Dear Margaret:

It seems I voted wrong on daylight saving as far as you are concerned, but the bill passed anyway, so you should be happy. I know it makes a very tough problem for people in the investment business.

It was nice to see Helen Pedotti and Jane Tolmach here, and you should be pleased with the new Congressional District of Ventura and Santa Barbara Counties, particularly the fact that you are free of smoggy Los Angeles.

Best wishes.

Sincerely,

Fred
