Dear Councilmember Shelley:

The Ventura County Commission for Women wishes to thank you for your participation in the program for our women's history luncheon on February 21 in Ventura.

We appreciate very much the City of Ojai's proclamation designating March 1987 as Women's History Month and appreciate also your personal presentation of that proclamation.

We are delighted with the success of our first women's history luncheon and look forward to its becoming an annual event. Thank you for sharing this first one with us.

Sincerely,
