

00:00:45:16 - 00:00:52:01

Speaker 1

You go. Okay. Go ahead.

00:00:52:03 - 00:00:55:02

Speaker 1

Oh, don't worry about it. Just do what you have to do. Oh, I didn't know this.

00:00:55:05 - 00:01:09:13

Speaker 2

It's no big deal. I'm just kind of. First time we do something here, I just wanted a little reminiscing. Thing of it. You know how old fashioned we are.

00:01:09:15 - 00:03:10:17

Speaker 2

You know.

00:03:10:20 - 00:03:14:07

Speaker 2

Anytime. Maggie. And speak loud.

00:03:14:09 - 00:03:38:18

Speaker 3

Hi, I'm Rose florist, and I'm on the board of directors. I'm the recording secretary there, and I'm sorry it took us a little while to get started, but it just seems like we were waiting for more people to arrive. I guess we were not, And maybe our directions weren't that good. Or maybe it just didn't understand. But it seems like we don't have as many people as we anticipated.

00:03:38:20 - 00:03:39:22

Speaker 3

I'd like to introduce.

00:03:39:22 - 00:03:50:21

Unknown

You to Maggie. my name is Daniel. I'm in charge of the complex enough to be, this. Just like the furniture ball and other functions that we have.

00:03:50:23 - 00:04:12:16

Speaker 5

But the numbers might be more than here, the scale of the business, but I feel, definitely I for a minute, guess, I like to focus on the museum part of it policy to fit into my new, single to in, almost like.

00:04:12:18 - 00:04:15:05

Speaker 5

Do that. not often enough.

00:04:15:07 - 00:04:23:24

Unknown

For that, I promise. I get a long time over that.

00:04:23:26 - 00:04:33:09

Unknown

I would like to introduce, Hi. My name is Jennifer. About the, this year. I just want to.

00:04:33:09 - 00:04:37:16

Speaker 5

Thank you all for coming here about your support and involvement in other GI forums.

00:04:37:16 - 00:04:50:12

Unknown

Activities possible. So bring out the best in that organization. Thank you for being. Gracious.

00:04:50:14 - 00:04:54:21

Speaker 3

Thank you for coming, all. And, I would like to introduce.

00:04:54:23 - 00:04:55:23

Speaker 1

go back to Bruce.

00:04:55:23 - 00:05:00:24

Speaker 3

He's from the, National Hispanic University. Mr..

00:05:00:26 - 00:05:04:17

Speaker 1

Growth, I want to say something to.

00:05:04:20 - 00:05:08:06

Speaker 3

Would you like to say I wasn't too sure.

00:05:08:09 - 00:05:23:07

Speaker 6

but I thought the Snooky say the GI forum, for what he does. But I hope that's what he does. Yes, I will get lost. No, I feel that.

00:05:23:10 - 00:05:49:20

Speaker 6

In the, Next item with this much, just, with this, was those. But, it's not a single diet or wisdom. e any of them may benefit 40 that, researchers from what Pablo the animals get when even those you identify yourself for yellow. But I guess he got asked and I conclude I want to repeat.

00:05:49:22 - 00:06:20:02

Speaker 6

So I want to first thank the GI for, for all that they do. because without their initiative, this is a grassroots, grassroots efforts. It's not coming from the top, the big moneys, whatever they do, they care for the grassroots, as you and me. Donations, volunteers and more. Volunteers. they have three staff members, and all the others are volunteers.

00:06:20:05 - 00:06:58:04

Speaker 6

For this effort to continue, our community has to come forth and support the GI forum. this is something I was a little. I was a little baby. I know you look at me as well. but once upon a time, I was a little baby. I was born and raised in Corpus Christi, Texas. As all of you know, the great, great founder of the American GI form, doctor Hector Garcia, now deceased, was born and raised in Texas.

00:06:58:06 - 00:07:24:26

Speaker 6

And and this organization, the American GI forum, was formed because of Doctor Coca. Many of our little youngsters and some of the young people don't understand the significance of the American GI forum. Doctor Hector Garcia is a little boy. My dad would turn the radio on and he was on the radio and he was saying, Saldana with daddy, come out and vote back in support.

00:07:24:26 - 00:07:54:02

Speaker 6

Tex. At that time, we had to pay a poll tax in Texas to be able to vote. And he was trying to get people just to get out and vote. he was trying he and so all of, you know, he was a medic, in the during World War Two, he was a medic. The poor. And as he came and told our students at the National Hispanic University there when I was in the war, I operated and soldiers of all colors.

00:07:54:04 - 00:08:23:23

Speaker 6

I repaired their wounds. When I got back from the service, I opened up my practice. And at that time I saw no, no white patients, no other patients. I opened my practice and it was 100% Latino. There were got to be. So I was good enough to operate on all peoples in the war. But over here, I could only operate on our people.

00:08:23:25 - 00:08:56:13

Speaker 6

And that type of discrimination. When a soldier was killed in in the war and he came back to Texas to be buried, they refused. They refused to bury him in a cemetery. that was a white and mixed cemetery. They did not want that soldier to be buried there. It was the American GI for him and Hector Garcia, who fought that.

00:08:56:13 - 00:09:22:19

Speaker 6

If you're good enough to die in the war, then you're good enough to be buried anywhere in the United States. And because of that, that soldier was buried in Arlington Cemetery in Washington, DC, in Virginia. And those are the things that our community does not know. Those are the things that the city does not recognize in terms of the American GI.

00:09:22:19 - 00:09:50:03

Speaker 6

For. So what they do in this parades and in trying to keep the culture alive, is to promote the beginnings of of Doctor Hector Garcia. That said, your culture, the Hispanic culture is rich. Do not lose it. And so for us, it's an honor to participate in the Baptist parade every year. we're we're sponsored by Safeway stores.

00:09:50:05 - 00:10:05:01

Speaker 6

They give us scholarships so we can help our low income community graduate. So you will see one of our floats. They had the Safeway fill that, competed. And I want to congratulate Maggie and you folks for the work that you do.

00:10:05:03 - 00:10:11:17

Speaker 3

Thank you.

00:10:11:19 - 00:10:29:04

Speaker 3

we would like to thank all of you for participating. And, happy to have you all here this morning. just one more person that I would like to introduce. And that's El Castellano. He's the one that takes videos for us. And would you like to say some good. Thank you.

00:10:29:06 - 00:10:44:27

Speaker 2

Thank you. And I do like Doctor Cruz. Great concern about the fact that we're slow right now, but I think we're going to come back and we're going to get, Fiesta back downtown and continue with this parade. But I just want to tell you about the videos, the pictures that you see there and this album anybody wants to look at.

00:10:45:02 - 00:10:58:23

Speaker 2

They're available to you for \$2 apiece. The videos are showing up for \$15 apiece. If you want a copy of that video. And I want to thank you guys for your cooperation and be videotaping this parade now since 1985.

00:10:58:25 - 00:11:03:04

Unknown

So I know.

00:11:03:07 - 00:11:04:13

Unknown

My wife wants me to.

00:11:04:13 - 00:11:20:22

Speaker 2

Move out and get another house so I can store the video. But anyhow, thank you very much. Thank you for coming. And we have refreshments here for you. Anybody that can wait, there's some soda and water here for you. Thank you.

00:11:20:24 - 00:11:21:15

Unknown

We would also.

00:11:21:15 - 00:11:43:09

Speaker 3

Like to remind you that the building we built here is, is for the community so that, we have a building that the Hispanic community can come and be proud to rent and, and be able to, maybe even have a, theater of some kind, like a band where, you can bring people, your family or anybody else.

00:11:43:11 - 00:12:04:20

Speaker 3

also, we do have a scholarship foundation that we, give money to. We give out about \$50,000 a year in scholarships, and we give the scholarships to students that are graduating from any high school in the Santa Clara County. So if you have students that are going to be graduating this coming year, make sure that you get the applications and you get them in.

00:12:04:22 - 00:12:25:27

Speaker 3

So that way, maybe they might be able to receive a scholarship from our foundation. And we also have what we call Villanueva, which is an alcohol drug recovery pool. And, that's pretty full right now we're trying to add on to it because, there's so many people out there that want to be able to stay and be done with it, and we just don't have the room right now.

00:12:26:04 - 00:12:58:01

Speaker 3

So we have to add two more rooms and so that we can have more people staying there that need to stay here instead of spending their time in jail. But, anyway, maybe we should get started with the

awards in May as anything else. otherwise, we'll get started in handing out the awards. And thank you for being so patient and waiting for us.

00:12:58:04 - 00:13:00:18
