

*2/11*

February 11, 1926.

Mr. William Randolph Hearst,  
The Ambassador,  
Los Angeles, California.

Dear Mr. Hearst:

The main cost of the chicken houses lies in the two "residence" sections. These being really two very nice little houses - and taking nearly two thirds of the cost of the layout.

I will make a development sketch of the canyon with the large pool you suggest.

Yours very truly,

JM-deM
