May 11, 1937.

Miss Julia Morgan,  
San Simeon.

Dear Miss Morgan :

I do not think anything to support  
the sunrise and sunset statues at the pool would be as  
good as rather tall columns, something on the style of  
the columns on which they were supported at the Exhibition.

Let us plan those, and see how much  
they would cost.

Sincerely,

*W R Hearst*
