**ELAN 1982**

An aerial photograph of a university campus. A large, multi-story building with a grid-like facade is the central focus. To its left is a courtyard area with a paved walkway and some greenery. In the foreground, a wide staircase leads up towards the building. Several people are visible walking on the paths and stairs. The background shows more campus buildings and trees.

# PRESIDENT'S ADDRESS

Dear Graduate:

1982 is a very special year for the University. This is the 25th Anniversary of Cal State University, Hayward, a year in which we reflect on the past, celebrate our achievements and look forward to new challenges in the future.

It is also a special year for the Senior Class. Graduation from the University marks an important point in your lives; it is a time when you also will reflect on the experiences you shared together, celebrate the attainment of a significant goal, and anticipate new challenges among different people and changing circumstances.

You may be confident that the same vision, dedication and talent enabled you to attain your educational goals will also lead to productive and successful careers in society.

I offer you my personal congratulations. The best wishes of the entire campus community go with you.

Sincerely,

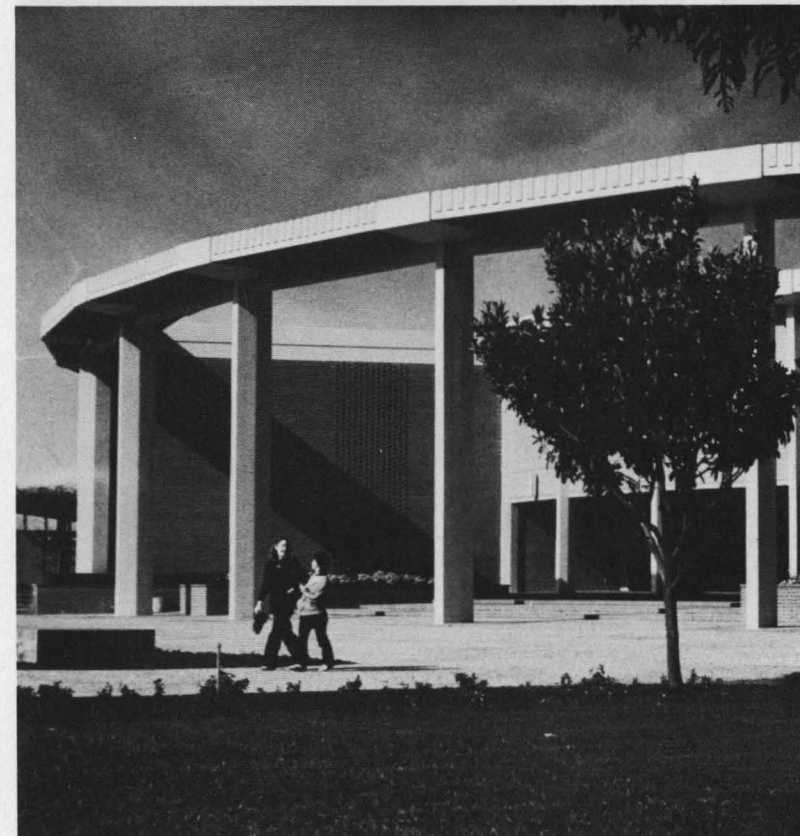

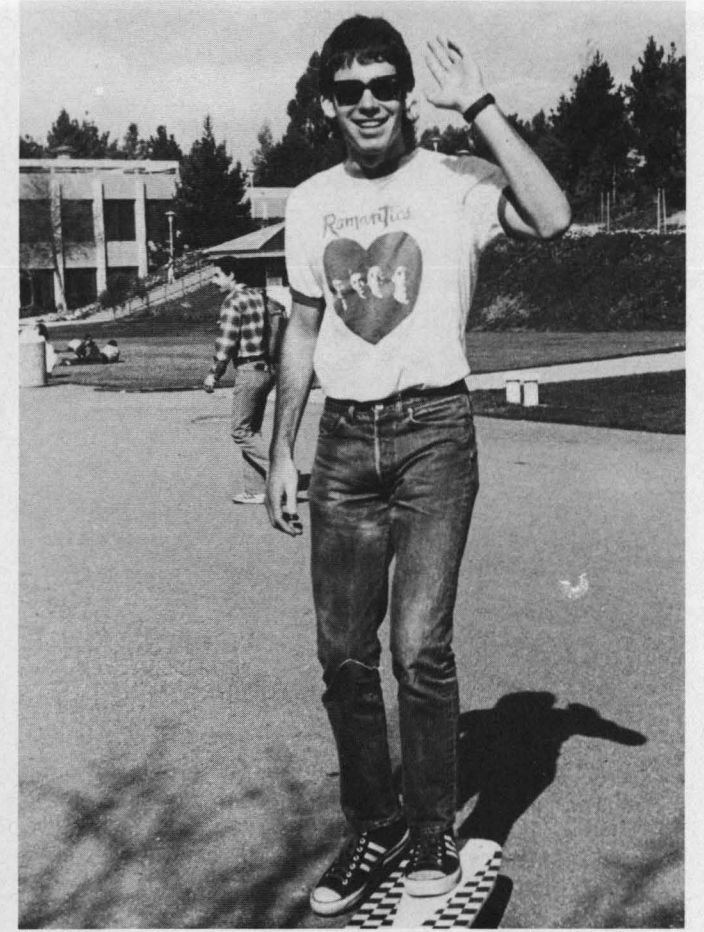

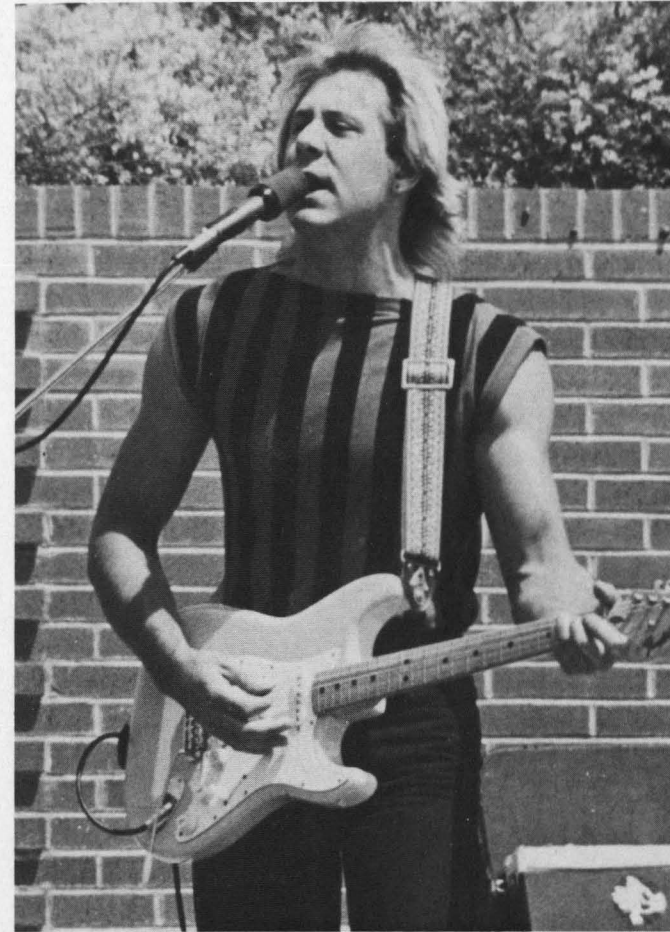

*Ellis E. McCune*

Ellis E. McCune  
President

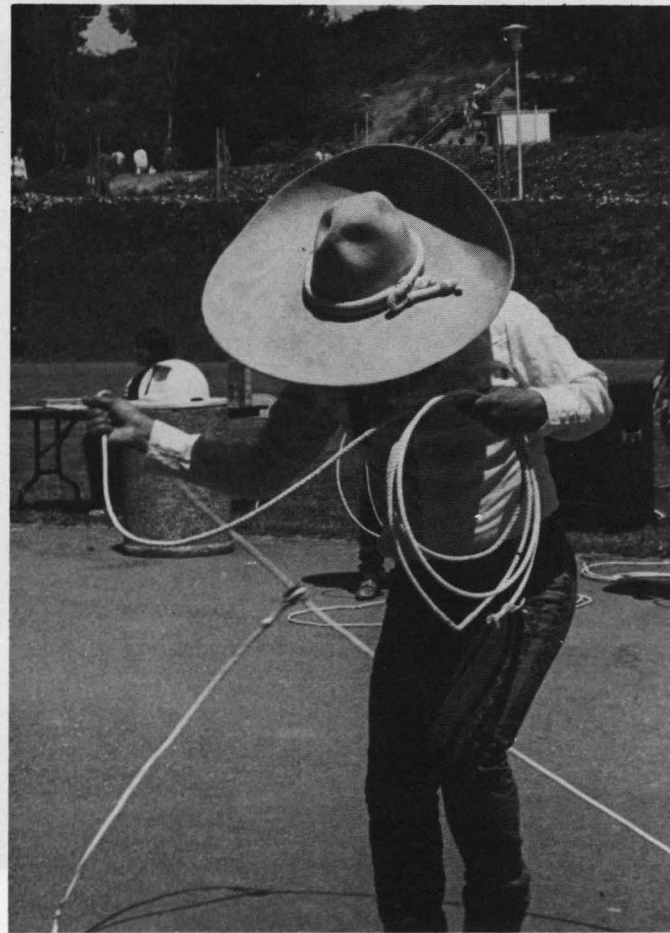

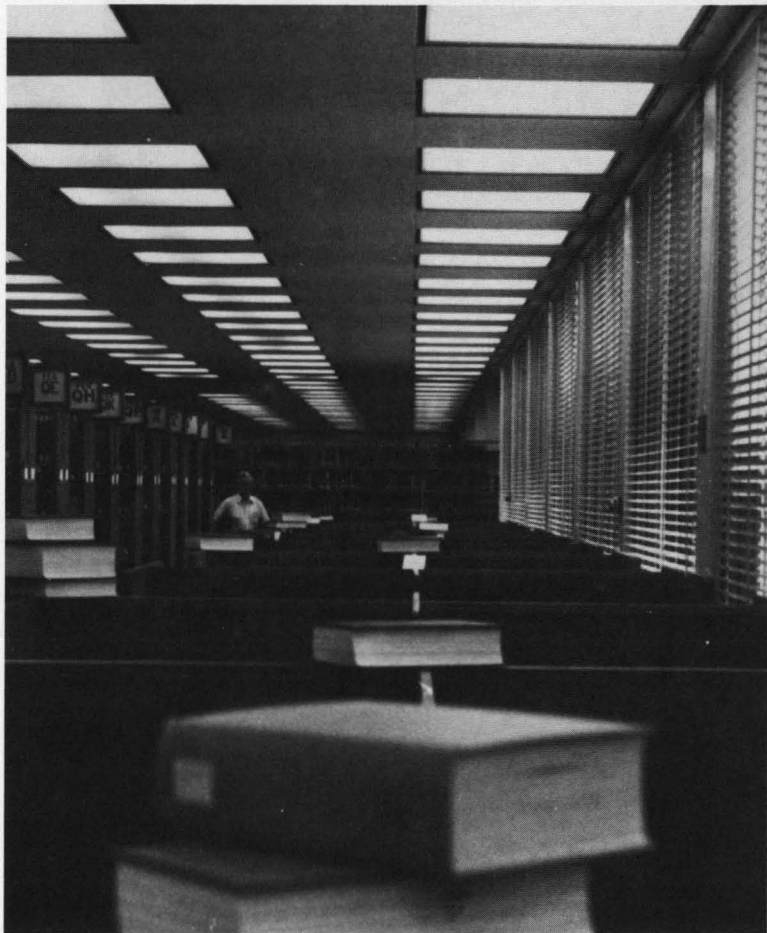

I decided long ago

Never to  
walk in  
anyone's  
shadow

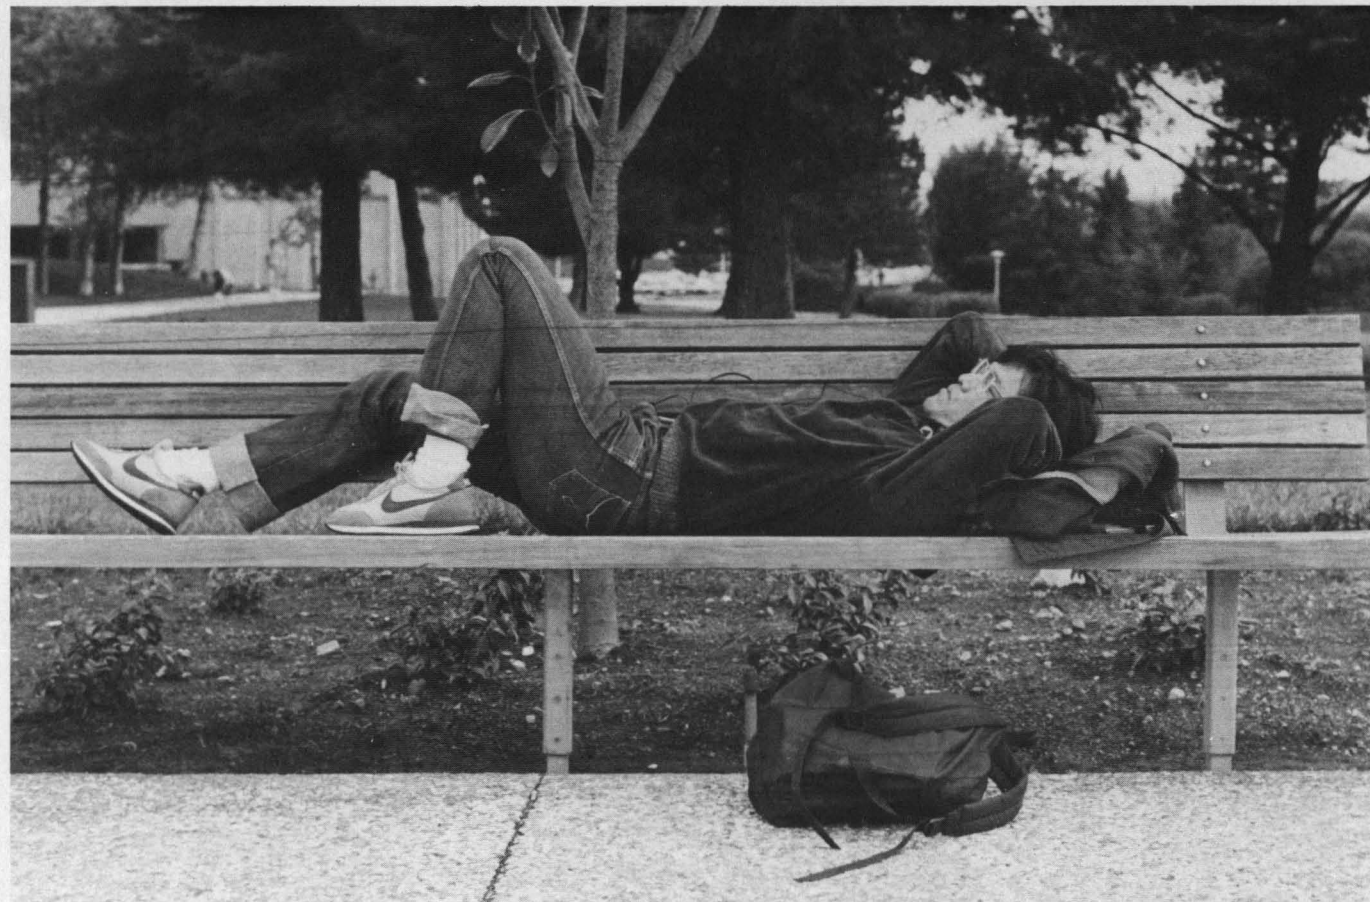

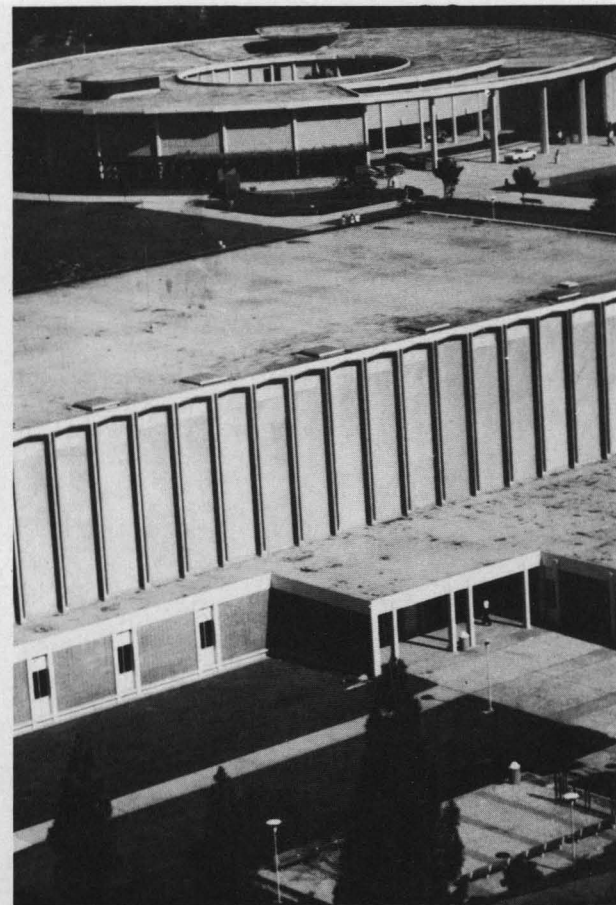

If I fail,  
If I succeed

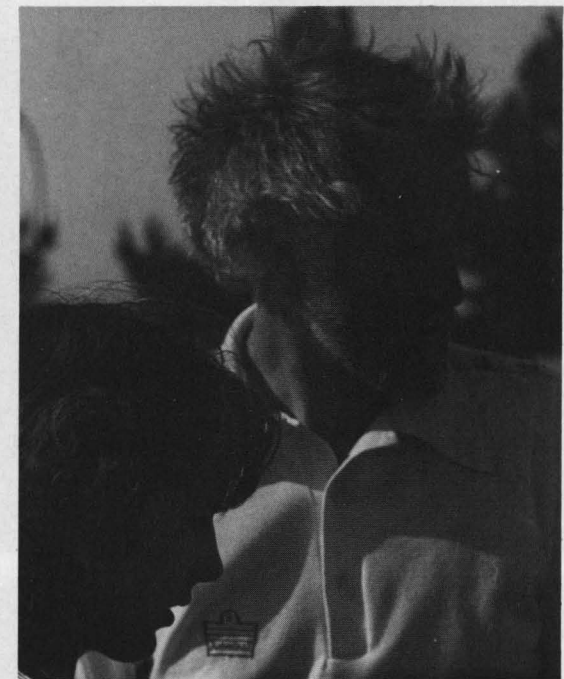

At least  
I'll live as  
I believe

No matter what

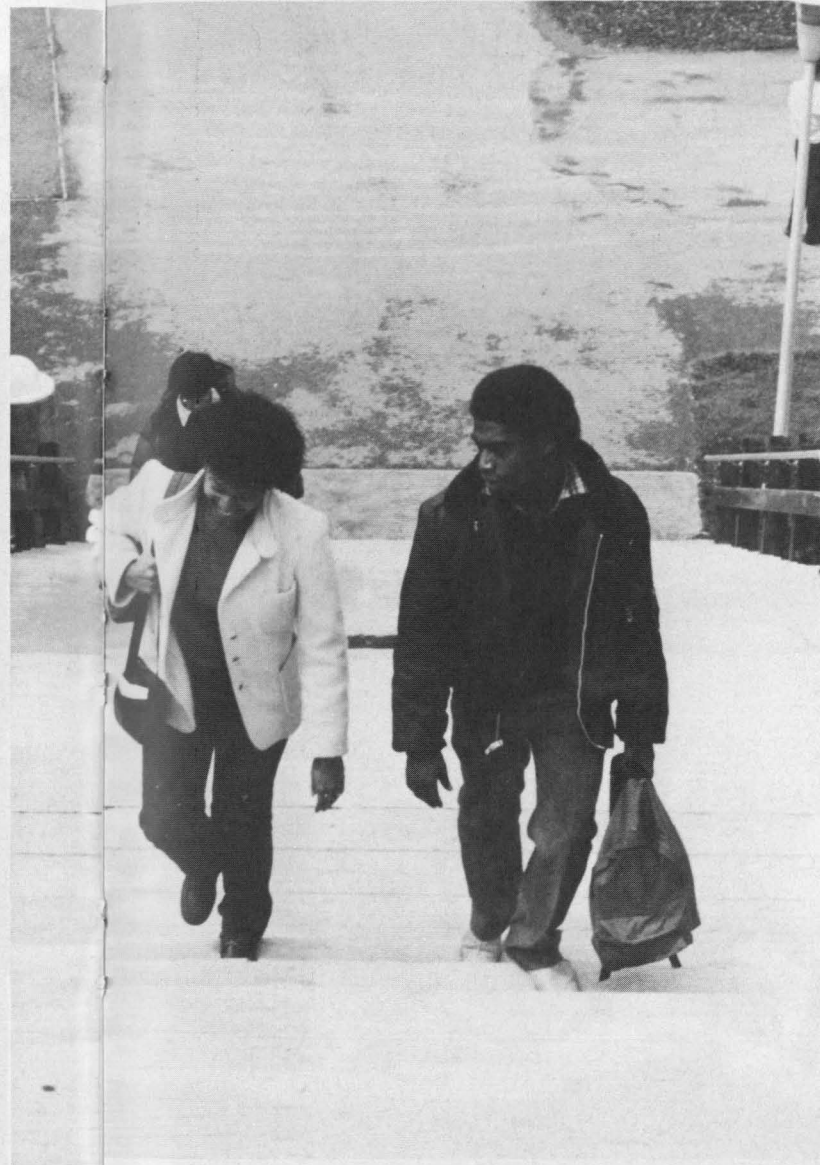

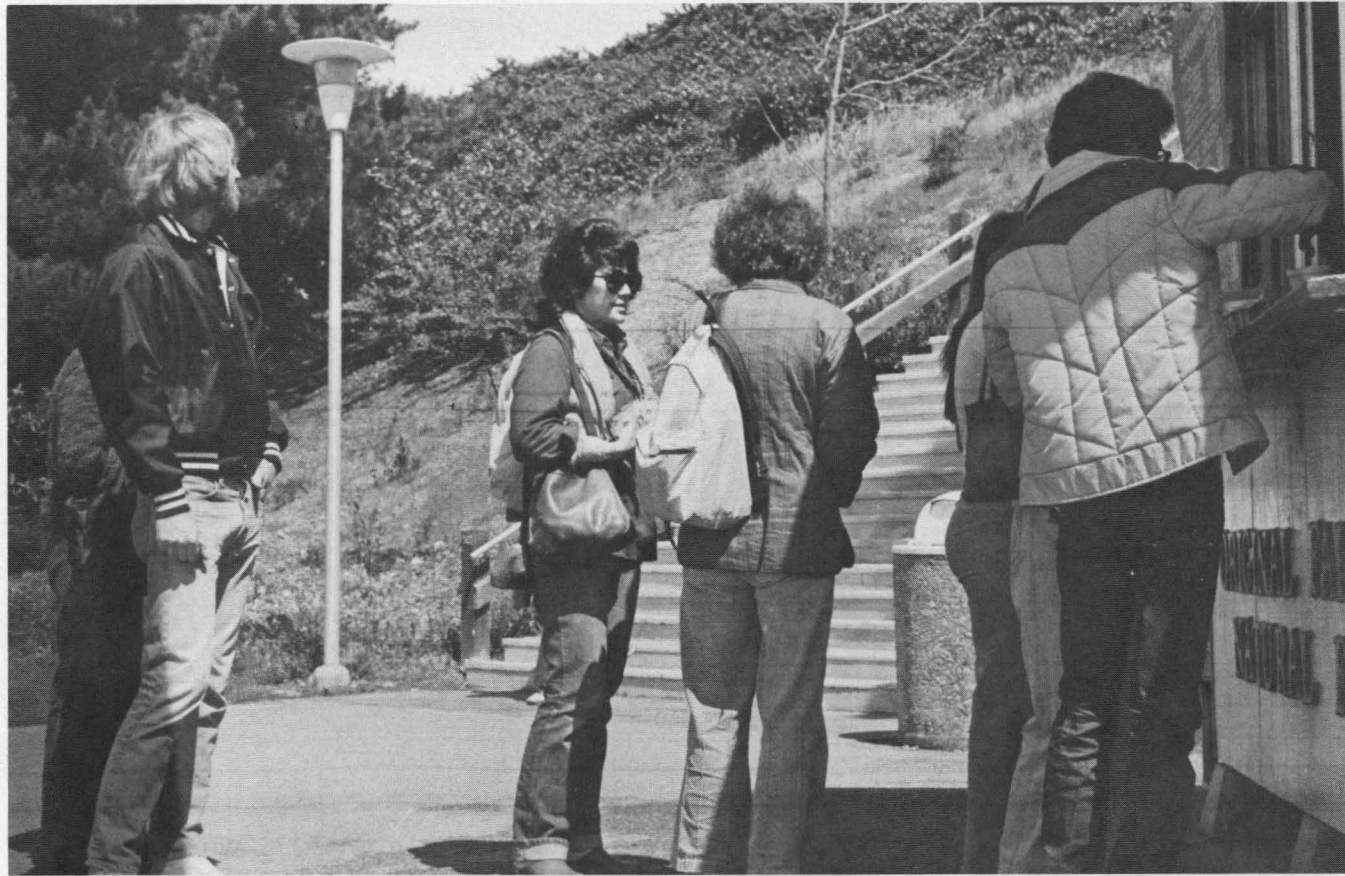

they take  
from me

They can't take away

my dignity.

# ACTIVITIES

# GREG KIHN ARRIVES!

The Greg Kihn Band rocked Cal State on March 19. They played to a nearly packed gym full of both students and fans.

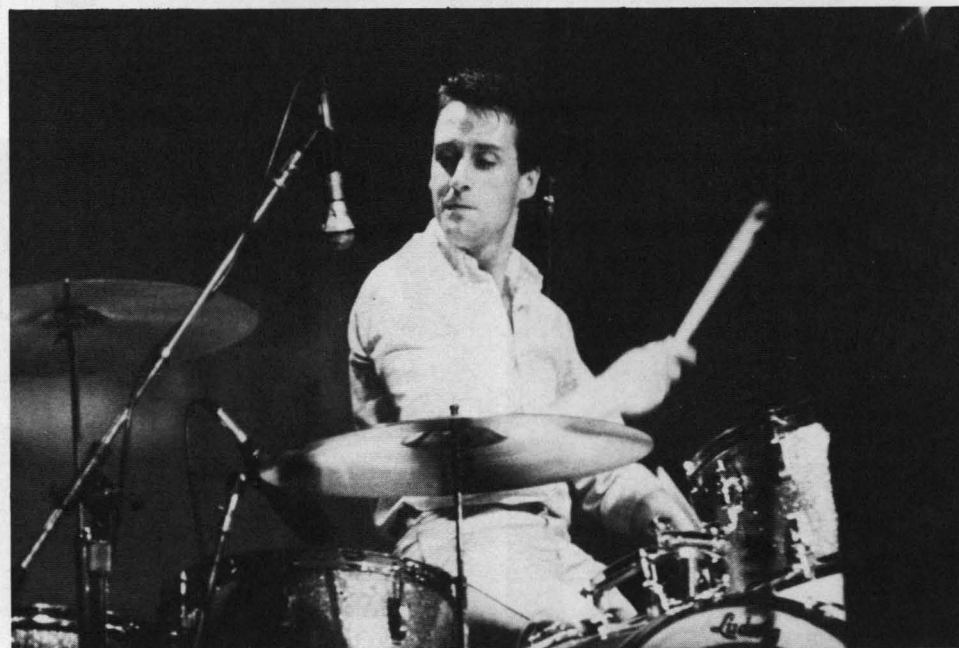

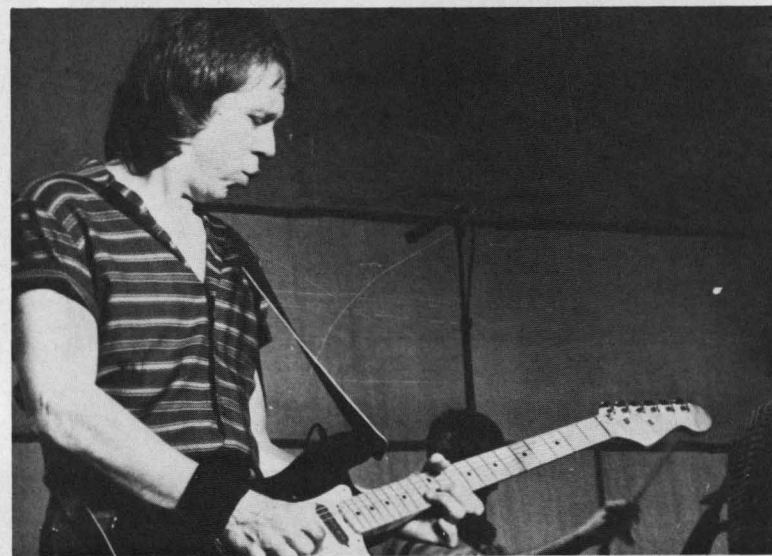

KSFX and Chester Farrow promoted the show, which had another local band, SVT, as second bill.

The headliners of the evening, the Greg Kihn Band, performed a highly polished set of new and old material.

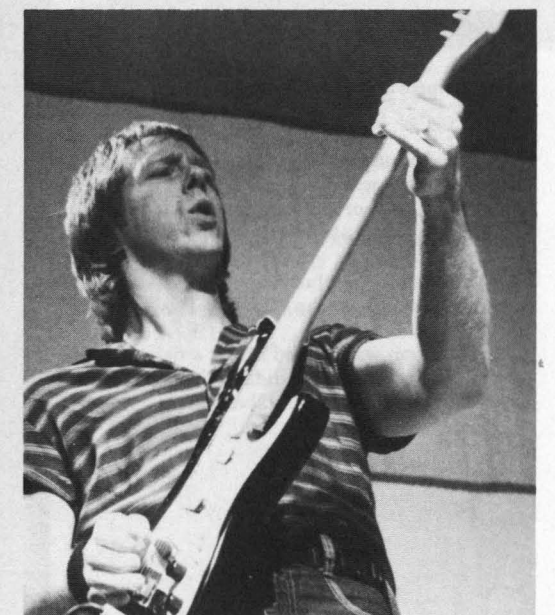

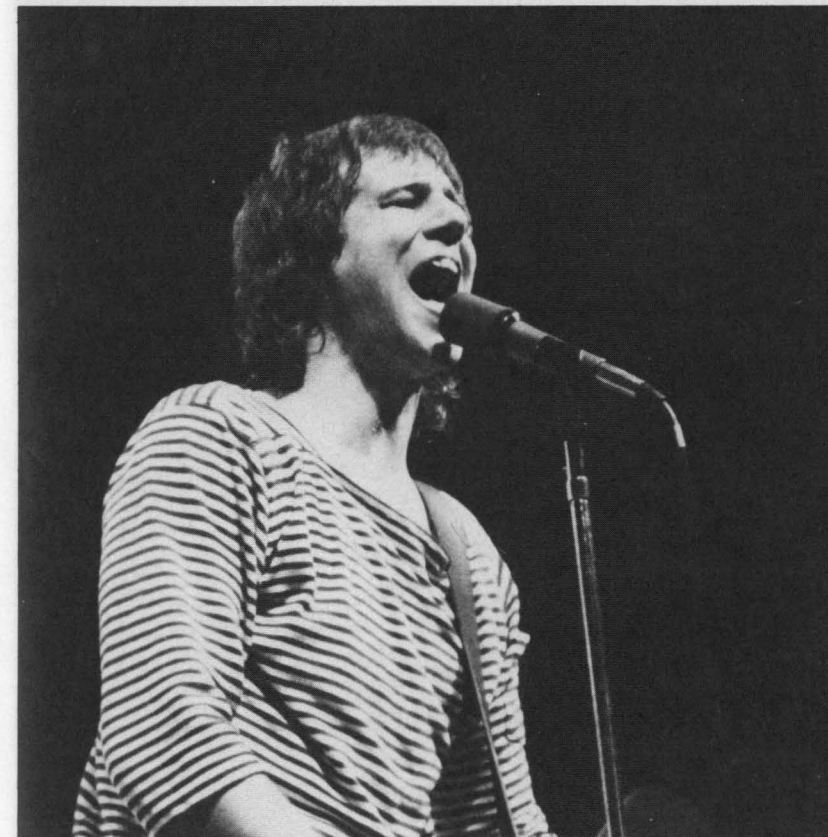

At the end of the set, Kihn and the band left the stage only to be cheered back for one more song.

There hasn't been a concert at Cal State since 1969. Perhaps the success of the Greg Kihn concert will result in more live performances.

Greg Kihn relates a song to the audience (top). Lead guitarist Dave Carpenter solos during "The Breakup Song" (center). Larry Lynch keeps his sticks flying (bottom).

With dangling cigarette, Gary Philips works intently on the synthesizer (above). Kihn belts out another line of "Cant Stop" (left). Dave Carpenter builds strong chords during another Kihn original (below).

# DAY OF EVENTS

April 27 proved to be an eventful day at Cal State.

Associated Students President Brian Anjo decided to have a Dog Feed in order to give students the opportunity to learn more about student government.

As students ate free hot dogs, they basked in the sun listening to the music of Push.

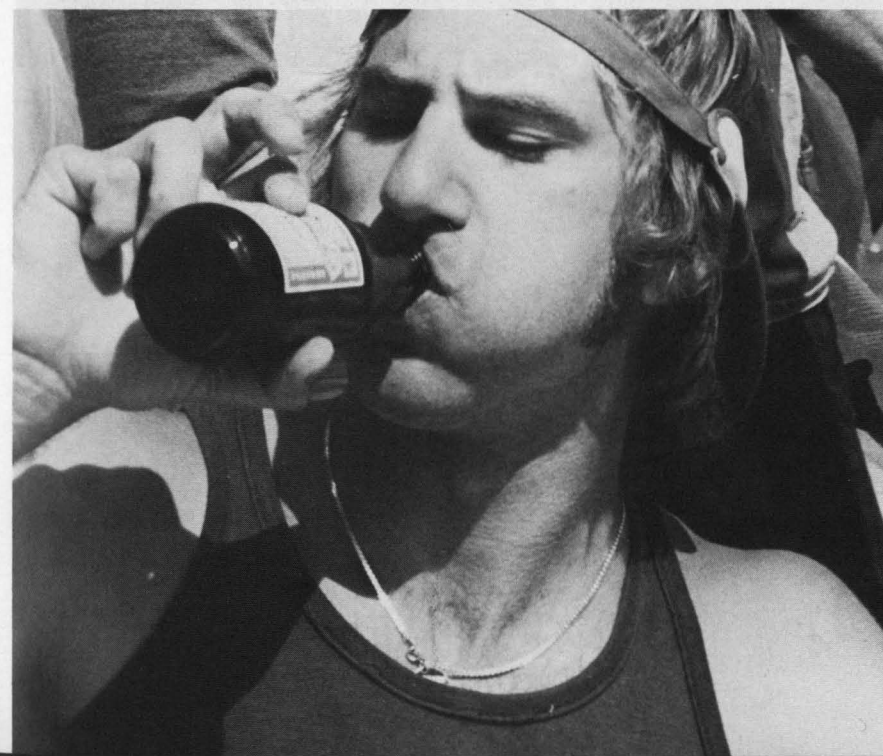

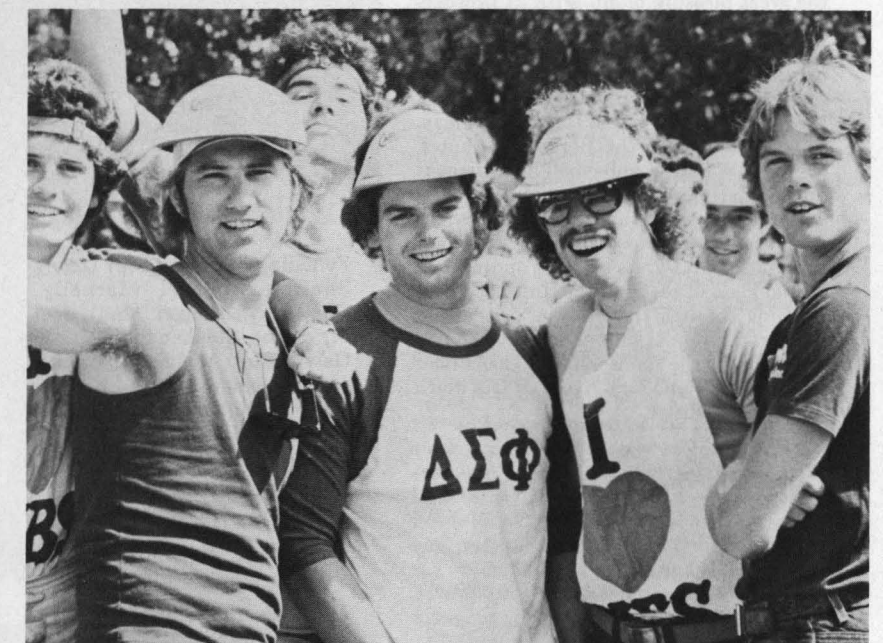

The afternoon was topped off by a debate between AS president candidates Robert Dye, Steve Healy and James Malveaux.

## EAT-A-THON

One of Cal State's three fraternities, Delta Sigma Phi, entered Carlos Murphy's Greek Eat-a-Thon, a fundraiser for the Children's Hospital Branches, Inc. in which over 30 frats participated.

Cal State's chapter was the only chapter not from Berkeley, so the five Haywardites gave it their best shot, swallowing a total of 48 burritos. Although they missed first place, frat brother Mike Chastaine said they still had a lot of fun.

Contestants get ready to tackle 1400 burritos at the Greek Eat-a-Thon (Top Left).

# ΔΣΦ PROSPERS IN FIRST YEAR

The Hayward Colony of Delta Sigma Phi made gainful strides throughout the school year in its goal to establish itself as a viable social fraternity. With the help of the Berkeley Chapter 12 fine men were able to become active brothers on September 19. From this core of men the ball began rolling with some very memorable events. Early in the Fall Quarter a Rush Party, attended by over 600 kicked off the year. This was followed by the Carnation Ball and a road trip to South Lake Tahoe. In the middle of the Winter Quarter, on February 14, nine more men completed their pledge period and joined the ranks of active brothers of one of the largest fraternities in the country. In addition 20 Little Sisters were also brought into the fold — to the great pleasure of all. With 21 brothers strong plans were set for the Spring Quarter. A great number of events were implemented towards the end of the year. A co-sponsored Beach Party with the Ski Club, the 5th annual Memorial Day Beach Party, a '50s Dance with the Berkeley Chapter, the Sailors Ball, a volleyball Tournament during Parti Gras, a couple of A's games with tailgate parties and Wednesday Night Activities were among the activities kept the brothers busy. As summer approached a final class of pledges were in the process of going through their pledge period and later initiation. As a final activity the fraternity, with the sponsorship of Coors Beer will head to Idaho for a river raft trip down the Salmon River.

The brothers of Delta Sigma Phi celebrate at R and R night.

# SKI CLUB GETS A TAHOE SKI CABIN

The Cal State Hayward Ski Club, under the guidance of its President Michael Chastaine, made a quantum leap forward in services supplied to its members. A 4-bedroom, 2-bath ski cabin in Homewood was provided for 5 months. Because of the super snow fall this year the cabin turned out to be a great success with the cabin full on most weekends and holidays.

The Ski Club didn't stop with the cabin. Starting the year out the club threw a free party at White Hall, complete with beer and music. That was followed by a very successful Halloween Costume Party featuring the band Hit and Run. The snow began to fall just in time to make the Thanksgiving/Cabin Warming Trip one of the best ever. With deep fluffy powder, members spent a long weekend in a winter wonderland.

To kickoff the Christmas Holiday, 47 members packed up and spent six glorious days of skiing in Utah. Clubbers hit Park City, Alta, Snowbird and Solitude within that week and from all accounts had a great time.

The Winter Quarter, because of the hard work of other officers Andre Charkowicz, Jeff Kramm and Jerry Michels and other active members like Lani Stover, was filled with excellent skiing leading up to the Spring Trip in Sun Valley Idaho. 98 people filling 2 buses and some air space spent a week exploring the vast reaches of the resort area. From the super mogels of Lime-light and Exhibition to the wide open bowls like Lefties Run, the mountain, snow and weather were perfect. Combined with the outstanding nightlife and the comfortable living accomadations Sun Valley made a trip to remember.

The highlight of the Spring Quarter, as always, was the end of the year Raft Trip June 14, 15 and 16.

# PARDI GRAS

Food And Fun For Everyone

Where could you get free hot dogs, watermelon, a glimpse at the most fantastic legs in town and music that keeps your foot stompin' all day? Why, at the Pioneer Pardi Gras of course!

June 1 to June 4 was the week for all of this free entertainment and food. Associated Students President Brian Anjo wanted a way of ending the year in style, and the Pardi Gras was the right ticket.

It proved to be a great success as many students showed up to join in the festivities. A few events were: the best legs contest, a Blues Brothers look-alike contest, and the Bong Show with Casino Night topping off the festivities.

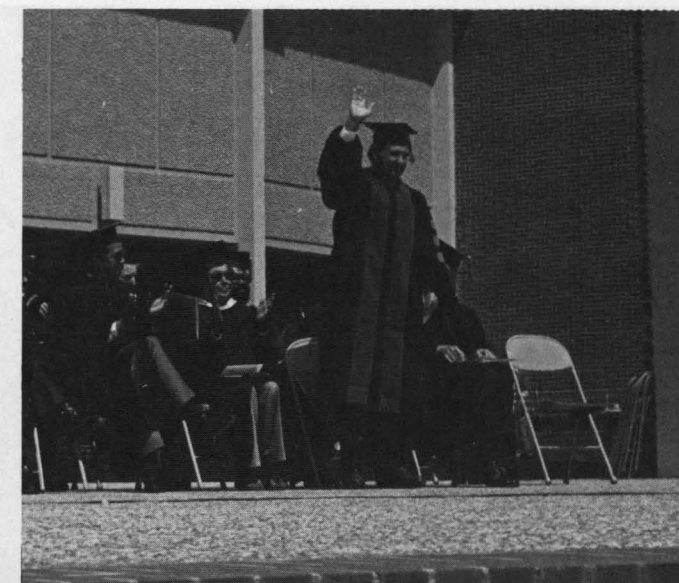

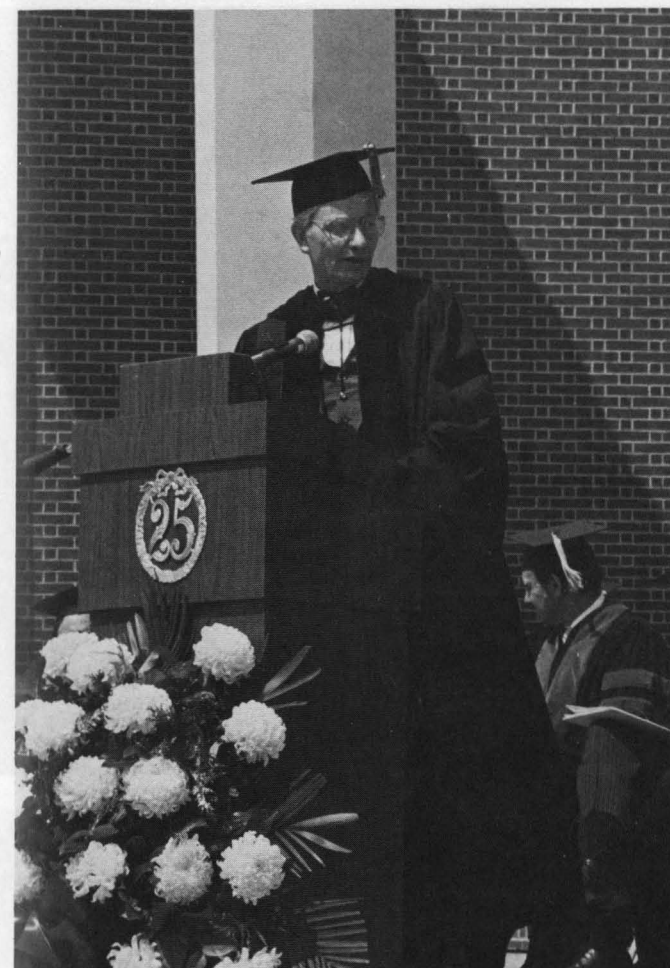

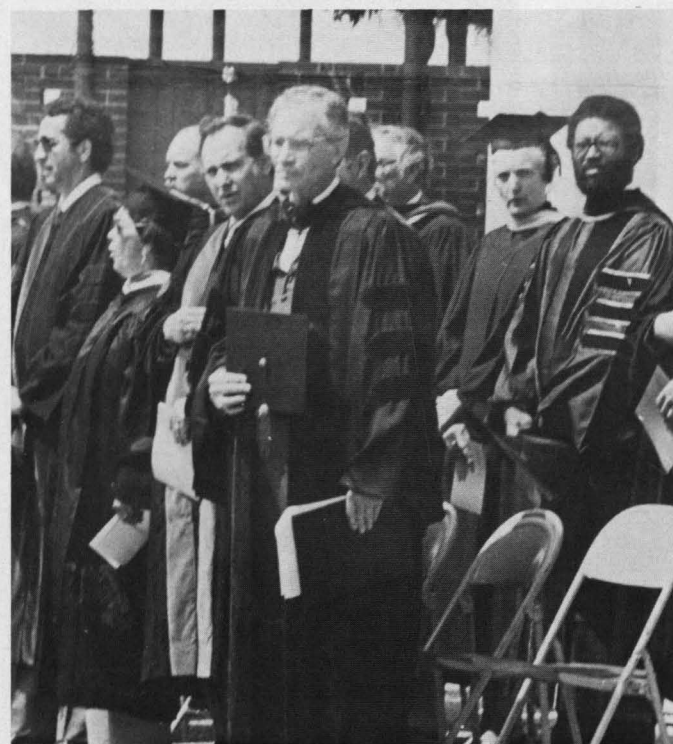

# CAL STATE CELEBRATES SILVER ANNIVERSARY

The 25th anniversary of the founding of Cal State launched many of the year's activities. Students were reminded of the anniversary throughout the year as the theme was apparent on parking stickers, identification stickers and other memorabilia during the past year.

But the May 14 Founder's Day proved to be the event of the year. The celebration began with a ceremonial march from the arts and education building by faculty members wearing academic regalia.

Since 10:40 a.m. and noon classes were canceled, Cal State students were able to participate in the celebration. Speeches by Cal State President Ellis E. McCune, former California Governor Edmund G. "Pat" Brown, and Ohio State University Professor Harold L. Enarson were among the highlights of the Founder's Day celebration.

## Memories Of Activities

## Memories Of Activities

# SPORTS

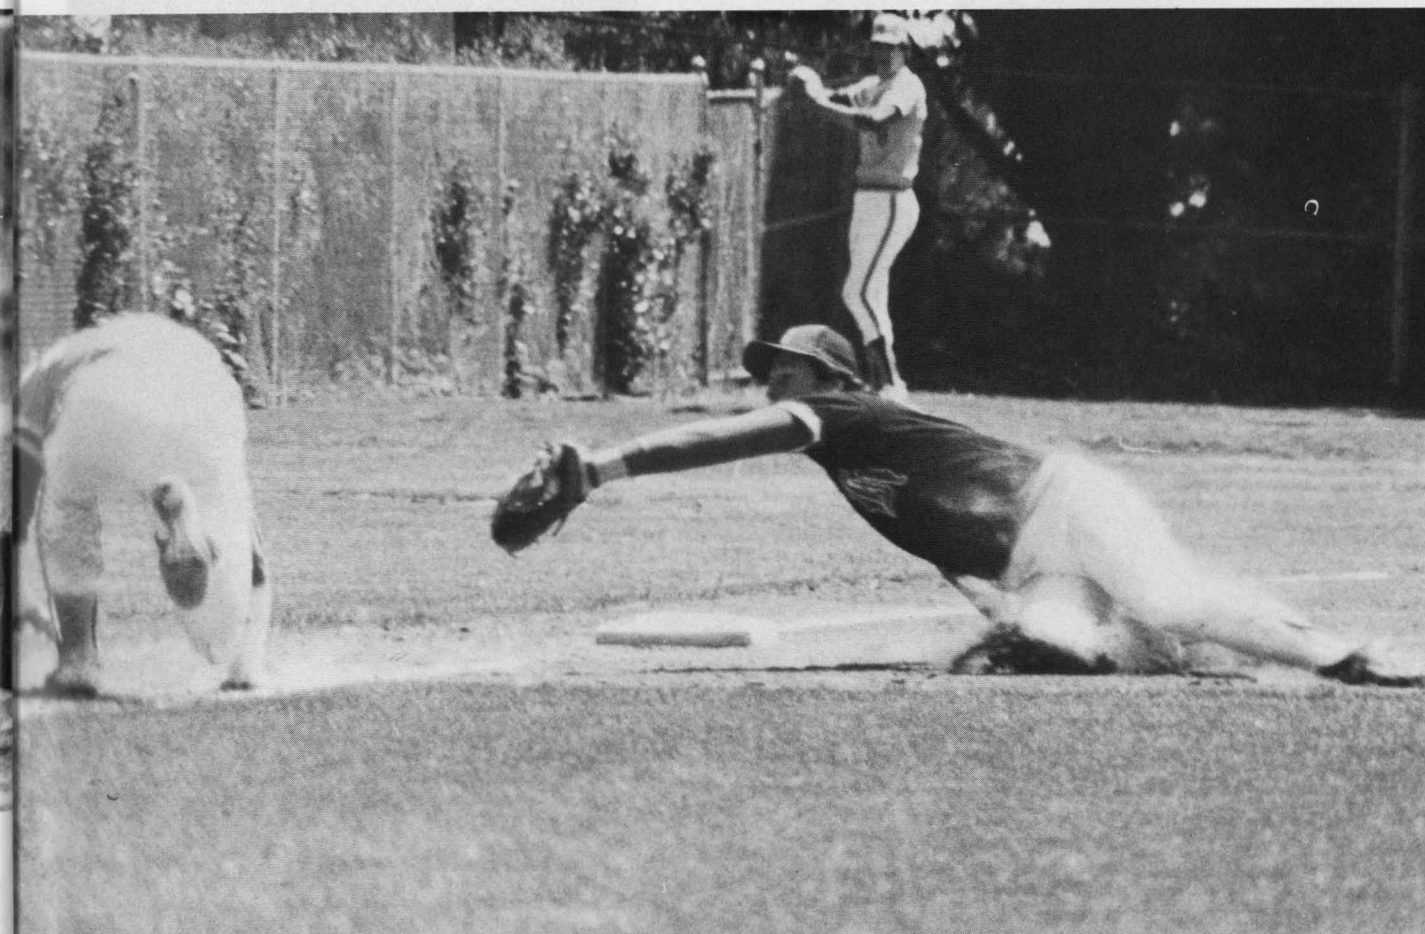

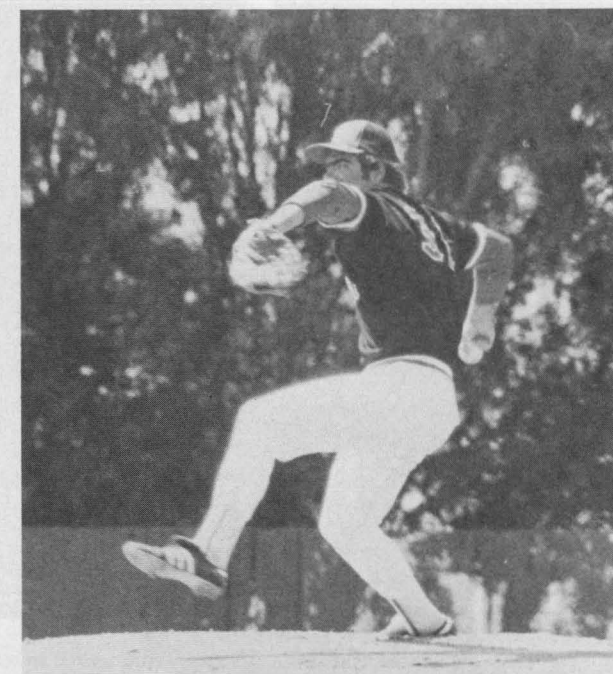

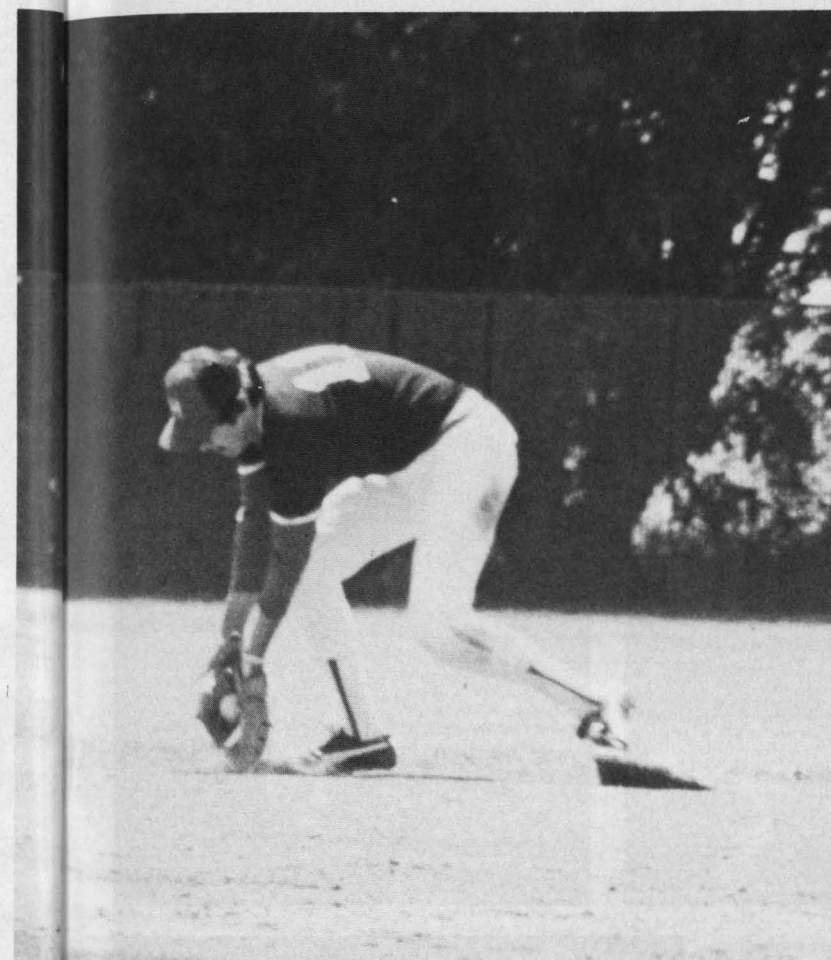

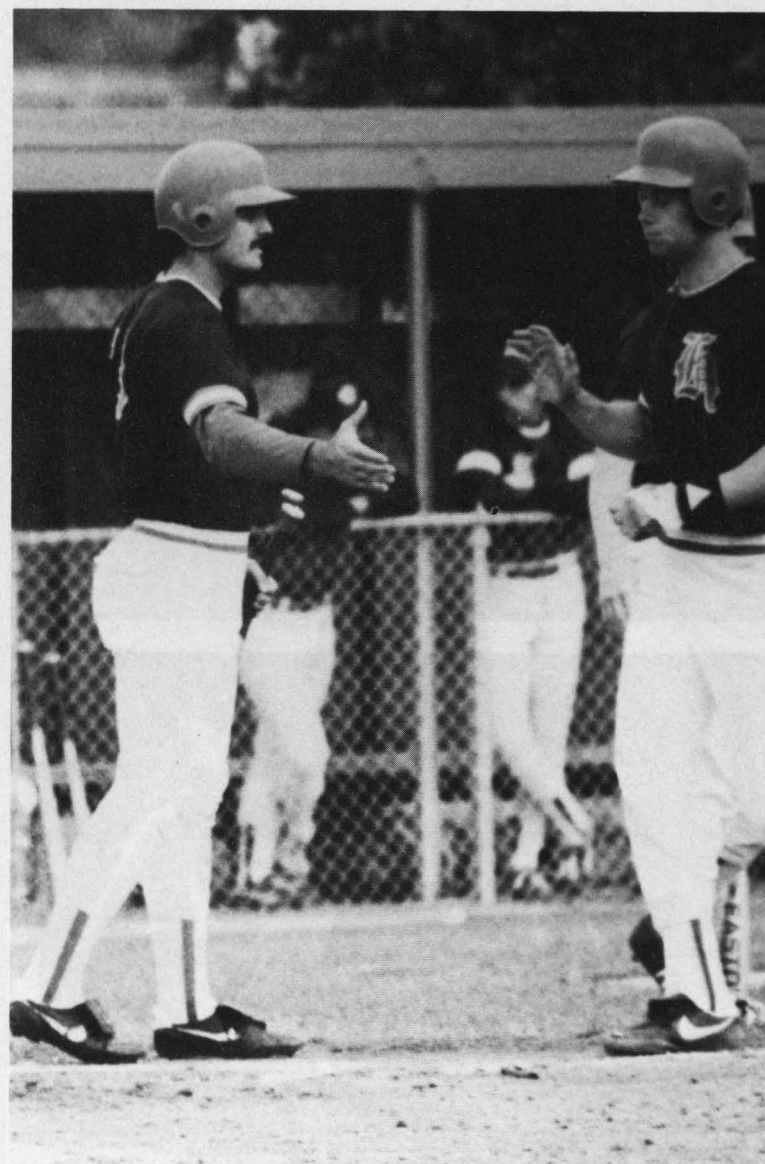

The 1982 baseball team got off to a slow start after being rained out for nine games in March. They ultimately finished the season with a 5-34 record.

Players Roger Gallardo, Ken Coleman, Bill Myatt, Tom Kennon

and Steve Moreno were responsible for some of the finer moments in the slow season.

Although the team has had better years, their enthusiasm and determination made up for any lack in wins or skills.

# BASEBALL

# MEN'S TENNIS

The Cal State Men's Tennis Team toured to schools including Sacramento State and San Francisco State.

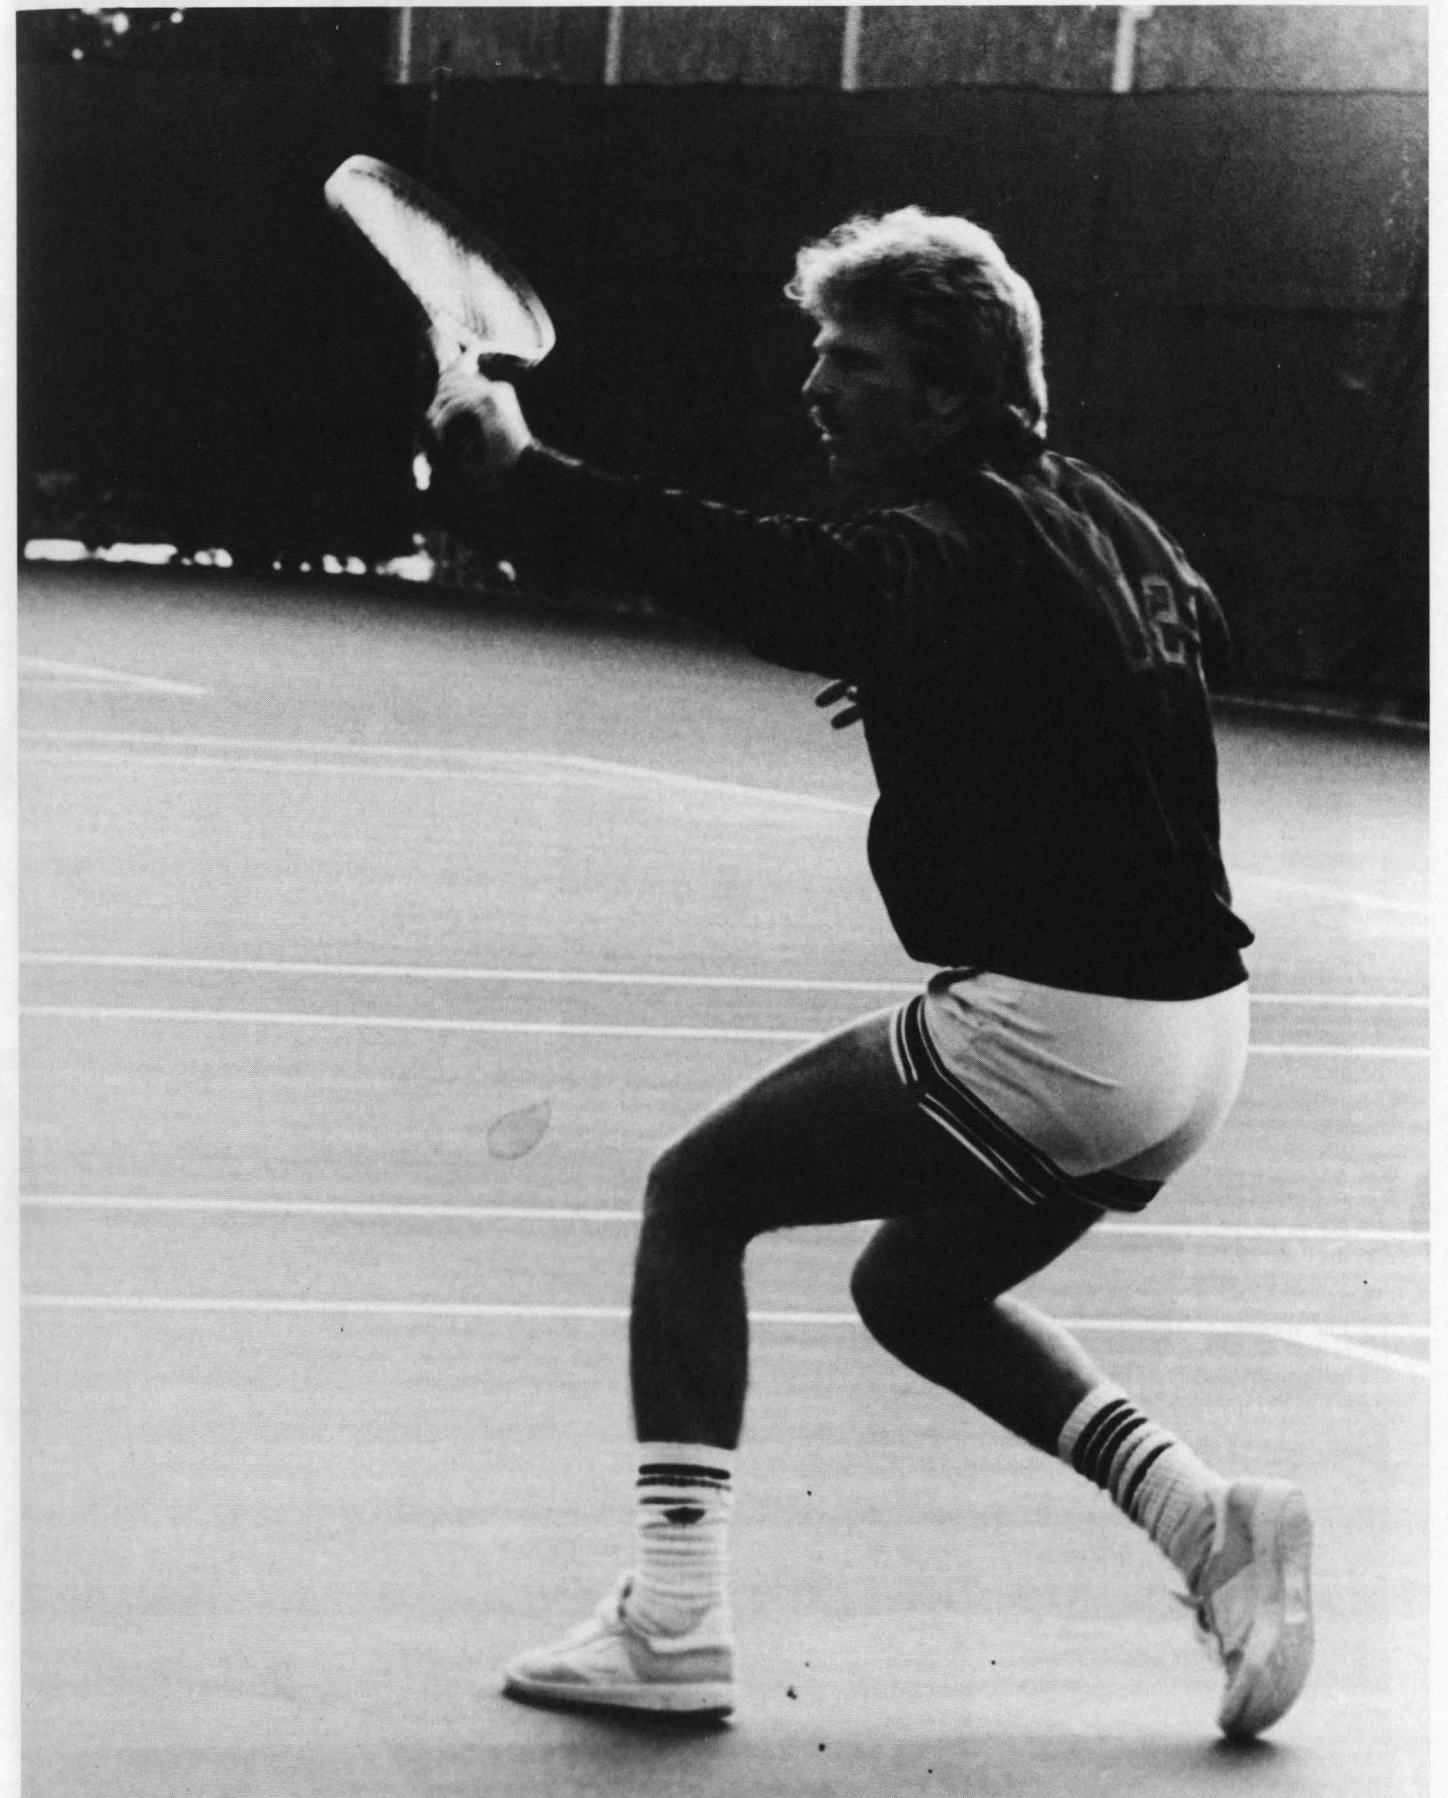

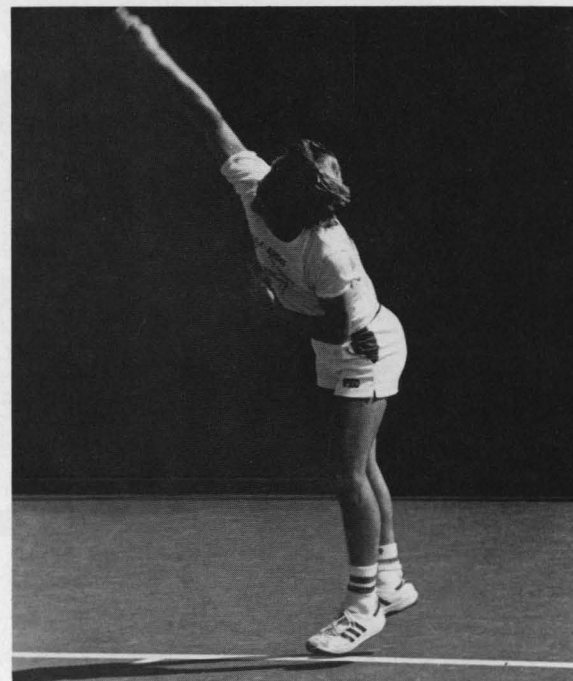

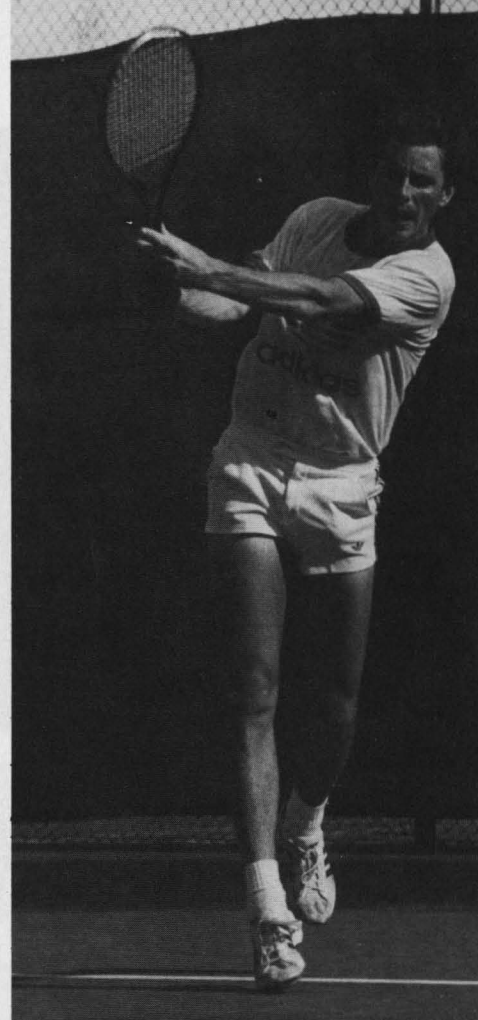

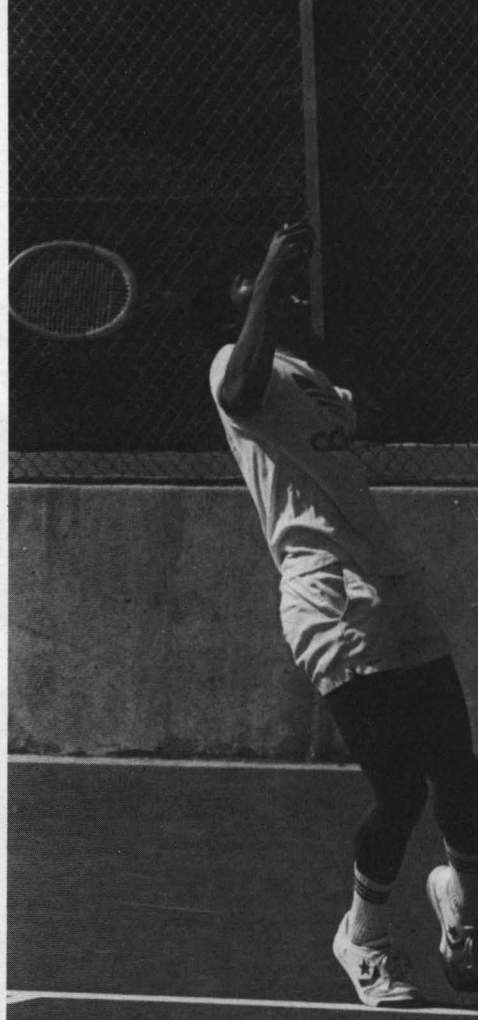

In spite of wet and grueling weather the 11- member team came out with a good record.

The rain forced the team indoors, during March and April. Makeshift courts were set up in the gym, and practices outside were often cancelled. Coach Stan Clark understandably perceived lower standings at the end of the season in nationals.

Nine women composed the 1982 Women's Tennis Team.

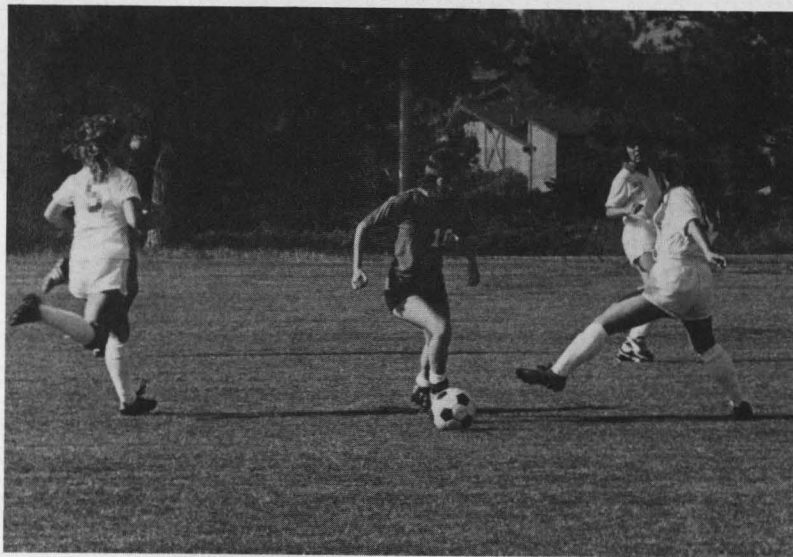

They lost many matches in the season, but the women reached their peaks in form and style.

By April, the women started winning matches with players like Karen Hughes and Heidi Wiedenmeyer leading in team points.

# WOMEN'S SOCCER

Coach Colin Lindores worked with her 13-member soccer team, which she described as "two or three years behind the other schools."

The team is looking forward to a better season next year because several players, including Pam Derrico, Cindy Miller, Dot McMahon, Allison Foster and Laura Powell will be returning.

The soccer team challenged the University of Santa Clara, Stanford University, Sonoma State, and San Francisco, among others.

# MEN'S TRACK

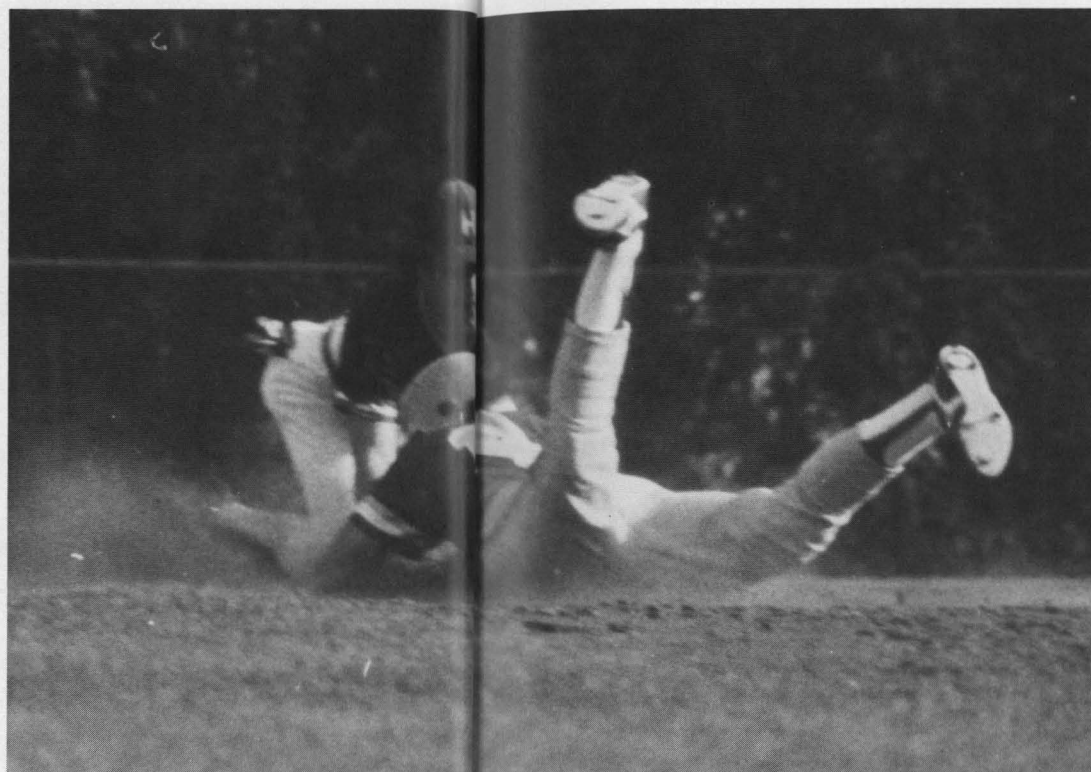

For the first time in several years, the Men's Track Team did not end the season in first place.

Even though the Pioneers placed second this year, many of its players received first place awards, including Don Lawson, Sandy LeBeaux, Dave Debus, Windle McNeil, Marcus McGlory and Darrin Wright.

# ELAN STAFF

The 1982 Elan staff was small. We worried for several months, but since only 150 seniors bought yearbooks and we only had enough money to produce 56 pages, we thought we could handle it.

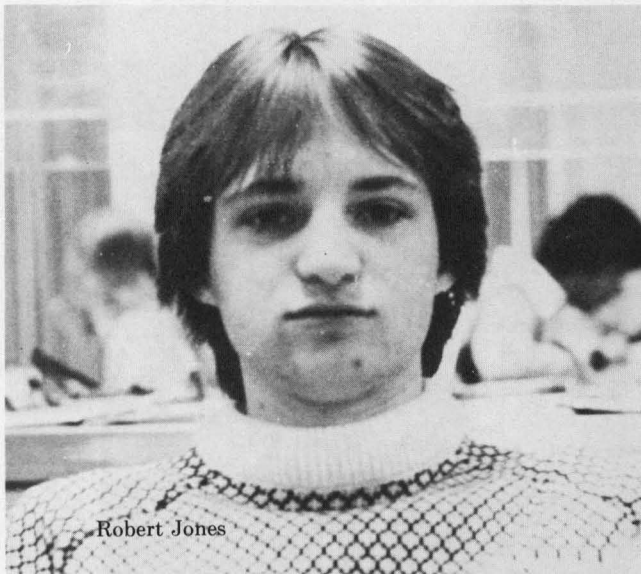

I want to thank our editors Robert Jones, Michael Pinch and Tom Young for putting in all of those hours working on this yearbook. A thank you also goes to photographers Linda Bowers and William Duda who took the pictures for my pages because I am not the world's best photographer.

Yes, the 1982 yearbook does end on page 56, but hopefully the budget cuts and student apathy end so that the students of the future can buy a 300 page yearbook.
