Hey Michele (Mitch)!!
Happy Birthday!! I hope
you have a really fun &
exciting day... and I hope
you get something good from
Gene 😊! It's been fun
working at the library with
you, even I rarely
and when I do we're hiding
from the "witch". So we'll
have to get together and really
celebrate, huh? Stay sweet!

May your Birthday
be as special as you. See you—

Love Always,
James
