

WOMEN'S POLITICAL APPOINTMENT COALITION OF VENTURA COUNTY

2/2/94 6:30 p.m. Oxnard Library Meeting Room

Present: Celeste Weingardt, Roma Armbrust, Marci Curren, Virginia Rogalsky

Roma reported that three appointments have been made.

Lori Anderson - Council to Promote Self-Esteem (possibly defunct)

Doris Lance - Ports and Harbor Commission

Kathy Matthews - Medical Emergency Board

Roma also reported that Maggie Kildee wishes the Council on Economic Vitality to be expanded. This would give opportunity to many of our talent bank applicants. Celeste will verify this with Kathy Long and notify the other monitors.

Celeste suggested that instead of monitors taking cities, that they take a supervisorial district and the cities within that district. This was agreed to by everyone present.

District 1	Roma Armbrust
2	Marci Curren
3	Virginia Rogalsky
4	Bonnie Warrington
5	Roma Armbrust

Celeste offered to redo the talent bank forms using the refined categories.

Marci presented her work on the data base. It is wonderful to have this done with the information readily accessible. Bravo Marci!

In an effort to bring in new applicants, Virginia will prepare a newsletter article to be submitted to the newsletters of our coalition groups as well as NOW, the Women Attorney's Organization, and the Professional Women's Network.

The article has appeared in some newsletters and we have gotten some response.

WHP ~~Denise Aiani of CLU would like to set up a for-credit course for teachers and would like our help in doing so. Denise's phone is 492-2411, 493-3130.~~
