Mrs. Jane Tolmach, Chairman
Ventura County Democratic Central Committee

Dear Jane,

Please accept this as the official form of my resignation from the Central Committee, effective immediately.

I am moving to the San Francisco Bay Area to accept another position, so shall be unable any longer to serve the Democrats of Ventura County.

Please convey to the other members of the Central Committee my appreciation for the pleasant associations so recently formed, and best wishes to yourself for a successful chairmanship - and a Democratic president in 1960!

Yours,
Robert W. Hill
