

ALAN CRANSTON
CONTROLLER

Controller of the State of California

SACRAMENTO

July 7, 1960

Mrs. Jane Tolmach
Oxnard, Cal.

Dear Jane:

Congratulations on your election to your county committee.

This year, membership on the committee is more important than ever before, for we are faced by tasks of vast and unprecedented significance.

I have found that in my work as Controller I have a far closer relationship than has any other state official to local government -- county, city, district. If there are any local problems where the state can be of help, I would appreciate it very much if you would call them to my attention.

It will be a great pleasure to work with you in the vital days and years ahead of us, and I hope to see you soon.

With my very best wishes,

Cordially,

Alan Cranston

*Congrats, too, on reelection as Madame Chair.
I was good to talk to you on the phone.
Thanks again for your friendship. See you Sat.*
