Most people when visiting a chiropractor for the first time are full of questions concerning chiropractic and what it can do for them.

Here are a few of the questions most frequently asked of the chiropractor. So in answer to.....

Why Should I Become A Chiropractic Patient?

Through scientific research and clinical observation chiropractors have learned that slight displacement of vertebrae causes pressure on nerves and interferes with vital nerve energy, resulting in disharmony and disease in the body. No other health system is so specific or acts in such perfect harmony with nature's healing power. Chiropractors are trained to locate the spinal cause of disease.

Can Chiropractic Help My Condition?

Yes. The power that created the body can heal the body. If the body is free from nerve pressure and there is an uninterrupted flow of nerve energy from the brain to the tissue cell, a state of normal health can exist. Sickness begins when there are spinal misalignments, impinging nerves and interfering with the normal nerve energy flow from brain cell to tissue cell. The body has a tremendous capacity for healing and remaining healthy once nerve channels are free.

Are Chiropractic Adjustments Painful?

No. Gentle spinal adjustments are painless. Chiropractors are specially trained to locate and correct displacement in the vertebrae with little or no discomfort. After spinal displacements are corrected, the body will feel more active, giving you that healthy, happy feeling.

Do You Have To Have Faith In Chiropractic To Get Results?

NO! Chiropractic is a scientific way of removing the cause of disease. The body does the healing. A chiropractor's job is much easier if he has the faith and confidence of the patient but it is not absolutely necessary.

How Long Will It Take To Obtain Results?

In a short period of time you will begin to feel relief. Some conditions, however, may not respond as rapidly as others because these conditions have been developing over a period of years. Once the vertebrae has been adjusted, freeing vital nerve energy to all parts of the body, the process of recovery comes quickly and naturally.

Why Do Chiropractors Use X-Ray?

X-ray to the chiropractor is like the blueprint to the builder. The chiropractor uses x-rays to help him locate the exact vertebrae that is causing the patient's condition.

After the analysis has been made the necessary adjustment can be given to return the displaced vertebrae to its normal position.

Do Children Respond To Chiropractic?

Children usually respond to chiropractic adjustments more readily than adults. Their little bodies are growing, the tissues are rapidly developing, and can be changed from a state of sickness to a state of health quite easily.

Children love chiropractic adjustments because they are gentle and painless and the doctor does not require them to take harsh tasting remedies. Chronic diseases usually begins in early childhood and develops over a long period of time. The best way to prevent chronic diseased organs and tissues is to remove the underlying basic fundamental cause of nerve interference in early childhood.

Must I Continue Chiropractic Care When I Feel Good?

Chiropractors believe in the old adage "An ounce of prevention is worth a pound of cure!"

Once a month, twice a month or once a year checkups are recommended according to the need of the patient in order to maintain a normal state of health.

Cartas al Director

Sr. Humberto Garcia
Director de EL EXCENTRICO
San Jose, California

Mucho he de estimarle la publicacion de estas lineas que solo llevan el deseo de evitar que personas sin escrúpulos de ninguna naturaleza, sigan criticas infundadas y hasta insultando a grupos de personas que nada tienen que ver con sus antipatías personales.

En EL EXCENTRICO del cinco de junio se publica en la columna de Dave A. Sierra con el título de "All America City" una serie de aseveraciones que es imperativo contestar.

La columna en cuestion pretende aparecer como una carta dirigida a Dear Roman -

La carta o lo que sea empieza así - "I am happy to see that Excentrico is finally printing the truth about these "phony" Texas busters from Del Rio.

En este rpimer parrafo, el que escribe se puede ver en muy seria dificultad para interpretar las palabras "phony" y busters, y mas dificil le sera probar que todas las personas que han venido de Del Rio, merecen esos calificativos.

En seguida dice con lujo de ignorancia - "They come here renganchados and right away tried to take the show from California". En la aseveracion que hace este señor, demuestra que no sabe de muchas personas, que ni han sido contratadas para venir a trabajar y se dedican a sus ocupaciones o negocios calladamente y sin ostentacion de ninguna naturaleza. En un diccionario de la Lengua Castellana el señor Dave puede aprender a escribir la palabra renganchados y conocer su significado.

"En todo estan menos en mesa" La cita que el señor que escribe usa en el idioma castellano es - "En todo estan menos en misa" y no tiene explicacion en este caso ni razon para haber hecho uso de la mencionada cita.

Y sigue el sesudo comentarista diciendo - "You should see them when they get together Roman. All they talk about is Del Rio and faces light up as if they were in heaven."

En ninguna parte es mal visto cuando se encuentran una o varias personas nacidas o creadas en un lugar determinado, que hablen de ese sitio con el entusiasmo propio que traen los recuerdos de la Patria chica, eso no es mas que gratitud hacia el lugar que quieren y veneran como un buen hijo quiere y venera a sus padres, lo mismo da que sea el mas miserrimo de los poblados o los mas humildes de los padres.

Y sigue la ensarta de estupideces del autor de es-

tos disparates - "Definition of Del Rio - One J. C. Penny, one grocery store, one post office, one run-down theatre and a mud hole where they bathe and wash their clothes."

Esta es la definicion que con todo sarcasmo da este señor a Del Rio. Es la misma definicion que se puede hacer de miles de pueblos en toda la tierra y en los que han nacido hombres que tienen lugar preferente en la historia de la humanidad. Me atrevo a pensar que el Sr. Sierra cree que Abraham Lincoln nacio en el Capitolio de Washington y que Benito Juarez nacio en el Palacio de Bellas Artes de la Ciudad de Mexico, es conveniente que este señor se entere que Lincoln nacio en una miserable cabaña del estado de Kentucky y Juarez en una humilde choza de Guelatao, rancheria enclavada en la Sierra de Ixtlan del Estado de Oaxaca en los Estados Unidos Mexicanos. Tanto Lincoln como Juarez son dos de los mas grandes defensores de los derechos del hombre en America y estos colosos como otros muchos veneraban los miserables trozos de tierra que los vieron nacer.

Y sigue el gran periodista con sus necedades - "If you blink your eyes for a second while you're driven through, you've missed it."

Nunca nadie de Del Rio ha dicho que este lugar (Del Rio) sea mas grande, mas bonito o mas interesante que Londres, Paris, Roma o New York, sin embargo, sin grandeza, sin belleza, y sin el intres de esas grandes ciudades lo quieren entrañablemente, a pesar de su sencilla pequeñez.

Aqui viene otra sandez mayor - "I real Paul Gary's letter in your last column and I feel we are doing a terrible thing by allowing them to vote in the State of California. If they can't vote in Del Rio they should not be allowed to vote here."

Esto es el colmo de la ignorancia, tratar de hacerse arbitro del voto popular alguien que esta demostrando no conocer la Constitucion de Los Estados Unidos de Norte America. Con toda seguridad este arbitro voluntario no sabe que en el Estado de Texas las campañas politicas se hacen con el dinero de los votantes y en California con el de los candidatos.

Ahora habla el propietario de la Ciudad de San Jose - "Why did they have to pick San Jose to invade?"

Que podria contestar este brillante escritor si alguien le preguntara - Por que tuvieron que invadir este continente los europeos? Tal vez piense que debieron pedirle permiso primero a el.

Para cerrar con broche de oro este gran filantropo dice - "They know we won't let them starve here because of the canneries and packing houses and they can always depend on the United Food Drive."

Perdon por mi ignorancia, no sabia yo que el señor Sierra sostiene a United Food Drive, ademas ignoraba por completo que esta organizacion se ha creado con el unico objeto de mantener a las personas que vienen de Del Rio.

Muchas gracias por este bello gesto filantropico, querido colega, pero cuidese usted de no perder toda su inmensa fortuna.

Ya para terminar, dice nuestro erudito escritor - "What do you think Roman? I would value your opinion very highly?"

No se lo que conteste Roman, pero yo me atrevo a asegurar que una persona con la erudicion y la eti-

(continua en la plana siguiente....)

ca periodística del brillante escritor, no es menester que alguien le haga su opinión, ya que a través de lo que escribe da a conocer su altura intelectual.

Termina este gran literato su misiva con una Pos Data - "That nosie Candy Velis makes me sick. Nobody likes him, not even San Felipe. They just keep him in there because they feel sorry for him. He can't be trusted."

A quien le corresponde en el Club San Felipe decir si una persona es grata o no?

El Juez Supremo de todos los clubs de San Jose decide que no es grato el Sr. Velis en el club, no se por que no se obedece su mandato.

El Señor Sierra tratando de dar a conocer su antipatía para el Señor Velis ha insultado en general a todas las personas radican aquí y que son de Del Rio, creo que es de la mas elemental educacion pedir una disculpa cuando se ha cometido una falta o se ha insultado a personas que no se meten con nadie ni para bien ni para mal, como humanos podemos cometer errores, como hombres podemos pedir perdon por nuestras faltas.

Sr. Humberto Garcia, doy a usted las gracias por la publicacion de estas lineas y quedo como siempre su atento y seguro servidor.

GI FORUM SCORES HIT WITH STATE CONVENTION

There's no substitute for hard work and good organization. The American GI Forum California Convention held at the Hyatt House June 22-24th was tremendously enjoyed by the people who came from out of town and by our own San Jose people who attended the banquet, luncheon and ball. Governor Brown thoroughly enjoyed himself at the banquet and promised to attend the next GI Forum State Convention in San Diego next year. The out of town people were real impressed at how friendly and well mannered and social minded the people here are. Thanks are owed to a lot of people and hard working Forumeers. Anita Maldonado carried the colors for the San Jose Forum and did terrific coming out Runnerup in the State Queen Contest against a bevy of beauties. In short the American GI Forum has arrived with a bang and has established itself as an organization that gets things done and will enjoy its fine reputation for many years to come in San Jose and Santa Clara and cities all over the state. Like the man said, "there's no substitute for hard work".

May I urge all veterans and their wives who are interested in joining an organization that will give you a lot of personal satisfaction for your efforts and is doing something concrete for the community to consider the American GI Forum and its Ladies Auxiliary. You'll never meet more wonderful or dedicated people and you'll make many new friends.

Call Dan Campos FR 8-2987 for information on the San Jose Chapter and Monty Amador CH 8-7777 for the Santa Clara Chapter.

Send me your name and address to 2797 La Jolla Avenue San Jose for a free copy of a magazine which contains a lot of information about the Forum and its program.

ART RAMIREZ STILL SINGLE

Those of you that were expecting a wedding invite from Art Ramirez may just as well forget it. The wedding is off. After making plane reservations to fly to Texas to bring his bride, complications developed. Artie was recently seen in Elko, Nevada, forgetting everything with a luscious brunette.

Plane tickets cancelled, vacation cancelled, rings gone, Artie much wiser and much to his merri-ment still the town's most experienced bachelor. Like he says, "Whew, that was close!"

I MAKE A MOTION THAT

The Boss Man Humberto Garcia be commended for decorating his office with Western Furniture.

That a City Park be named David Sierra Park.

Thanks to Mrs. Al (Linda) Minjares for the art work on the faces heading this column. She's a talent!

After the GI Forum Convention Banquet, Mrs. Anita Campos, Chairman San Jose Ladies Auxiliary, Governor Edmund G. Brown, Mr. Dan Campos, Chairman American GI Forum of San Jose.

GI FORUM CORONATION BALL

The highlights of the month was the GI Coronation Ball held at the Hawaiian Gardens Terrace Room June 23rd.

Master of Ceremonies was my good friend Eduardo Grigg "El Guero Guero" from K. L. O. K.

Bobby Zamora provided the music with his swinging orchestra and the dance was semi-formal.

Chosen as Miss American GI Forum of California was the pretty and lovely Miss Martha Carlos from Riverside.

Pictures of this great event are appearing in this magazine and others to follow. All photography taken exclusively by EL EXCENTRICO's boss man and big money maker Bert "Cokehigh" Garcia and his Rolli Polli.

People enjoying themselves at the ball were,

Mr. & Mrs. Hank Coca	Mr. & Mrs. Richard Diaz
Mr. & Mrs. Dan Campos	Mr. & Mrs. Gil Paramo
Mr. & Mrs. Ernie Vasquez	Mr. & Mrs. Bill Lopez
Mr. & Mrs. Monty Amador	Mr. & Mrs. Bob Rodarte

The Bob Vasquezes, Rudy and Rachel, Ron Gonzales, George Estrada, Ed Ramirez, Cheno Plata & Connie Rodriguez, "The Keed", Frances Coronado and many others.

These are some of the members of clubs I saw present, Al Rodriguez, president of Club Cuauhtemoc, Club San Joaquin, Elite, Bachelors, and Los Amigos Golfing Club. If I didn't see you, you weren't there.

To the GI Forum and Ladies Auxiliary, congratulations on a job well done. I know the amount of hard work one has to sink in such a grand social affair and I hope the results were satisfactory.

I was informed by a union agent that the Canner-

Gaspar Espinoza on right receives case of BEER which he won for his outstanding shuffleboard ability, from lovely Maria Aguirre, proprietor of MARIA'S CLUB. George Plata is ready to give Gaspar a red hand.

ies Union Local 679 donated \$100 for GI Forum Scholarship Program. In the past three years the Forum has awarded many scholarships in the Santa Clara County, mostly to kids of Mexican-American descent. This year's Scholarship Chairman is Mr. Ernie Vasquez. Good luck Ernie and keep punching.
BACHELORS' NEW BOWLING SHIRTS

In behalf of the Bachelors Bowling Team I wish to thank Dan and Maria Aguirre for sponsoring the Bachelors in the Mexican-American Bowling League. Our bowling team is real happy with the new shirts you bought for us. Thanks a million.

Pictured are George Plata, Maria Aguirre from Maria's Club giving Gaspar Espinoza a case of beer which he won playing shuffleboard at Maria's Club. A day later Gaspar won another case of beer. Tapon Plata won three cases of beer last week. One case he won on high game and two on lucky numbers. I heard he sold them at his store. J. J. hasn't won anything, neither has Ed Baltierra, Tony "Pelon" Arreola. Yo menos.

Gaspar, Patty Tamez wants to know if you have ever heard of phones? Or do you always need Tapon to lead you by the hand?

Who is this fabulous person I've heard so much about that they call "The Rainbow Kid?" I believe Mr. D. E. Hill can give us the scoop on this cat from Del Rio.

POSTCARD FROM DAVE E. SIERRA AT SEATTLE WORLD'S FAIR

Dear Gil,

Beautiful over here and clean as all hell. Nobody from Del Rio up here. Saw the fair last night and all the exhibits. Tell you about the mariachis later. Went to Olympia Brewery. Free Beer. Saw a bum up here and I thought he was Chuchulucio.

Your Uncle,
Dave Sierra, Esquire.

Last Saturday night, Ben Guzman, J. J., Tony Arreola, Manny Gonzales and I were sitting in a bar downtown sipping C. C. before we made it to the hop across the street. A nice looking broad kept staring our way. Then she starts walking toward us and she asked me, "Aren't you Gil Solarez, the one who writes in El Excentrico?"

"No I'm not. My name is Chuchulucio Veliz, Jr., and I'm from Del Rio, Texas, mighty proud, mighty proud. I'm not biting tonight honey, so go hustle somebody else. You heard me, beat it!"

Her remark: "You nasty wetback!"

What's this I hear that Chuchulucio's real name back home was DR. JEKYLL?

Maybe Bobbo "Mr. Peepers" Rodriguez remembers when they were kids back home and they used to go swimming in the old mud hole, could give us the low down on Chuchu's real name. Our readers are dying to know.

RABIES (HYDROPHOBIA)

In our community where many of men's most dreadful communicable diseases have been conquered, rabies still remains a serious threat.

Although one thinks of rabies as being most common only encountered in dogs, it may involve any mammal. Wolves, foxes, cats, skunks, bats are frequently affected, and the disease may be found in cattle, horses, or swine if they are attacked by a rabid animal.

People spending their vacations in the outdoors should be very careful not to pet stray animals or to hand feed wild animals, no handling of sick animals, particular attention to bats, a known rabies source. A four year old Santa Clara boy was attacked earlier this month by a rabid bat while vacationing. Two rabid skunks have been found in the county recently. If you are bitten by a dog or any other animal, the wound should be washed thoroughly with soap and water and a physician seen immediately. In the city the biggest concern is with stray dogs. The summer months are particularly dangerous because of the greatest activity of dogs and the presence of children on the streets.

Dog bites and other animal bites should be reported to the Health Department immediately. It is important for the Health Department to determine if the animal is rabid as soon as possible so the victim can be given proper treatment. There is no known cure for rabies once the symptoms develop.

If you have a dog you can protect yourself, your family and neighbors by vaccinating your dog against rabies and keeping your dog confined to your premises in order to prevent exposure of your pet to people and other animals.

We will be holding a rabies vaccination clinic the 28th of June at the O. S. Hubbard School in Tropicana Village from 10 A.M. to 2 P.M.

Be sure to bring your dog!

"Boarding the Plane to Higher Learning"

As a parent could you bear to tell your son or daughter that due to family circumstances and financial problems, you cannot assist him in his attendance to college?

You, as the son or daughter, how would you react when hearing these words? Yours was the dream to board the Plane to Higher Learning, to provide an outlet for the desire to expound in knowledge, to grow and progress in your status in life. You had hopes of following through with this plan but you realize now, changes must be made. This will mean a year or two out of college in order to finance your studies, or extenuating your courses each year to allow you time to work. This is a hard and cruel reality to face. Many students condition themselves to this, and some do not. The unfortunate part of the decision to stay out to work is that many do not return to follow their original plan.

Amongst the group of Mexican American organizations in this area stands the Santa Clara GI Forum, organized in October of 1961. This civic-minded group's primary objective is to help the future and betterment of the Mexican American community. This group, not yet one year old, just recently presented scholarships to two deserving young people.

Through the efforts of this active organization, Ray Garcia, graduate of Santa Clara High School and Frank Espinoza, graduate of Buchser High School, will join the army of those marching through the doors to the Plane of Higher Learning this coming fall. Ray, who aspires to become a mechanical engineer, has chosen San Jose State College, Frank will enter Santa Clara University and will make his choice to major in English or Mathematics. These two scholarships were made possible because of the endless and worthwhile efforts of the Santa Clara GI Forum and because of your participation, and mine, in the many functions sponsored by this group, which are primarily conducted for this purpose.

It certainly would have been sad to see the wishes of these two youths-----tomorrow's leaders, stifled because of lack of financial help. You and I can be collaborators in sponsoring this type of program which enables those students who have the ability and possess a desire to continue learning to have their dreams fulfilled-----we can do this by continued participation in the organization's laudable endeavors.

This year two students received scholarships. This is a GI Forum sponsored project, but without our help this would not have been feasible.

Shall we not strive for 10 scholarships this coming year and see 10 students step unto the Plane of Higher Learning?

Mrs. Monica Amador Scholarship chairman American GI Forum Ladies Auxiliary, Santa Clara Chapter presents scholarship awards to Ray Garcia, Mike Ybarra Scholarship chairman of the Santa Clara Forum present another scholarship to Frank Espinoza.

STATE CONVENTION A COMPLETE SUCCESS

Banquet:

With an impressive speech by Governor Edmund G. Brown at the Friday evening banquet, the American GI Forum California State Convention for 1962 blasted off in proper order. Chief Deputy D. A. and Mrs. Louis Doll represented the County while Vice-Mayor Robert Welsh gave the official "Welcome to the City of San Jose".

The Governor's aides expressed surprise and admiration in pointing out to your columnist that the banquet had been executed EXACTLY as planned, and praised the M. C. Bob Rodriguez, Banquet Chairman Ernie Vasquez and Advisor Ted Cazares for an excellent presentation.

The Governor expressed great admiration for the dispensation which granted the audience of 218 the privilege of having steak that night. It was the Governor's first such privilege at a Friday banquet luncheon.

Saturday's Mid-day Luncheon which followed a half day of business sessions found 181 guests gathered at the poolside patio to hear Forumeer Ed Roybal, Los Angeles City Councilman and U. S. Congress aspirant, deliver the keynote address asking for hard work on the part of the Forumeers to inspire the Mexican-American population to a more active participation in citizenship obligations. Howard Weichert, Chairman of the Board of Supervisors, represented the County in welcoming the guests and delegates. The response was given by the very elegant and polished Mrs. Fran Flores, State Auxiliary Chairman from Riverside. Senator John F. "Jack" Thompson, presented State Chairman Augustine Flores with a Senate Resolution paying tribute to the American GI Forum on the occasion of its 1962 California State Convention. A City proclamation declaring the dates of June 18th thru 24th as AMERICAN GI FORUM WEEK was presented to the Convention Co-Chairmen earlier. Bill Lopez, San Jose's own "best", was chosen OUTSTANDING MEMBER OF THE AMERICAN GI FORUM OF CALIFORNIA. Mrs. Anita Campos, Aux. Chairman and Mistress of Ceremonies for the Luncheon, praised members of the Auxiliary for arranging for the impressive swim show and for taking complete responsibility for the entire program of the luncheon.

CORONATION BALL

A well prepared delegation and Queen Contestant took the MISS AMERICAN GI FORUM OF CALIFORNIA title back to Riverside. MISS MARTHA

CARLOS, polished and graceful, won the nod of the judges after a beautiful spectacle of lovely girls paraded and defied the judges to make their decision. The judges, columnist Frank Freeman, Beautician VIP Emma Hartwig and Modeling Instructor Anne Daniels, chose MISS ANITA MALDONADO as FIRST RUNNER-UP. Master of Ceremonies for the evening was Edward Grigg, radio personality.

The comments on the music were so favorable that one could have mistaken the event as "BOBBY ZAMORA NIGHT". With his new, big orchestra, Bobby was nothing short of FIRST CLASS. Public opinion demanded an extra hour of music by the talented San Josean and to show that his heart was in the right place, he stayed until 2 A.M.

To the many, many dedicated Forumeers and members of the Auxiliary from San Jose, Santa Clara and throughout the state, to the many community leaders and other friends of the American GI Forum, to the Editor of EL EXCENTRICO, Humberto Garcia and his staff, to the convention bureau and city and county officials and especially to my convention co-chairman Dan Campos, without whose help the convention would not have succeeded, my most warm, sincere and humble thanks for making the 1962 American GI Forum State Convention a complete success.

CLUB San Felipe

Candy Veliz

Congratulations to Tony Carvajal on last week's very well written column.

Joe Santos Camarillo, our club president, hit the first club's home run of the season and since then it has been real rosey for our club. Thus far the score has been as follows.

San Felipe 6	Bachelors 0
San Felipe 8	Los Toros 1
San Felipe 4	Casa Mañana 3

On Sunday July 1st we play Club San Joaquin at Columbus Park and that could very well be the deciding game as to who takes the first half of the U. C. C. League even though after San Joaquin we still have El Dorado and San Joaquin will have to beat the Bachelors. Club Casa Mañana is certainly to be commended for their fine performance against us. Pete Rojas put on a one man show with his all around ability that took us 9 innings to beat them. Give Pete Rojas some help and Casa Mañana will be harder to beat.

Through the untiring efforts of Dan Campos, Ike Hernandez, Bob Rodriguez, Anita Campos, Ted Cazarez, Elsa Rodriguez, Bill Lopez and the rest of the GI Forum and Ladies Auxiliary members the GI Forum convention was a complete success. Excellent was the taste of all the ladies and gents that attended the GI Forum Ball. Bobby Zamora and Orchestra supplied outstanding music. In words of one syllable, everybody had a ball!!!!

The carpet is being rolled out to accept all our friends to the 3rd Club San Felipe Anniversary Dance.

Val Garcia to Camp Roberts (afuerza).

Richard (Gallito) Martinez also to Camp Roberts (afuerza) or at the request of Uncle Sam.

Hear say they call Kanke Sanchez Uncle Scrooge but Roger Cuellar has him beat. He is so parsimonious that he squeaks when he walks. Que batalla, verdad Santos?

Good luck to Mike Espino on the opening of his TV shop on the Puentes Bros. building - North 10th Street.

Congratulations to Ray Perez and Nettie Palacios on their recent marriage, July 30th, 1962 - May all their troubles be little ones.

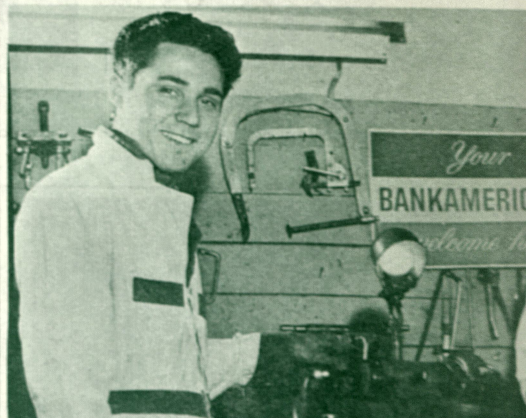

Art Cuellar is back from shumbra and from the looks of things he hasn't lost his touch with women. He escorted Miss San Bernardino to the GI Forum Ball. The way I see it they should call him and Jessie Zertuche Los Porfidios Rubiosa's. He has nothing on them.

Congratulations are also in order for Pete Duran and Della Gonzalez on their forthcoming marriage on July 7th, 1962.

Bobby Sanchez, or Big D as he is known by his buddies, is doing a terrific job for our club. Wish we had more like him.

MEXICAN-AMERICAN BOWLING ASSOCIATION

A new organization known as the Mexican American Bowling Association has been started and as of the first week there are thirty members. It is opened to all Mexican American bowlers and the charter membership fee will be fifty cents. Even though it was started here by yours truly, twenty five are from or bowl at the Fremont Bowl in Fremont. Tentative members have signed as far as Oakland and Los Banos. Any bowler wishing more information can call John Caldera at CL 8-4590 or me at CH 8-5967. The objectives of,

1. To keep an up to date list of all bowlers and their averages.
2. To keep bowlers informed of tournaments, match games and other interesting events.
3. To form a traveling league of Mexican American Bowlers.
4. To help bowlers with their problems.
5. To arrange classes for beginners and instructions for bowlers.

TONY FLORES TAKES TOURNAMENT

Tony Flores bowls when there is money at stake. And he rolled a 601 series plus hix handicap of 90 for a big 691 series to take the \$50 first place in the Class A Singles at Ann Darling Bowl in the Mexican American Bowling Tournament. Lloyd Casado of Fremont Bowl took the Class B spot for the same amount. He eked out Vic Rodriguez who lost 632 to 630. Class A Doubles went to Charlie Hernandez and Don Carrillo who were the last squad to bowl and piled up a 1268 total. Vic Yniguez of San Jose teamed up with Fred Real of Fremont Bowl and dropped 1320 pins to take the Class B Doubles. High game was rolled by Bob Abina of Fremont Bowl with a 234 total.

REFRIGERATION ROLLS

San Jose Refrigeration, in last place five weeks ago, won its 16th win in a row to take second place and 5 points out of first place in the 846 Scratch League at 4th Street. Last week Al Guzman bowled games of 177-194-233 for a 594 series, Rafael Rodriguez had games of 220-149-211 for a 580 series, Mario Vazquez had games of 199-192-202 for a 593 series and Lalo Ruiz a 218-204-167 for a 591. Bowling like this took the pressure off Mando Guerra who had trouble finding his mark. The team beat Lou Nisich Construction team by 467 pins.

CONGRATULATIONS BOB!!!

Congratulations are in order for Bob Rodriguez, fellow columnist from DR. He lost the State Chair-

manship by 8 votes to Teen Flores, but was elected Vice Chairman of the California American GI Forum by a landslide. And that was quite a convention. Most of the Forum members have yet to get over the convention. They are probably still catching up with their sleep.

THIS & THAT

Since I read that the Worlds Fair and that area wasn't anything to write about, I decided to cancel my trip and go someplace to get away from people. Thence, I decide to first go to Lake Tahoe to win some money and after, go to Disneyland to spend it.

UN SALUDO a mis LECTORES

Después de un lapso de casi medio año de permanecer alejada de mis actividades periodísticas, vuelvo a mi pupitre y hago entrar en actividad mi máquina de escribir para reanudar con mis buenos amigos, los lectores de este magazine fiel traductor de los sentimientos de nuestra sociedad y de nuestro medio. Mi querido EXCENTRICO abre de nuevo sus páginas para dar albergue a mis artículos que seguire ofreciendo a los lectores como algo en que brindo a mi público lo mejor y mas blanco de mi alma. Cuando con un dato histórico, científico, o cultural de mi aportación me sea dado ayudar a que mis lectores eleven el nivel de su cultura, cuando consiga hacer que encuentren ameno el tiempo que empleen leyendome, me conceptuare satisfecha y bien recompensado estará mi esfuerzo.

Pienso publicar una serie de pequeños artículos formados con los apuntes que consigne en mi reciente viaje a mi país, Mexico, y por ahora, con la satisfacción de encontrarme de nuevo en esta bella perla de la soleada y fértil California, como lo es San Jose, con un saludo cordial me pongo como siempre a la disposición de mis lectores.

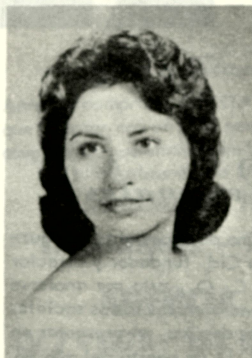

GRADUACIONES

Muy de recien desaparecido este mes de junio, extraño por la dualidad de su clima, ya gelido como el de los meses invernales, o ocalido y lleno de sol como debe de ser el clima que corresponde al sexto de los meses del año, fresco palpita - aun en nuestros cerebros el recuerdo de las graduaciones que en el tuvieron lugar, como fresco esta tambien la emocion que nos produjera el presenciar estos actos en los que los planteles educativos, templos del saber y emporios de la ciencia, rindieron ante la sociedad la dor-

ada, sabrosa y uberrima cosecha fruto de los desvelos, las fatigas y la dedicacion de maestros y escolares a lo largo de un año de estudios.

EXCENTRICO felicita con todo entusiasmo a todos los jovenes - graduados que a fuerza de voluntad y dedicacion pudieron obtener un titulo, a los profesores que por un año mas, dedicaron su tiempo y sus energias a la mas santa y noble de las tareas - la de formar entendimientos ilustrados y ciudadanos utiles a la sociedad y a la Patria. Que todos nuestros jovenes graduados guarden en sus corazones juntamente con la satisfaccion honda y legitima del deber cumplido, la conviccion profunda de esta gran verdad - "Ni todos los tesoros del mundo son suficientes para pagar el valor de un solo conocimiento científico".

A Navy recruit lost his rifle on the firing range. When told that he'd have to pay for it, he protested.

"Suppose I was driving a Navy jeep and somebody stole it. Would I have to pay for that too?"

He was informed that he would have to pay for all Government property he lost.

"Now," said the recruit, "I know why the captain always goes down with his ship!"

"Daddy and I won't be home tonight, Johnny," said the mother. "Do you want to sleep alone or with Nursie?"

Johnny deliberated and then asked, "What would you do, Daddy?"

ENOS MORENO HURLS C. S. J. PAST SAN FELIPE

Ace pitcher Enos Moreno and catcher Bob Garcia combined their talents to lead CLUB SAN JOAQUIN to a routine 4-2 victory over San Felipe, giving San Joaquin a 4-0 record for the 1962 U. C. C. League race. Only the Bachelors Club, winners of the UCC League championship a year ago, stand between CSJ and its 3rd First Half Championship in 4 years.

The CSJ-San Felipe game of July 1st lacked the exciting play of past CSJ-SF encounters. San Felipe pitcher Val (Barbula) Garcia walked five batters in the first two innings but CSJ was unable to capitalize on them. Later in the game, with two men on base, San Joaquin catcher Bob Garcia rapped a long double to right centerfield to score the first two runs.

Brilliant pitching by Enos Moreno had San Felipe batters waving at thin air all afternoon, disappointing the meager crowd who had come to see the big showdown. San Felipe has NEVER beaten San Joaquin when the chips are down.

San Jose Mayor Robert Welch and three friends, Cheno Plata, E. David Sierra and Gil Solarez are shown here after a caucus in which were discussed ways to make San Jose a better town in which to live.

ROBERT RODRIGUEZ:

First, congratulations on being named Vice Chairman of the American GI Forum, division of California. If anyone knows anything about vice, I'm sure that you do. No..... seriously, congratulations.

If the Roving Reporter gave you the straight poop on CLUB SAN JOAQUIN, please don't keep it to yourself. Others may be interested. I know for sure that Mr. Richard Gallardo, 116 Balboa Avenue, San Jose, Revered and Exalted Leader of all San Joaquin-dom would be very interested in getting the inside scoop on what is right and what is wrong with his club. We aren't that proud. We drink draft beer (sometimes hot!), Muscatel Wine, and our men frequent some of the shadiest bars in this area, chase after immoral women and have learned to laugh at each other as well as themselves. Like Paul Gary says, "Don't let anything but fear stop you!" When one criticizes an organization he leaves his own organization open for blasting also. You may fire when ready, Captain.

THE FAIREST OF THE FAIR

In the photo below is Erialinda Garcia, Club Zanzaree beauty, who played in the recent softball clash at Wilson School in Santa Clara between Club Zanzaree and Club Elite. Miss Garcia was the unanimous pick of the umpires, David Navarro and the other one, as the most gorgeous girl of the bunch. She isn't much of a softball player but then I bet Liz Taylor can't field a ground ball either.

The best ballplayers among the girls were Diane Barrera of Club Elite and Mary (?) of Zanzaree. We found out something about girls softball teams. When they disagree with an umpire's call, they don't throw a fit ala "Madman" Jess Medina, they just give you a dirty look which makes shivers run up and down your spine.

NEW C. S. J. HEAD- QUARTERS

Club San Joaquin members are now meeting at their new clubhouse at 135 Sunset Avenue, San Jose. We are now in a larger building and have more of the comforts of home, including a juke box and the club phonograph to furnish the excellent mariachi music to which we have become accustomed.

The new caucus room was donated by cortesia del Señor Eleazar Navarro. At this time we would like to thank Henry Plata for providing the club with its old meeting place for the past two years.
