correspondrán.

Para mas información llame a esta oficina, Tel. 259-2750 o escriba a dicha oficina de San José.

LETTERS to the EDITOR

August 3, 1967

Excentrico Editor and
Spanish Speaking Community

Hero, Pat Vasquez, Jr., USMC, former San Jose student and citizen, has given up his life in Vietnam.

My deepest sympathy is hereby extended to the parents and relatives, and to all those who knew Pat.

Unfortunately I did not have the honor of knowing Pat personally. But this I do know, he died for all Americans-Mexican, Negro, Caucasian, Indian and Oriental.

The hell of war is over for Pat. I pray that his soul may now be in heaven. But what about our half-million American boys still over there? Why are we at war in Vietnam?

In Pat's last letter home, he said, "If I should die over here, I'll be proud, knowing I died for my country, and I hope you will be proud of me too, for I am a Marine".

Yes, Pat, we are proud of you. You are a Marine, and our loss is great.

TEMPEST IN A BEAN POT

A new school is being built in the east side on San Antonio St. It is well documented that MAPA's president Al Garza petitioned the school board to name the new school in honor of our Mexican-American community. Other Mexican-American organizations then joined in the drive to have the school board name the new school according to the wishes of our community and the following names were proposed; Benito Juarez, Crispus Attucks, and one of the many Mexican-American war heroes well documented in Raul Morin's "Among the Valiant". The most vociferous of the groups was United People Arriba demanded that the new school be named either Benito Juarez or Crispus Attucks. This group also claimed undisputed right to name the school since it represented the residents of that area. This, then, was the beginning of a controversy that rocked many members of our community.

Naming the school in honor of Benito Juarez, El Benemerito de las Americas, father of a free and democratic Mexico and the creator of concepts of justice employed throughout the world, would be the recognition to the Mexican-American community war hero would focus attention to the great contributions and sacrifices our people have been making and will always continue to make for our country. The only credits that the name of Crispus Attucks seems to possess are the fact that he was the first man killed in the American revolution and that he was a negro.

The controversy was given very good coverage by the local papers as well as by roving, agitated members of the United People Arriba and their leadership. The incredible thing about this storm is the fact that so many of the new budding leaders representing our people panicked in the face of controversy. Controversy is the stock-in-trade of leadership and compromise, its breath of life. The representatives of new power groups will have

to realize that their counterparts also would also would like to have their own way; it is therefore their mutual responsibility to overcome a deadlock and to compromise.

The naming of a public building such as a school is not and should not be the sole privilege of those living in the immediate area for we all know that statistically the majority of families living in that area will have moved out within five years. It is therefore pure arrogance on the part of the few to impose their will on the many. The service rendered to the Mexican-American community by such loyal and dedicated organizations as the G.I. Forum, MAPA, CSO, and others has been invaluable; it is our wish that the new, dynamic groups likewise will work for the common good of our people and the community in general.

G I FORUM COMMUNICATIONS

Mr. Dave Sierra, chairman of the San Jose Chapter G I Forum, wishes to thank all of you who patronized our yearly "G I Forum Stag Barbecue" last Saturday, July 22. The barbecue as usual was a real blast and one and all had a belly full of fun. We are already making plans for next year's and I for one wish it were next month; so good were the steaks!

OCTOBER MASQUERADE BALL

A really great ball is going to be had by all on Oct. 28, 1967, a Saturday night, at the masquerade ball being sponsored by the G I Forum in behalf of its scholarship committee. Don't forget the date and location: Oct. 28, 1967 at the IES Ballroom on East Santa Clara, San Jose. Kiko Moralez's Orchestra will play. Many prizes will be awarded for the most original costumes.

IN MEMORIUM

Cpl. Pat Vasquez, Jr. died in battle in South Vietnam near the demilitarized zone July 21, 1967. Cpl. Vasquez, 19 years, was the son of Mr. and Mrs. Pat Vasquez, G I Forum chairman 1964 to 1967. Cpl. Vasquez was wounded twice in battle before his death. In behalf of all the G I Forumers I salute you Cpl. Vasquez; you represent our courageous youth, present, past, and future; your sacrifice was not in vain.
