PANNONIA ATHLETIC CLUB of San Jose will meet REFORMA of Mexico City in the feature match on Saturday night, June 17th, 1961, at Spartan Stadium, San Jose.

A 6 P.M. preliminary will be played between the strong Sacramento All Stars and Italia Sport Club of this city.

The Mexican team will fly here via Aeronaves Mexicanas and will arrive in San Jose three days before the game.

REFORMA is bringing a squad of 18 players, considered some of the best in La Republica Mexicana. The team was organized in 1894, being the first soccer team in Mexico City. It wins championships like our New York Yankees in the American League. Reforma has fielded either league championship or cup championship teams in 1905, 1908, 1909, 1910, 1911, 1951, 1952, 1953, 1954, 1955, 1958, and the team is currently in FIRST PLACE in the Liga Interclubes de Football Soccer. In all of the aforementioned years, Reforma either won the league title or took the play-offs. Quite a record!

Their opponents, PANNONIA CLUB of San Jose, are a comparatively new team. Organized in 1956, the team is composed almost entirely of Hungarians. The Pannonia team finished 2nd in the 1961 Northern California league so this game pits two of the best teams in the U.S.A. and Mexico.

Playing a prominent part in Pannonia's success thus far has been George Spitz, center, who was a professional player in Europe with Yugoslavia Partisan before coming to the United States. In Europe he was considered one of the top soccer players on the continent and Pannonia is fortunate to have him available for this game against the Mexicans.

Dennis Lenert is another Pannonia standout. Len is rated one of the best amateur soccer players in the world today. He's Hungarian also and is currently employed as a waiter at the Del Monte Hotel in Monterey.

Deni Gyula, left inside, has played also with some of the best teams on the European continent. He has seen action in Germany, Yugoslavia, Hungary, Italy, Prague, and many of the top soccer stadiums of the world. Deni is new to the Bay Area, just having come here from Los Angeles. He is an accomplished concert violinist and wants a job in this area.

Coach of the Pannonia team is good-humored Frank Horvath, who played three years for his university in Hungary. Sandor Csimma, President of the club, has been in the U.S. for ten years and is a project engineer for Food Machinery Corporation.

Crowds of 100,000 and up are common in Europe and the South American countries.

The June 17th program at Spartan Stadium starts at 6 P.M. with the preliminary game. The feature match will follow. Good Luck, PANNONIA!

## *Maria de la Luz Sanchez*

La Comision Honorifica Mexicana de San Jose, Calif., tal y como cumple proceder a todo corazon bien nacido, patentiza su mas profundo agradecimiento a las distinguidas personalidades que tan amablemente le brindaron su cooperacion y su apoyo para hacer posible la presentacion de las Fiestas Patrias del 5 de Mayo presentadas en esta ciudad por la propia Comision Honorifica en esta ciudad el domingo 7 del mes en curso.

Por este año, un cumulo de adversidades, fracasos y trastornos de toda indole, por poco dan al traste con la idea de la patriota celebracion; año aciago por demas, ha sido para nosotros, los integrantes de la Comision, este revoltoso y problematico 1961, en el que hemos tenido que afrontar los mas serios y grandes problemas; con todo, nuestro espiritu no flaquea ni decae por un momento nuestro entusiasmo tan mal comprendido y tan mal estimulado por hacer que conserven en este gran pais, los Estados Unidos de Norte America, los recuerdos y las gloriosas tradiciones de la gran Patria Mexicana.

Unico ideal que perseguimos, unica meta que ambicionemos, motivo por el cual estamos y estaremos siempre en pie de lucha mientras latea en nuestro pecho el corazon que supieron formar nuestros padres al amor de las azañas memorables de nuestros heroes inmortales y que sabe inflamarse al solo nombre de MEXICO!

Un puñado de nobles y bien puestos corazones supieron brindarnos su apoyo, su ayuda o su compania, y de este modo se han granejado nuestro agradecimiento de todas veras deseamos que nuestra colonia comparta con nosotros este sentimiento de gratitud hacia nuestros bienhechores, y que patrocine a las casas comerciales que en alguna forma cooperaron con nosotros.

# Lou Molina meets Cisco Andrade

Tuesday, June 6th

SAN JOSE CIVIC AUD.

(Excentrico Portrait)

Larrupin' LOUIE MOLINA, the San Jose Destroyer, gets his chance-of-a-lifetime next Tuesday night when he battles colorful and hard hitting lightweight CISCO ANDRADE, the pride of Compton, California, in the main event of a scheduled ten rounder at San Jose Civic Auditorium.

Molina told us a year ago that a bout with Cisco was one fight he REALLY wanted. Now the match has been made, both fighters are in excellent shape and ready to give it hell in the ring. This is the fight that can make or break Molina's aspirations for national and international renown and no one knows it better than the grocery store manager from Grant Street.

Andrade goes into this fight with a decided edge in experience over the dynamite-fisted ex-Marine from the Garden City but it won't be the first time Molina has faced a foe with more experience and emerged triumphant. It's happened before and he's quietly confident that it might happen again.

The boys around town who profess to be boxing experts (we won't mention their names to spare them

by E. Dave Sierra

the embarrassments) cautioned me not to go overboard in praise of Molina's fistic talents prior to previous bouts with Wee Willie Morton and again before the clash with Orlando Zulueta, the classy Cuban. Both times Louie climbed between the ropes confident that he could whip a more experienced professional and *dicho y hecho!*

Zulueta became the first fighter ever to go the distance in a pro fightfest with Molina. Now, against Andrade, Molina again pits his dynamic fists against a more experienced adversary. To hear fight fans talk of the husky, good looking, serious, and confident grocer, Molina must hit like a mule with those explosive hands.

After the Zulueta fight, it is said that 'Bandit' Ben Medina, highly touted as one of the best fighters ever to come out of the Central San Joaquin Valley, went to Zulueta's dressing room and tried to get the dusky cloutier from the Caribbean to say that Molina didn't hit as hard as everyone said he did.

"No," Zulueta is quoted as saying, "He hit very, very hard."

There was talk of a Molina-Medina go last summer but it seems to have died down. Maybe the Bandit decided he better not mess around with Molina?

Back to Andrade and the business at hand: This guy has battled the best in the business, including Joe Brown, the lightweight champ. His fights with Ralph Dupas in New Orleans on January 1, 1957 and a real slugfest with controversial Art Aragon before 12,000 fans in Wrigley Field in Los Angeles, are fight classics.

Tickets for the bout are available at:

MOLINA'S MARKET  
340 Grant Street  
San Jose, California

## IT IS A FACT!

Doctor Raymond Garcia Nutterbart, who has astounded the historians of our time with his facetious discoveries, is rewriting the history books. Doctor Nut is presently lecturing at Agnews State Hospital. The topic of his speech last week was, HOW CLUB SAN FELIPE LOST THE BATTLE OF THE ALAMO, and his topic for this week is, HOW GEORGE WASHINGTON DISCOVERED AMERICA.

## PREDICTIONS!!!!

Cesar Isaia is going to ask Shirley Perez to Club San Felipe's Formal but he will be turned down flat..... Jess is back in town.

Ever wonder how clairvoyant Dave Sierra does it?

Predict things to come in El Ex, that is. He reads all the columns as soon as they are turned in, then writes his accordingly.

You slipped, nevertheless, Sierra----- we did not apologize to Club Elite but to Connie Rodriguez, and we do not kissee-kissee with them either, but YOU know what you can come and kissee-kissee.

## SPORTS!!

Club San Joaquin found Club Bachelors too tough to beat fair and square, and they had to go back to their old tricks. The San Joaquin baseballers beat Club Bachelors 3-2 Sunday May 21, but there was some shady goings on involved, and their victory was short lived.

Their glee-ful faces were changed to a Dave Sierra Mug when the UCC league commissioner awarded the victory to the Bachelors instead. Club San Joaquin, needing extra help, had some illegal players in their line-up.

Club Senors, trying to pull a San Joaquin Special, suffered the same fate.

Their victory over Club San Felipe went down the drain, as Club S.F. picked it up by default. They also had to turn to outside help to down S.F. 6-3. They'll never learn.

Club San Felipe will have a stand at the San Joaquin Jamaica and will supply a greased hog catcher entry. The club will vote on whom they want as their hog catcher, and up to now it has been a nip-n-tuck battle between Eddie Valdez and Tony Guillen although the votes are shifting two to one in favor of 'Patito.'

## IT'S COMING

Club San Felipe's Anniversary Formal Dance is almost here (July 14) and club members are already working hard to surpass the smashing success of last year's dance.

CHICO OCHOA has been signed up. The dance bids are being made, and they will be on sale very soon. Stay tuned for further information.

## GI FORUM

Robert V.  
Rodriguez

Last year the American GI Forum of Santa Clara County awarded a \$200.00 scholarship to Dolores Garcia who is now attending San Jose State College. This year with the help of the Ladies Auxiliary the effort has been doubled and two \$200 scholarships have been awarded.

The recipients are JOHN GUTIERREZ of San Jose High and LUPE GARCIA of James Lick High.

Applications for the GI Forum scholarships were requested from five school districts representing fifteen high schools. The American GI Forum has set certain standards that have to be met before a student can apply. Scholastically the students must have

EUSEVIO 'Ike' HERNANDEZ

Ike took over the Chairmanship of the American GI Forum of Santa Clara County from Ernest Vazquez who distinguished himself as our past chairman. Ike quickly established himself as a leader that gets things done.

Ike attended the University of Denver and received his degree in Police Science at the San Jose State College Police School.

He is with the San Jose Police Department.

Ike is married and has two children. He is a charter member of our local chapter, past treasurer and served during the Korean Conflict as an aerial gunner flying 50 combat missions.

EDWARD CAMUNEZ

Ed is generally known to the GI Forumers as 'Mr. Scholarship' for he has developed our scholarship program from scratch.

Ed is a warehouseman for Libby's in Sunnyvale and a member of the Executive Board of Cannery Workers Union AFL Local 679.

He is married and has two children. During World War II Ed served in the Medical Corps and the 75th Infantry Division.

He is a charter member of our GI Forum chapter and past recording and correspondence Secretary.

Ed says, "I am proud to be a member of the American GI Forum for it is a national organization devoted to furthering the Mexican-American and it is getting things done."

attained a "B" average or better. The extra curricular activities are taken into consideration and they definitely must need financial assistance to further their education.

This year several students applied for the GI Forum scholarships. Unfortunately we don't have the funds to award each one with a scholarship. The two top students were selected by the GI Forum Scholarship Committee with the aid of a faculty advisor.

Dona Villareal of Los Gatos High; Dianna Jean Garcia of Buchser High; Maria de Jesus Reyes of Cupertino High; Raul Morgia of James Lick High were also considered for the scholarships. We only wish that we could have awarded scholarships to these fine students also.

There is much work connected with setting up a scholarship program and nobody knows this better than Edward Camunez, Chairman of the GI Forum Scholarship Committee. The members of his committee are Fred Vazquez, Louis Mosqueda, Ralph Aldama, Ted Cazarez and Ernest Vasquez.

For the Ladies Auxiliary Mrs. William Lopez is the Committee Chairman and she was aided by Mrs. Dan Campos. The Ladies Auxiliary contributed financially for these scholarships.

To the people who have attended the fund raising events of the Forum and Auxiliary our sincerest thanks for you have made it possible for us to award these scholarships.

While the GI Forum and Ladies Auxiliary work on other projects of benefit to the community the scholarships are at the top of the list for we believe that the education of our youth, especially those in financial need who otherwise might not be able to further their education, will improve our citizenry and develop leaders that will further the Mexican-American community politically, socially and economically.

We hope to expand the amount and size of the scholarships. Your contribution to the GI Forum scholarship fund will enable us to do this. The education of our youth is a matter that concerns all of us and deserves our prime consideration.

Please mail your contributions no matter how small to:

GI FORUM SCHOLARSHIP FUND  
EDWARD CAMUNEZ, Chairman  
4108 Will Rogers Drive  
San Jose, California

If you wish to make a pledge for next years scholarships you may call Ed Camunez at CH 3-4452.

The motto of the American GI Forum sums it all up,

"EDUCATION IS OUR FREEDOM AND FREEDOM SHOULD BE EVERYBODY'S BUSINESS"

#### SCHOLARSHIP WINNERS

Miss LUPE GARCIA, James Lick High  
JOHN GUTIERREZ, San Jose High

Lupe Garcia is a charming 17 year old with an engaging smile who makes friends easy. She reflects an alertness and intelligence that enhances her personality.

At James Lick High, Lupe has maintained a B scholastic average which places her in the top 10%

Lupe Garcia, center, is awarded a \$200 scholarship by Mrs. Louis Mosqueda, left, Chairman of the Ladies Auxiliary and Mrs. William Lopez, right, chairman of the Scholarship Committee.

of her class of more than 350. The faculty considers this to be a solid achievement, worthy of recognition in any group of students being considered for honors.

Lupe is the daughter of Mr. & Mrs. Augustine Garcia residing at 14501 Buckner Drive, San Jose. Mr. Garcia is a gardener for the S.J. Unified School District. The Garcia's have raised a large family.

Lupe works after school and weekends at a Dairy Belle Drive-In and her employer says that she is considered one of the best employees.

Algebra, Geometry, Chemistry and Latin are some of the courses Lupe has taken in preparation for college and her ambition is to become an elementary school teacher.

Bernice Blaettler, the Assistant Principal at James Lick states, "We are proud of Lupe Garcia, she is the epitome of all the best that her nationality represents."

"Although studying and working after school sometimes makes me feel run down, I have not given up my ambition for teaching and never will" Lupe says. "And I plan to attend San Jose State and earn my teaching credential there."

Among her school activities Lupe belongs to the Demoiselle Club, The Future Teachers of America, the Junior Statesman and Speech Arts Club. She also managed to be the school photographer and Vice-chairman of the March of Dimes Drive, and serves as a Senator in the student government.

It is a personal achievement for this young girl to be so active in school, work and maintain a B average. Our utmost admiration goes to Mr. & Mrs. Garcia.

To this young girl who has set an example of what young womanhood should be, for her tremendous drive and scholastic achievements the American GI Forum and its Ladies Auxiliary proudly awards her a \$200 Scholarship.

JOHN GUTIERREZ is a sensitive boy with a warm personality, lean of stature but agile of mind.

He stands and walks proud and you get the feeling that he could master any situation.

During his three years at San Jose High he attained an A-scholastic average tackling such courses as Algebra, Trigonometry, Solid Geometry, Chemistry and Physics in preparation for college and his goal of becoming a Research Engineer. John has set his sights on working for IBM or Lockheed after he earns an Engineering Degree at the San Jose State College of Engineering.

"A college education will be expensive," John says, "my father has three other dependents to support, therefore, the financing of my education will rest entirely upon me."

John resides with his parents Mr. & Mrs. Steve Gutierrez at 848 Palm St., San Jose. John has four sisters and seven brothers, most of which are married but none were able to receive a higher education.

Mr. Gutierrez is a construction laborer and recently has been unemployed.

John has worked after school doing yard work, has been a delivery boy and in the summer heads for the fields to help himself and his family.

By budgeting his time he has been quite active in

(continued next page)

sports and student body activities. He belongs to the Excalibur Club, a student service organization, the Science Club and is a member of the Student Court.

Miss Eleanor E. Enrione, John's Spanish teacher says, "John is a fine student and a credit to his nationality and to our school, he definitely is college material." Many other teachers have expressed their utmost confidence in him.

John is finishing with the top of his class. He has a seriousness of purpose and determined ambitions which leave no doubt that he will succeed.

May we say to Mr. & Mrs. Gutierrez that John exemplifies the ultimate in our youth and your encouragement, sacrifices and guidance have been well rewarded.

The American GI Forum of Santa Clara County and its Auxiliary congratulates John Gutierrez and proudly awards him a \$200 Scholarship.

John Gutierrez, center, is presented with \$200 scholarship by Ike Hernandez, left, Chairman of the GI Forum and Ed Camunez, right, Chairman of the GI Forum Scholarship Committee.

### MEXICAN-AMERICAN WINS CITY TOURNEY!

The Mexican-American bowler has finally arrived. It took a long time but Don Carrillo of 1499 Mt. Palomar Drive in East San Jose has walked away with the San Jose Bowling Association's Class C Tournament Championship for which he will be awarded a trophy as well as money. His luck did not hold out as he had to settle for 2nd place in the All-Events category in which he had a handicap series totalling 1924 pins. Don, a 149 average bowler, who bowls with the Local 507 Painters Union team at the Jose Bowl, had rolled only two series over 500 when he started his singles games. Then was when he found the range and put together games of 215, 190 and another 215 for a total of 620, along with his 102 pins handicap.

His winning total was 722. Congratulations!

Over in the Class B division, Victor Rodriguez, bowler of the Jose Rodriguez Orchestra, also finished in fine style as he put together games of 227 and 213, ending up with a handicap total of 683 which was good for 6th place.

Incidentally both men will bowl in the Mexican-American Singles & Doubles Tournament now being held at Ann Darling Bowl. The tournament is picking up speed and it is hoped that it will be a great success. Last bowling in this tournament will be held on the 10 and 11 of June and the signup deadline has been extended. All interested bowlers please pick up entry blanks at Ann Darling Bowl.

The Mexican-American League shows that the Bachelors Club is at present leading the league. Lou Coca, Secretary reports that High game for the boys is held by Jess Chavez who rolled a 223 game, followed by Hank Paramo with a 201 and Oscar Vazquez with a 200.

High series is also held by Jess with a 529, Oscar with a 506 and Rick Vigil with a 497. High game for the girls is held by Pauline Perez who has a 166, Monica Vigil who has a 149. In the series Pauline leads with a 394.

In the 825 Scratch League at Ann Darling, Jess Ortega is still burning the lanes as he went in with a 197 average for six games and rolled games of 205, 151 and 200 for a 561 series.

San Jose Refrigeration dropped Lawrence Barber Shop from 1st place and took over that position as they rolled games of 806, 871 and 903 featuring Lalo Ruiz 206 game.

Other high games were rolled by Max Rodriguez who had a 229 game and Armando Rosales who ended up with a 210 game.

### TIP OF THE WEEK:

Beginners in bowling are neglecting what is called bowling courtesy. What this means is that if a person is ready to bowl on either side of where you are to bowl, you should wait until he has delivered the ball. Only then should you walk up and get your ball. This is not a rule, but you will find it being used all over.

Also, doing this will better your bowling, as well as the other person's bowling.

## CONCERNING C. S. O.

*Louis Zarate*

Throughout many years we have read the local papers and have found that much has been said about the East Side and the voter. You will recall that CSO has been involved with certain parties in the matter of challenging at the polls. What this means is that certain people take it upon themselves to ask people who go to vote if they can read the constitution. What in effect happens is that these people are frightened and will not vote. Many of these people are voting for the first time and certainly do not want to meet someone at the polling place to ask them if they can read the constitution.

Again, what happens is that many people who hear of this will not appear at the polling place even if they are registered to vote. What we have found to a certain extent is that those areas where there is a concentration of Spanish-speaking people is where the challenges might occur or where people will say they will go to challenge.

This year we have introduced legislation which will put an end to this type of activity. The Attorney General has stated that if a person is registered, this in effect indicates that he can read the constitution. This means that he can read the constitution since he has legally registered to vote. We are happy to report that this will no longer occur under the provisions of CSO introduced legislation. The law will become effective soon that will provide that the people are not to be challenged at the polls.

Another bill which CSO has worked with has to do with the deputizing of Voter Registrars. In some parts of the State, the CSO was not able to get registrars to go out into the 'barrios' or the 'colonias' or to the churches in order to register the people. We have met with much resistance.

This new bill, which if passed will become law will provide that if a number of persons indicate that registrars are needed to gain full citizenship participation in voting, then the registrar must provide the registrars.

We are happy to report that locally this has not been a problem. We have received the full cooperation of the Registrar of Voters, Mr. Eber Tarelton. Each year that we go into his office we are well received. Each year he provides CSO with Registrar who can then go to the churches, supermarkets and other locations. We in Santa Clara County are indeed fortunate to have such wonderful cooperation.

Sometimes recognition is given to Organization by the Senate and Assembly of the

State of California for work which is outstanding in the Community. The CSO was so honored on May 10, 1961. The resolution was introduced by Assemblymen Elliott, Munnell, Hawkins, Mills and George Brown.

It is a resolution commending CSO and adopted unanimously. It is house resolution Number #252 and reads as follows:

WHEREAS,

It has come to the attention of the Assembly of the State of California that there exist in many communities of California chapters of the Community Service Organization, which through constructive civic action has promoted the harmonious integration of the Spanish-speaking people into all areas of community life through education and youth welfare programs and the development of responsible leadership; and

WHEREAS,

The COMMUNITY SERVICE ORGANIZATION has proven itself to be an inspiration to Americans of Spanish and Mexican heritage by devotion of democratic principles of government as evidenced by nonpartisan efforts to register voters; citizenship classes to assist in the naturalization of the foreign born; cooperation with health, educational, and recreational agencies to improve the community; and

WHEREAS,

This meritorious program has been beneficial to the people of the State of California in helping to better integrate the Spanish speaking people of California into community life and has been implemented only after careful planning and self-sacrifice of those interested in this most worthy project; now, therefore be it

**RESOLVED BY THE ASSEMBLY OF THE STATE OF CALIFORNIA**, that the Community Service Organization be commended for the worthy assistance it has given to the many residents of our State of Spanish or Mexican heritage and particularly for the fine example that this organization has established as a guide to the foreign born and to the youth in devotion to our basic American principles; and be it further

**RESOLVED**,

That the Chief Clerk of the Assembly is directed to transmit a suitable prepared copy of this Resolution to the President of the Community Service Organization of the State of California.

Resolution read, as amended, and adopted unanimously.
