SAN LUIS OBISPO, APRIL ____----Facing one of its toughest weeks of the year, Coach Dick Anderson's Cal Poly swimmers participate in three meets this weekend.

Thursday at 8 p.m. the Green and Golders entertain the Long Beach State Forty-Niners, and Friday the locals travel to the Bay City to swim against San Francisco State. Saturday the Mustangs defend their team title in the Cal Aggies' relays at Davis.

The Mustangs swamped UC, Santa Barbara, 53-27, last Wednesday to capture their fourth win of an undefeated season. Other conquests this spring have been over Whittier, College of Pacific, and Fresno State.

Anderson expects San Jose State to provide the biggest threat to Poly's repeating as the Davis Relays titlist. Other colleges entered in the annual affair include College of Pacific, San Francisco State, and Fresno State.

Anderson indicated 15 Mustangs would be making the Bay Area journey. They include: sprinters, Bob Wright, Jim Olson and Francis Bell; distance men, Gene Lenz, Darwin McGill and Allen Starr; backstrokers, Larry Cole and Val Geissler; breast stroke men, John Phillips and Bob Downey; butterfly swimmers, Bob Loeffler and John Carr; and divers, Leigh Allen, Norm Boudreau and Gordon Wall.

Next action for the local tankmen following this week is set for Poly Royal, April 24, when the Mustangs entertain the UC at Santa Barbara Gauchos in a 3 p.m. meet.
