

by the now measure success in terms of social service & what we as individuals may render to the community.⁴

* Instead of devoting our energies toward the selfish accumulation of material wealth we now direct these into channels leading toward community betterment.⁴

Common ground of sense imprisonment"
'Baishakurins' for a ^{to be} married couple
what are they??.

"We need a universal 'we' consciousness instead of a 'me' consciousness this overcomes the differences of race, color and national origin. The real secret of harmony lies in the change of one little in one word. Let 'me' become 'we'."

"The diligence, industry and harmonious cooperation" was amazing.

"The reputation of honesty and politeness was maintained by the evacuees."

"Able to continue education even under abnormal conditions"
