Date: February 14, 1962

To: Administrators and Department Heads

From: Jerald Holley, Registrar

Subject: Internal Statistical Report, Winter Quarter 1961-62

Attached for your information and use is the Internal Statistical Report for the Winter Quarter 1961-62. The census date for this report was January 19, 1962.

This report consists of:

- Table I A total enrollment summary by department, division, enrollment type (regular or limited) and class level (regular students only);
- Table II A total enrollment summary for men students;
- Table III A total enrollment summary for women students;
- Table IV An enrollment summary of 2-year Technical Students;
- Table V An enrollment status summary giving a breakdown of first-time and transfer students, and former students by class level and enrollment type;
- Table VI A summary of course hours taken by students, showing full-time equivalent students (FTE) and enrollment type of Engineering, Applied Arts and Applied Sciences Divisions; including the average unit load of regular students;
- Table VII A summary of course hours taken by students, showing full-time equivalent students (FTE) and enrollment type of the Agriculture Division, including the average unit load of regular students;
- Table VIII A gross enrollment report showing total enrollment through the first three weeks and net enrollment as of the census date, giving a breakdown by class level and enrollment type.
- Note: Wherever "No Major" students are listed (as on the bottom of the first table), this indicates graduate students not seeking a degree or a credential.
