Jane Tolmach for Assembly
656 West Douglas
Oxnard, California 93030

Dear Ms. Tolmach:

PACE, Political Action for Classified Employees, the political action committee for the 73,000 member California School Employees Association is pleased to endorse your candidacy for the 36th Assembly District election in November. In addition to our endorsement and pledge of assistance, we are providing our contribution of \$500 to help your campaign.

We have a number of forms of assistance available through the volunteer efforts of our members. In order to help us to best help you, we need to know the zip codes for your district so we can identify our members to be contacted. Further, if we could have samples of some of your literature, we will develop profiles for use by our chapters in telling our membership of your candidacy.

PACE believes that effective government requires that people such as yourself come to Sacramento to represent the interests of the people of California. We are looking forward to working with you toward success in November and over the coming years as you represent your district in the Legislature.

Sincerely,

Joseph P. Jackson
