

OFFICE OF
WILLIAM RANDOLPH HEARST
LA CUESTA ENCANTADA
SAN SIMEON, CALIFORNIA

September 3, 1929.

Dear Miss Morgan :

Will you please have carefully packed and shipped to Miss Head for use in the great hall of Bradenstoke at St. Donat's Castle, the big English mantel which we could not use here at the ranch.

You will remember -- it is the one which we had up in the refectory and took down to put up the French mantel; it is 14 feet wide and about 10 feet tall.

Sincerely,

W R Hearst
