

THE VICE PRESIDENT

WASHINGTON

March 24, 1967

Dear Mrs. Tolmach:

I had hoped to meet and talk with you while you are here in Washington, March 30th and 31st. As you may have read in the press, I will be traveling to Western Europe at the request of President Johnson, visiting with some of our allies on matters of importance to our nation. I regret very much that I shall not be with you.

I am confident, however, that you will be heartened by the revitalization and the enthusiasm evident at the Democratic National Committee. You will find in Billie Farnum, Charlie Weltner, and Bill Phillips, Deputy Chairmen of the highest caliber and of great ability. They, together with our most able National Chairman John Bailey, Vice Chairman Margaret Price, and Acting Treasurer John Criswell, will amply demonstrate that we are interested in being of maximum help to our State party organizations.

Your meetings should prove to be stimulating and helpful. I hope you will contact members of my staff present at the meetings and share your thoughts with them. My Executive Assistant, Mr. William Connell, will be present at all sessions. I have asked him to get in touch with you and to offer all possible assistance and cooperation.

I do look forward to working with you and to visiting with many of you as I travel to your States in the months ahead.

With many good wishes.

Sincerely,

*Hubert H. Humphrey*
