36th District

May 21, 1976

Dear Fellow Democrat:

In less than three weeks we will be selecting our Democratic nominee in the 36th Assembly District. I am seeking that seat being vacated by our present Democratic Assemblyman, J.K. "Ken" MacDonald. I intend to seek a leadership position in the Assembly. My experience in local government on a school board, city council and as Mayor, my willingness to work and study, my professional relationship with numerous assemblymen will enable me to be a strong representative for Ventura County in Sacramento.

The California Journal classifies this race as a "key" district. The Journal, a widely read and respected "monthly analysis of State government and politics," in April and May identifies my candidacy as the "favorite" and "best bet" to win on June 8th and November 2nd. So far my campaign has been very encouraging because of the number of volunteers and three very successful fundraisers with former Governor Brown, Mayor Tom Bradley, and Assemblyman Joe Montoya as special guests.

I have received the endorsement of several state and local organizations such as the California Federation of Teachers, the California League of Conservation Voters, the United Auto and Aerospace Workers, Women For:, and the California Federation of Business and Professional Women's Clubs, and others. In addition to the honored guests at my fundraisers I have the endorsement of key Democratic members of the Assembly: Majority Leader Howard Berman, Majority Whip Joe Montoya, Alan Sieroty, Art Torres, Bill Lockyer, Leona Egeland, Teresa Hughes, and John Vasconcellos.

It is important that I get a large vote in the Primary to make sure that we retain this seat in November. We still need help and contributions. Call us or mail in the tear-off below. Thank you for any help you can give us. I look forward to working with you during the election and as your representative in the State Assembly.

Sincerely,

Jane Tolmach
