Initial Filing Period

All applications received during the initial filing period will receive equal consideration within the established enrollment categories and quotas, regardless of the time and date they are filed.

Extended Filing Period

Universities and colleges not filling enrollment categories during the initial filing period will continue to accept applications during the late period until quotas are filled. Application priority within the extended period will be granted in chronological order of application receipt by the institutions.

SPACE RESERVATIONS

Applicants who can be accommodated within category quotas will receive confirmation of space reservation. Although the space reservation is not a statement of admission, it is a commitment on the part of the campus to admit a student once eligibility has been determined. When the student receives notice of the space reservation, he should initiate action to have transcripts of all college and high school work sent to the campus where space has been reserved. The campus will inform him of the number of copies of transcripts required, dates for submittal, and where they should be sent. **THE STUDENT SHOULD NOT REQUEST THAT TRANSCRIPTS BE SENT UNTIL REQUESTED TO DO SO BY THE COLLEGE WHERE SPACE HAS BEEN RESERVED.**

REDIRECTION

Applications of students who cannot be accommodated at their first choice campus will automatically be redirected to their second choice; if they cannot be accommodated there, to their third choice, and so on.

HARDSHIP PETITIONS

Each campus has established procedures to consider qualified applicants who would be faced with an extreme hardship if not admitted. Prospective hardship petitioners should contact the concerned institution regarding specific policies governing hardship admission.

UNDERGRADUATE ADMISSION REQUIREMENTS**FIRST-TIME FRESHMEN**

Applicants who have had no college work after high school graduation will be considered for admission as first-time freshmen under one of the following provisions (see *Exceptions*, below). Results of either the CEEB Scholastic Aptitude Test (SAT) or the American College Testing program examination (ACT) are acceptable in establishing eligibility. Registration forms for either test may be obtained from high school and community college counselors, State University and College testing offices or directly from the testing service at the address below.
