

Tuesday Noon

Dear Patricia:

I'm glad you've found
it possible to reason yourself
into an extra day. I'll be
over at the College most of the
afternoon. I'll call you when
I get back just in case you
should have returned. Your Mom

is quite anxious to talk to
you! - but she always is - she
loves you so much!

Leon got registered in Santa
Clar High this morning.

The news story on Washington
with our picture is scheduled
to appear in this P.M. News.
I'll get an armful of copies.

I'm looking forward to dinner
with you & dreaming about you flying.
The best as always - Carl.
