

Dear Michele Herros,

April 15, 1997

Unfortunately I was not ~~me~~ here the day you came and presented your poems. But I wish I had been. I read some of them from a book that one of my ~~classmates~~ bought. I really enjoyed the "superhero scan"! It was funny! I enjoyed them a lot! I've always liked reading poetry (I'm not good at writing it but I like to read it!) I really liked the way you express things. I hope that I will be able to meet you and hear you read some more of your poems!

Good luck with your career!

Sincerely,

Sonia Bermudez
