Miss Julia Morgan, Architect,
Merchants Exchange Building,
San Francisco, Cal.

Dear Miss Morgan:-

I enclose a statement marked "A" of the lots contained
in my fifth carload shipment, which are marked for San Simeon or San Luis
Obispo.

I also enclose list marked "B" of the articles in the same
car, which are marked for Pleasanton, as it is possible that Mr. Hearst
may wish to use some of these things at San Simeon instead of storing them
at the Hacienda.

Sincerely,

Lyons
