Dearest Patricia:

I have reserved two single person units at the "Holiday Inn of Palm Springs" for the period of March April 3, 4, 5, & 6 for us. The "Tropics Motor Hotel" that appealed through the ads in the Triple A tour book and four other top notch motels were already registered full. However the "Holiday Inn" is listed in the tour book as "Excellent" which is the best rating given to any motel or hotel. The reservation is for the second floor and the place has all the facilities that the others have, so I guess we can't go wrong on it. Anyway it appears that we are lucky to get into any good motel at Palm Springs. Thought you might like to know.

Galler was much the best today of the three times I have heard him. See you tomorrow (Wed.) at 7:30 unless you request otherwise and all dolled up! Love Carl.
